Town of Gilford

2017 Property Assessments

2017 Real Estate Assessments

This booklet contains the names of the owners of real estate in the Town of Gilford as of the fall billing of **2017**, along with the assessed value of each property. Please note that second owners may not appear on this list due to space limitations, but are on file in our system.

Property record cards and Tax Maps are available online by visiting the town's website at www.gilfordnh.org. If you note an error on the description of your property please contact the Appraisal Office in Town Hall.

As is the ongoing policy of the Town, the **2017** assessments were reviewed for potential changes to keep pace with the changing marketplace. A few areas experienced changes, up or down from the previous year based upon emerging market conditions. Preliminary studies indicate that our **assessments are reflecting 95-96% of market value as of April 1, 2017.**

The State Assessing Standards Board (ASB) now provides guidelines for assessing throughout the state, and these guidelines are monitored through the Department of Revenue Administration assessment review process. As a part of that process Town's are required to maintain their assessments at full value per RSA 75:8 and 75:8-a. The standard is that assessments should be between 90% and 110% of full market value. The most recent review of Gilford by the Department of Revenue Administration (2014) found that the Town met all guidelines regarding assessments and proportionality (equity amongst property assessments).

Property record cards of each property in Town, which contain detailed descriptions of the properties, are on file at the Appraisal Office in the Town Hall, 47 Cherry Valley Rd.

An owner of property who believes that the assessment of their property is in excess of its' equalized fair market value may file for abatement with the Selectmen no later than **March 1, 2018**. Forms for this purpose may be obtained from the Appraisal Office or by logging on to the State's website at www.state.nh.us/BTLA then click on 'Forms'. In order to demonstrate over-assessment, a taxpayer must provide evidence of descriptive errors or that the property would not sell for the equalized appraised value. This is typically performed by referencing recent sales (within a year of the date of assessment) of reasonably similar properties.

If a taxpayer is dissatisfied with the actions of the Board of Selectmen through the abatement process, they may file with the Board of Tax and Land appeals in Concord or the Belknap Superior court in Laconia, but not both, no later than September 1st following the abatement. Forms for the BTLA may be obtained at the State website referenced above.

PLEASE NOTE THAT INTEREST AT 12% PER ANNUM WILL BE CHARGED ON ALL PROPERTY TAXES NOT PAID BY THE DUE DATE SPECIFIED ON THE TAX BILL AND THE FILING OF A REQUEST FOR ABATEMENT OR ASSESSMENT REVIEW WILL NOT WAIVE THE PENALTY INTEREST.

Exemptions/Credits

For Veteran's Credit, Service Connected Totally and Permanently Disability Credit, Blind Exemptions and Elderly Exemptions, a PERMANENT APPLICATION must be filed prior to April 15th of the current tax year. The applications are available at the Appraisal Office, Town Hall, 47 Cherry Valley Road, Gilford, NH 03249.

These Credits and Exemptions may only be claimed upon residential real estate, which the applicant owns and occupies as a principal place of abode. A taxpayer may not claim exemptions or credits on more than one home.

Elderly Exemption Qualifications: In order to qualify for Elderly Exemption, a taxpayer must be 65 years of age as of April 1st of the year of application. In addition to residency and ownership requirements (must have resided in the residence for at least 3 consecutive years), the following criteria determines eligibility:

Single Taxpayers: $25,000 Annual Income Limit including Social Security

Married Taxpayers: $35,000 Annual Income Limit including social security

Personal assets must not exceed $90,000 in full value. Asset calculations do not include the taxpayers' residence with two acres of supporting land.

Current Use Taxation (Open Space)

Qualifications for this program require at least 10 acres of undeveloped land (no structures above or below the ground). This program allows landowners to place 10 undisturbed acres or more into a State-run program that assigns a reduced assessment to the open space land. Restrictions apply, and there are severe penalties for disturbing or developing lands in the Current Use program. For further information please contact the Appraisal Office at Town Hall.
