DEDICATION

The Gilford Board of Selectmen is pleased to dedicate the 2012 Annual Report to Bill & Sally Bickford in recognition of their service as Co-Chairs of the Bicentennial Committee and their long-standing commitment to volunteer contributions to the Gilford community.

Most folks in Town may be familiar with Bill & Sally as the owners of Kitchen Cravings, a restaurant near the airport where home cooked meals have been served to locals and tourists since September of 2008, having returned "home" to reside in Gilford on a full-time basis in 1996.

Prior to that, Bill & Sally were adventurous travelers that took advantage of many opportunities to live and work in such exotic places as the Florida Keys, the mountains of Colorado, and the California desert, while touring the country using motorcycles and motor homes. Throughout these escapades, they often took part in charity drives, fundraisers, and donated their time to help the less fortunate.

Although Sally was born in Manchester, NH, she moved to Gilford with her parents (Wayne & Shirley Snow) in 1957. She proudly claims that Gilford was a fantastic place to grow-up and she feels truly fortunate that she and Bill are able to quietly contribute to the quality of life in the Gilford community by working behind the scenes to donate their time, money, and food for many a good cause. She has a son who works at the Veteran's Home in Tilton, NH.

Bill was born in New Haven, CT, but spent many summers as a youth at his grandparent's cottage in Alton Bay. The son of two school teachers, Bill was brought-up to believe that public service is a noble undertaking. Bill has two children who live in Arkansas.

Bill & Sally currently reside in the house that Sally grew-up in on Belknap Mountain Road where they spend their spare time caring for Sally's mom and the Union Meeting House. Now that their "duties" on the Bicentennial Committee have come to an end, they are looking forward to painting the Town Gazebo at the Village Fields this summer along with ensuring the continuation of the village candlelight stroll. Future plans call for helping to raise money for the Thompson-Ames Society, touring the U.S. National Parks, and writing a family adventurer cookbook. In the meantime, Bill has expressed an interest in serving as a volunteer on the Historic District Heritage Commission, and Sally wants to make sure there is plenty of good food donated for community events.

Looking back on the Bicentennial Celebration, they insist that much of the credit for the year-long series of programs and special events belongs to Dee Chitty, who worked tirelessly behind the scenes. Nonetheless, the Town of Gilford is grateful for their leadership, perseverance, and dedication to this once-in-a-lifetime event.

REPORT OF THE BOARD OF SELECTMEN

To the residents and taxpayers of Gilford:

Once again the Board of Selectmen has taken an active role in preventing an increase to the municipal portion of the tax rate, while confronting the day-to-day and long-term planning realities related to the delivery of government services.

Over the past year we have taken steps to control the costs of employee benefits, reduced the overall size of the Town's work force, postponed spending on some projects, worked with our employee unions for the betterment of all concerned, and carefully managed the Town's prudential affairs.

Some of the noteworthy accomplishments in 2012 include:

- A year-long bicentennial celebration, assembled by a committee of volunteers who achieved simply spectacular results.
- A settlement in the long battle over 100% removal of coal tar waste on Lower Liberty Hill that is expected to result in all hazardous waste being removed so that the site may someday be re-used.
- A spirited debate and two separate Town Meeting votes by the residents of Gilford to decide the fate of Engine 4, whereby a 25 year old vehicle is in the process of being refurbished in accordance with the outcome of the political process.
- The development of a ten year road improvement program.
- Amendments to the Town's Live Entertainment License Ordinance and the adoption of a new Pawnbroker's Ordinance.
- Completion of a Tree Survey in Lincoln Park to improve the scenic views of Lake Winnipesaukee.
- Settlement of long-standing tax dispute with Wesley Woods.
- Improvements to Stonewall Park and the purchase/installation of new playground equipment at the Village Fields.
- Completion of the Alvah Wilson Bridge rehabilitation project.
- The sale of surplus land on Potter Hill Road to Gilford Village Knolls to be used for elderly housing.

 $\frac{1}{1}$

We are also pleased to report that the Town of Gilford has taken the initiative to revamp its website (www.gilfordnh.org), have a greater say in the management of the regional sewer system operated by the Lake Winnipesaukee River Basin Project, form a regional consortium for negotiations with MetroCast Cable Television for a Franchise Agreement Renewal, and solicit donations for the eventual erection of a community flagpole to be dedicated on behalf of the Town's public safety employees.

One of the privileges of serving as Selectmen is having the honor to bestow the Boston Post Cane upon the Town's most distinguished senior citizen. In 2012 this was conveyed to David Bickford.

As Selectmen we feel quite fortunate to work with outside agencies, local volunteers and a dedicated workforce in the management of Town-owned property, buildings, highways, open space and recreation areas. It truly does take a community of concerned residents to make the Town of Gilford a great place to call home. We would like to thank everyone who contributed in any way to our Town.

Respectfully submitted,

The Gilford Board of Selectmen:

Gus Benavides, Chair J. Kevin Hayes, Vice-Chair John T. O'Brien, Clerk

REPORT OF THE TOWN APPRAISER

State law governs the assessing process including guidelines developed by the Assessing Standards Board (ASB) and Equalization Standards Board (ESB). The Selectmen have a primary responsibility to ensure that assessments are proportionate each year and that the assessing process and results are consistent with State Standards.

Because personnel performing appraisals for assessing purposes must be certified to do so by the State, Selectmen delegate appraisal duties out to qualified personnel in the Appraisal Department. Beyond appraisal issues, the Selectmen retain authority over all legal processes occurring in the Department.

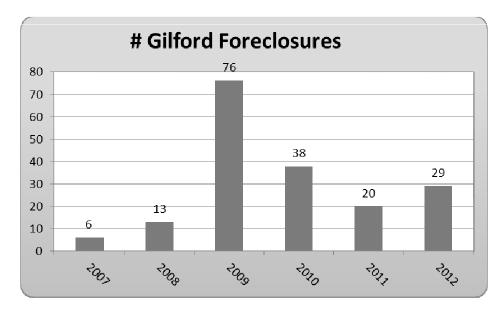

The assessment process is monitored by the Department of Revenue Administration (DRA) under RSA 21-J throughout the State. This monitoring process involves a DRA representative visiting Towns and reviewing all aspects of the assessment process including the way assessment updates occur, how applications for exemption and veteran credits are processed, how permit work is tracked, inspected and so forth.

Beyond ongoing oversight, every five years the DRA 'certifies' municipalities by analyzing various functions that occur in the Appraisal Department, and measures their findings against State ASB Standards. Gilford's last certification occurred last year in 2009. The DRA's review found that Gilford met all Assessing Standards Board guidelines and standards. The next certification will occur in 2014.

2012 Real Estate Market:

The Gilford residential real estate market had been softening over the latter part of 2007 into 2009. Matters stabilized somewhat in 2010. As with the previous real estate market crisis in the late 1980's, New Hampshire has not experienced the wholesale declines in market value reported in other parts of the country. Nonetheless, the local market has softened substantially as compared to the rising values experienced in 2003 through 2006.

While foreclosure prices and auctions are not normally used in determining current market value, foreclosures, combined with uncertain economic times have had the effect of slowing the real estate market across the State, Gilford included. Following is a history of reported foreclosures occurring in Gilford:

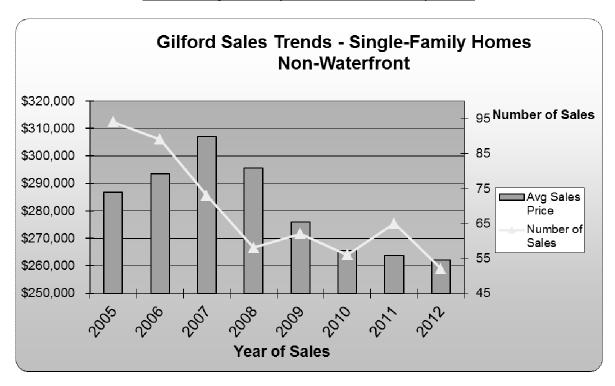

Similar to Towns across New Hampshire, foreclosures have been occurring regularly over the past few years. Not all properties have been liquidated through the foreclosure process. Many properties on the verge of foreclosure have been forced to go though 'short sale' conditions. This occurs when the bank does not foreclose, but forces the owner to sell the property. These 'short' sales are not reflected in the chart above.

Value Trends

The number of sales transactions for single-family homes in 2012 decreased by 20% from 2011 (52 sales in 2012 vrs. 65 in 2011). However, the sales prices, overall, have remained roughly the same:

Gilford Single-Family, non-waterfront Properties:

Overall, these statistics indicate relative stability in our single-family market when compared to 2008-2009, however; the supply of homes on the market is still higher than normal market conditions.

Looking to the different property sectors in Town, one can gain a more comprehensive view of how our market is faring as can be seen from the following general statistics:

Other Statistics (Average Selling Prices)*:

^{*} As with all <u>average</u> calculations, caution must taken before coming to conclusions, especially during times when there are fewer sales occurring and not all categories are equally represented.

As shown above, changes in market value were not uniform across the Town. That is, some sectors realized more substantial declines and others realized no declines at all.

2012 Assessment Changes:

Gilford has an ongoing policy to remain in compliance with RSA 75:8, that is, as the real estate market changes, so do the assessments so that the assessments remain consistent with the emerging market as of April 1st of each year and in compliance for maintaining 'proportionality' in property assessments annually.

Due to the relative stability of the market however, no overall changes in assessments were undertaken in 2012 beyond those changes required as a result of property inspections occurring throughout the year. As a result, the total value of the Town decreased less than 1% percent, from the 2012 assessments.

The following chart shows the changes in total valuation by category at year-end 2012)taken from the MS1 report submitted to the State)*:

Assessment-to-Sales Ratio: This statistic measures the relationship between the assessed values in Town, and the sales prices of open-market, arms'-length transactions occurring over the year. For example,, a property that sells for \$100,000 but is assessed for \$95,000 has a ratio of 95% (95,000 divided by 100,000). This process is conducted on all valid sales by the appraisal staff and, at the end of the year, by the Department of Revenue Administration. When these ratios are calculated for all valid sales, they are arrayed from high ratio to low ratio, with the middle ratio, or median ratio, representing the overall ratio for the Town for that year.

In 2011, our ratio was 99.5%. In 2012 our assessments are reflecting 95.8% of market value preliminarily (the State finalized the ratio for the year). This is reflective of very little movement in market value over the course of the year..

Acceptable ratios are between 90% and 110% of market value by current State Standards, however, the Town of Gilford strives to remain in the 95% range annually.

Cycled Inspections:

 $\frac{1}{2}$

Because the Town no longer performs full cycled revaluations (the last 'full' revaluation was in 1994), the Selectmen have authorized a 'cycled' inspection process, where each year 20% of all improved properties are inspected by a staff appraiser. In this way, over a 5-year period all properties are inspected. This helps ensure that our property data is reasonably accurate and ensures compliance to the State Constitution requiring an 'inventory anew at least every 5 years'.

These cycled inspections are performed by geographic area, although there are some exceptions. Other major reasons appraisal personnel will inspect properties include:

^{**}Public Utilities are pro-rated by the State for the State Education Tax Rate

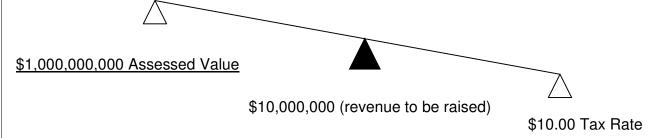

- Active building permit
- Recent sale or property transaction
- Abatement request
- Taxpayer request

Since the Town performs 5-year cycled inspections, when a visit is performed for any reason, an entire inspection (exterior measurements and interior inspection) is performed. This is so the appraisal personnel can then consider the property cycled, thereby not re-visiting (by data collectors) for another 5 years, regardless of its' geographic location. Review appraisers also follow-up by reviewing a portion of the Town each year to ensure consistent application of appraisal procedures.

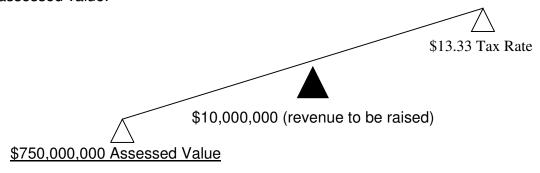

The question has arisen as to why the Town continually performs these assessment updates, and not just when the 5-year certification year arrives (our next certification is due in 2014). Beyond the requirements of RSA 75:8 referenced above, performing more frequent updates adjusts taxes more incrementally as opposed to all at one time. Consider the following:

The reason assessments change is because the real estate market changes. If the market would simply stand still, then assessments remain the same. If the market changed equally for all properties, then there would be no change in tax dollars paid beyond any increases in the annual budget, even if all assessments were increased. For example, if all assessments were increased by 10% across the board, the <u>tax rate</u> would decrease by 10% and the taxes would remain the same as in the previous year (assuming a level budget for both years).

For illustrative purposes, assume that the net valuation of the Town is one billion dollars in assessed value. Also, assume that the Town budget is \$10,000,000. The tax rate is determined by dividing the amount of taxes to raise by the net assessed value. The answer, times 1000, indicates a tax rate of \$10.00 per thousand of assessed value.

If the total assessed value were to fall to \$750,000,000, the Town still needs to raise the authorized \$10,000,000. So, dividing the same \$10,000,000 by \$750,000,000 in net assessed value causes the tax rate to increase to \$13.33. Thus, the same total amount of taxes is still raised, regardless of the total assessed value.

So, the function of the tax rate is to raise authorized expenditures. The assessed values change with the market, and the tax rate fluctuates according to the amount of authorized (local) taxes to be raised.

If property values changed <u>equally</u>, and the budget remained the same as the previous year, there would be no change in tax bills. However, as referenced earlier, not all market values change equally over the same timeframe. As time progresses, properties become more and more out of line, requiring a sudden and dramatic shift in tax burdens around the Town. For these reasons, annual reviews and changes tend to moderate any required shifts in taxes resulting from changing real estate markets.

2012 Tax Rate Changes:

The tax rate is made up of 4 components, the Town, County, Local School and State School rate. This year, all components either stayed the same as last year or were reduced as follows:

Tax Rates:	2011	2012	\$C	hange	%Change
Town	4.93	4.93	\$	-	0.00%
County	1.53	1.47	\$	(0.06)	-4.08%
Local School	9.35	9.21	\$	(0.14)	-1.52%
State School	2.74	2.69	\$	(0.05)	-1.86%
Totals	18.55	18.30	\$	(0.25)	-1.37%

Exemptions and Tax Credit Information:

The State administers a program of tax relief entitled LOW & MODERATE INCOME HOMEOWNERS PROPERTY TAX RELIEF. This program is administered by the State DRA however we will have forms in the appraisal office to apply. We expect to have the forms available in April (the State delivers the forms to us). The filing date is May 1st through June 30th of 2013 for the 2012 tax year.

Elderly Exemptions

To qualify, applicant must:

- be 65 years of age or older on or before April 1st in the year they're applying;
- be a New Hampshire resident for at least 5 years prior to April 1st.
- total household income cannot exceed \$25,000 if single, or \$35,000 if married.
- all sources of income are included.
- total assets cannot exceed \$90,000. Assets do not include the value of the house and up to 2 acres of land that the house sits on. All other property would be included in asset calculations..

If qualified, the exemptions are as follows:

- ages 65 to 74 \$45,000 is subtracted from the assessment and taxes are paid on the remainder.
- ages 75 to 79 \$60,000 is subtracted from the assessment and taxes are paid on the remainder.
- ages 80 and over \$75,000 is subtracted from the assessment and taxes are paid on the remainder.

Blind Exemption

To qualify, applicant must:

 be a New Hampshire resident for at least 1 year prior to April 1st in the year exemption is claimed. • be legally blind as determined by the administrator of blind services and provide a letter stating such.

If qualified, the exemption is as follows:

• \$15,000 will be deducted from the assessment and taxes will be paid on the remainder.

Veteran's Tax Credit:

To qualify, applicant must:

- be a New Hampshire resident for at least 1 year prior to April 1st in the year the credit is claimed;
- have honorably served at least 90 consecutive days of active duty during a qualifying period; and,
- Supply a copy of paperwork (DD-214, for example) showing date of entry, date of discharge, and character of service.

Service Connected Total Disability Tax Credit

If applying for service connected total disability tax credit, disability must be 100% total and permanent, must be service-connected with a letter from the veteran's administration to be supplied at the time of application.

If qualified, the exemption is as follows:

• \$500 will be deducted from the taxes for a standard veteran credit, and \$2,000 for a veteran or surviving spouse with a service connected total and permanent disability.

Veteran Spouse or Widow:

To qualify, applicant must:

- Demonstrate that the spouse or deceased veteran met all requirements for Veterans Tax Credit (referenced above), and,
- · Has not remarried.
- The surviving spouse of any veteran killed or died while on active duty, as listed in RSA 72:28, providing that the spouse or widow has not remarried.

Our office is available at any time to discuss these local exemptions such as elderly exemptions, or tax credits such as veterans credits. We are also available for scheduling meetings to discuss any aspect of the assessing process at any time. We encourage all taxpayers to take an opportunity to review the information on file for your property, and to bring questions or discrepancies to our attention if they are found.

We extend our gratitude to the administration for their continuing guidance and support and helpful fellow Town employees. Most importantly we wish to thank the taxpayers of our Town for the patience and courtesies extended to us over the year. We are an 'open door' office and we will review and/or explain your assessment at any time. As always, we do look forward to providing you with assistance in any way we can.

Respectfully,

Wil Corcoran & Marybeth Walker, Town Appraisers

REPORT OF THE TOWN CLERK – TAX COLLECTOR

We ended the year last year with the one check system in December; we have now offered this service for one full year. This is where the citizen writes one check for the combined Town Clerk fees. State DMV fees and/or taxes. Once we receive the check we process the payments and reconcile the work for the day. After the day's work has been reconciled we then electronically transfer the state's DMV fees directly to their bank. This process has accomplished a few goals for the office. It has been easy and convenient for citizens (everyone really seems to love it!), saves time in the cash up process and is the first step towards taking credit cards. Speaking of credit cards VISA has finally changed their rules this past fall in regards to accepting their card over the counter for certain transactions. 2013 may be the year to finally go forward with credit and debit cards. I will be seeking approval from the Board of Selectmen this coming spring. Please keep in mind that if the decision to take credit/debit cards is approved by the Board, the convenience fees will more than likely be charged back to the person using the card; we are not a retail business and we have no product to absorb these fees. There will be more information available as we attempt to move forward this coming year.

2012 was a busy election year! You will find the minutes within this report for the Presidential Primary, Deliberative Sessions, Town & School Election, Special Town Meeting, State Primary Election, Special Town Meeting (fire truck), Recount of Special Town Meeting and the Presidential Election in November. In the Presidential Election Gilford experienced a great turnout, very similar to the rest of the country. New Hampshire implemented new Voter ID laws and other law changes which was a big change to the way normally do business on Election Day. It was a busy, successful day! What a great demonstration of teamwork from all Town Departments, Election Officials and the Gilford School System. Kudos! A huge "THANK YOU!!" to everyone involved that made it all possible.

In March we participated in the annual town audit with Vachon Clukay & Company PC with superior results. Staffing levels changed due to efficiencies within the department and budget adjustments. We said goodbye to Renee Cammarota and wished her well in her new endeavors. Gayle Cook returned to the post from a volunteered position to a part-time employee. The office hours were reduced by 30-minutes on Thursdays, making the new public hours 8:00 – 6:00 p.m. At the end of summer the staff and I participated in an operational assessment with Municipal Resources, Inc. (MRI). The results confirmed that we needed the part-time position that was being requested. Bonnie Malin took a short sabbatical and returned to us in the fall to fill this position. Needless to say were more than happy to have the experience and knowledge that Gayle and Bonnie brought with them to fill these positions.

This year the Town of Gilford celebrated its 200th Anniversary with lots happenings all over town. The many events made everyone part of the celebration and a renewed since of pride was expressed within the community. We were thrilled to help sell items and direct folks to all the activities in town.

The Town Clerk's financial report demonstrates that revenues were up by \$62,974 if you compare to last year's report. You will see that motor vehicle revenues were up and that the counts on titles and autos have also increased. I hope this is a positive sign that the economy may be picking up slightly. It is difficult to see this by looking at the bottom line because the state DMV revenues were down for the year (the state surcharge was stopped in August).

The staff had a hectic summer being short staffed. Danielle, Jenn, Sandy and I completed advanced DMV training in September. I want to personally thank the whole staff for working so hard to make our office an efficient and friendly place to be and we certainly appreciate the support that the community has shown our department.

In October I was nominated and elected as Second Vice President serving on the New Hampshire City and Town Clerk's Association's Executive Board. I look forward to working alongside our local communities on important issues regarding residency, motor vehicles and other important laws that will affect all of us. It is a true honor to serve as your representative.

Respectfully submitted,

Denise M. Gonyer Town Clerk – Tax Collector MS-61

REPORT OF THE DEPARTMENT OF PLANNING AND LAND USE

This past Bicentennial year of the Town of Gilford saw a modest increase in development activity after a few years of slowed growth. Perhaps the most notable development of the year was the site plan review for the expansion of Walmart Plaza, now officially known as Lake Shore Marketplace. The plan effectively doubles the size of the existing Walmart store, taking it from 69,700 square feet to 129,870 square feet. The plan includes changes to a portion of the parking lot, and demolishing roughly 22,000 square feet of existing retail space to the right of the current Walmart and replacing it with a 60,000 square foot store expansion. Two tenants, whose spaces will be part of the demolition, will be relocated to vacant spaces elsewhere in the shopping center. The development straddles the Gilford/Laconia town line and most of the expansion work is in Laconia, including some wetlands impacts behind the building. With the project being in both Gilford and Laconia, review of the plans required working closely with the City of Laconia. Having to work with another jurisdiction can sometimes be difficult, but this was a positive experience. I express my thanks to Laconia's boards, Laconia Planning and Zoning Director Shanna Saunders and her staff, surveyor Steve Smith and engineer Bill Stack of Steven J. Smith and Associates, Project Manager Caleb Perrin with W.S. Development who guided the project through its various steps, and the Gilford boards, consultants, and staff who made review of this project smooth, thorough, and beneficial to all affected.

The following tables illustrate the work performed during 2012 by the DPLU office staff and the land-use boards and commissions for which the department provides staff support:

Each year we review the membership of the boards, acknowledging and giving thanks to the numerous volunteers who staff our land use boards. This year is no exception. In the spring Dick Waitt "retired" from the Planning Board after serving five consecutive three-year terms. Regrettably, Dick passed away on December 17, 2012. First appointed in 1997, Dick Waitt served faithfully as a board member and was elected to serve as an officer on the board for most of his tenure. He was a great promoter of incorporating colonial design into the architecture of commercial buildings. Dick also represented the Town on the Lakes Region Planning Commission, serving as chairman and vice chairman of the Commission for several years. Although he will be greatly missed, his good influence will continue on in many ways.

The Planning Board also saw other changes in 2012. Alternate Member Dennis Corrigan resigned his position after serving three years and Chan Eddy was changed from an Alternate Member to Regular Member and was later elected to serve as secretary. The Board of Adjustment saw turnover with Alternate Member Paul Kiely leaving the ZBA and going to the Conservation Commission, Bill Knightly being moved from Alternate Member to Regular Member, and Ann Montminy being appointed as the

ZBA's newest Alternate Member. On the Historic District and Heritage Commission, Mary Curtis did not seek reappointment after serving on the Commission since 2004, and the Board of Selectmen changed the number of commissioners needed to comprise a full Historic District and Heritage Commission from six to five. The Conservation Commission saw Diane Hanley resign her position early in the year.

And last, but certainly not least, Conservation Commissioner Douglas Hill, was recognized for his many years of valuable and selfless service as he was presented with the Kim Ayers Award on June 25th at the annual meeting of the Lakes Region Planning Commission. The award is given in memory of B. Kimball Ayers, Jr. "who faithfully and persistently worked to maintain and improve the environmental quality of the Lakes Region." Doug has served on the Conservation Commission since 1979, having given some 33 years to protecting the environmental quality of Gilford and the Lakes Region. An attorney by trade, Doug has contributed a great deal of legal expertise and over the years has "played a key role in the permanent protection of approximately 5,000 acres of wilderness, farm land, forests, shore land, wetlands and wildlife habitats in the town of Gilford." Congratulations to Doug Hill for this well deserved honor!

The department adjusted this year to working with only three full-time employees. Many thanks to Building Inspector/Code Enforcement Officer David Andrade and Secretary Sandra Hart for continuing to work together to keep DPLU running smoothly.

Respectfully submitted,

John B. Ayer, AICP Director of Planning and Land Use

Public Notice

Restoration of Involuntarily Merged Lots

Per RSA 674:39-aa

This notice is provided to inform Gilford taxpayers of a recently enacted NH Law that allows for any involuntarily merged lots to be restored to premerger status upon the owner's request. Involuntarily merged lots mean land parcels that were merged by municipal action for zoning, assessing, or taxation purposes without the consent of the property owner. This law does not apply to lots that have been voluntarily merged as a result of actions taken by a property owner or previous title holder.

Although the statute requires that requests to restore involuntary mergers must be submitted to the Selectmen prior to December 31, 2016, the Town of Gilford passed an amendment to Section 9.1 of the Zoning Ordinance in 2010 that establishes a simplified, administrative procedure for lot unmergers without any deadline. Any person interested in having a lot unmerged should contact the Department of Planning and Land Use at (603) 527-4727, or drop in at the DPLU Office in the lower level of the Gilford Town Hall, 47 Cherry Valley Road, Gilford, NH 03249.

FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION

2011 – 2012 (FY12)

The Lakes Region Planning Commission (LRPC) is an organization established according to state law to provide area communities and the region with the capacity to respond to and shape the pressures of change in a purposeful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we are engaged in. The Commission offers direct and support services including technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning and economic development. Local, state, and federal resources primarily fund the LRPC. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the town of Gilford and the region in the past fiscal year are noted below:

OUTREACH

- Convened a project team for the Gilford-Laconia-Meredith stormwater regulation project on Lake Winnipesaukee. Worked with municipal planners to develop project questionnaire. Project is ongoing.
- Continued to work with the town's hazard mitigation committee to prepare an update of the town's Hazard Mitigation Plan.
- Collaborated with the University of New Hampshire Technology Transfer Center as part of LRPC's Road Safety Management System support to the town.
- Provided copies of the NH Planning and Land Use Regulations book to the town at considerable savings.

REGIONAL SERVICES

- Modified and improved Community Facility maps for LRPC communities and posted them to LRPC's website.
- Reviewed and edited the draft Pemigewasset Local River Advisory Committee (PRLAC) Annual Summary.
- Hosted a statewide meeting of the Regional Planning Commission (RPC)/Homeland Security and Emergency Management (HSEM) staff to discuss the process for Hazard Mitigation Plan (HMP) updates, Local Emergency Operations Plan (LEOP) updates, and other project issues.
- Hosted over 150 people who attended LRPC's Annual Meeting that featured Mark Fenton, Consultant, TV Host, Author, Professor, and Athlete who advocates community

planning that promotes health and economic goals, including public transit opportunities and connected walkways, trails, and bike routes. Awards were provided to a number of people and organizations for their contributions to their communities and the Lakes Region.

- Received substantial funding to prepare a new regional plan for the Lakes Region. A
 three year effort, the plan will include a comprehensive public involvement process and
 generate considerable new data for use by local communities.
- Continue to provide program management and guidance for the Lakes Region Brownfields program.
- Provided assistance to the Lakes Region Broadband Stakeholder Group, including meeting coordination, planning and mapping services.
- Received funding from the Samuel P. Pardoe Foundation to conduct Smart Growth Assessments (SGA) for selected communities.
- Released the 2012 Development Trends Report, which shows residential, commercial, and industrial permit activity on an annual basis. The 2010 data used in the report showed that the building permit activity stabilized after several years of decline.
- Represented the region on the NH Association of Regional Planning Commissions.
- Maintain and host LRPC's website, <u>www.larkesrpc.org</u>, which features extensive information for local officials and the general public.

HOUSEHOLD HAZARDOUS WASTE

- Continue to represent the region at meetings of the Lakes Region Household Hazardous Product Facility to explore the ways and means the facility may encourage other communities to participate.
- Continue to organize and coordinate two annual Household Hazardous Waste (HHW) collections a year, involving 24 member communities. In 2012, about 19,000 gallons of unwanted HHW was collected, keeping it from our landfills, backyards, streams, and lakes.

EDUCATION

- Organized and hosted three public Municipal Law Lectures, in cooperation with the NH Local Government Center: 1) Sign Regulations and Home Occupations: Accessory Uses, Difficult Issues; 2) Preemption of Local Regulation: Ejected from Your Own Game; 3) Land Use Law Update.
- Convened six Commission meetings and facilitated discussion on: The Shoreland Water Quality Protection Act; Do NH Municipalities still have Legislative Authority to Plan and Regulate Water as a Natural Resource?; Regionalizing Services: A NH Report Card; Forging Inter-municipal Connections: Experiences of the Suncook Valley Regional Town Association; Outsourcing Law Enforcement to the County: A Current Example; Northfield and Tilton: A History of Partnering; Surviving Angry People; 2012 Legislative Update; The Economics of Share Community Services; Bicycling and Walking: Transportation Choices for New Hampshire's Lakes Region; Next Generation Broadband The Network NH Now Project; Regional Broadband Plan and Our Broadband Stakeholder Group.

ECONOMIC DEVELOPMENT

 Worked with regional energy leaders to facilitate a meeting of the Lakes Region Energy Alliance to build capacity to identify economic development opportunities related to energy.

- Coordinated with area economic development groups including Belknap County Economic Development Council (BCEDC), Grafton County Economic Development Council (GCEDC), Franklin Business and Industrial Development Corporation (FBDIC), Mount Washington Valley Economic Council, and the Wentworth Economic Development Council (WEDCO) in pursuit of workforce development and growth opportunities for the region.
- Received new funding from the Economic Development Administration (EDA) to update
 the Comprehensive Economic Development Strategy (CEDS) for the Lakes Region.
 Completion is expected by August 2013, and projects in the CEDS would be eligible for
 EDA funding.
- Completed several Phase 1 and Phase 2 environmental assessments in five Lakes Region communities through the Lakes Region Brownfields program. Some of these led to the communities applying for and receiving clean up funds from EPA to help repurpose the properties for new uses.
- Provided demographic information to the GCEDC to assist in a grant application.

TRANSPORTATION

- Conducted over 150 traffic and turning movement counts around the region.
- Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development.
- Received funding through the NH Department of Transportation (NH DOT) to initiate a new Scenic Byways Plan.
- LRPC Commissioners approved the Lakes Region Bicycle and Walking Plan and Design Supplement; which is accessible from the LRPC website.
- Developed and delivered a priority list of Transportation Enhancement projects to the NH Department of Transportation (NHDOT) for future funding consideration.
- Completed an analysis, including maps, on the potential future demand for the Winnipesaukee Transit System.
- Participated in and reviewed the Governor's Advisory Commission on Intermodal Transportation (GACIT) information relative to Lakes Region projects in the Ten Year Plan (TYP) 2013-2022.
- Initiated the start of the NH Route 140 Corridor Study, which includes the towns of Alton, Belmont, Gilmanton, Northfield and Tilton.
- Acquired Road Surface Management Systems (RSMS) 11 software from the Maine DOT to help LRPC continue to provide a useful service to our members.
- Assisted with the successful application to fund the expansion of transportation services for the elderly and disabled in Carroll County. Attended several Mid-State Regional Coordinating Council and Carroll County Regional Coordinating Council meetings. The RCCs advise the State Coordinating Council on public transit issues in their respective locations.

REPORT OF THE POLICE DEPARTMENT

The Police Department continued to be busy during 2012.

2012 brought on my first complete year as Chief and provided me an opportunity to analyze programs that I had put into place after being appointed Chief in October of 2011. The first program is the "Park, Walk and Talk". This is where the Officers are encouraged to get out of their patrol vehicles and walk around local businesses and stop and talk with residents. As can be the case with any new program, it was met with some resistance when first put into place. I am delighted to say that in its second year after implementation the members of the Gilford Police Department exceeded even my expectations. I have even been receiving positive comments from local businesses, as well as the Officers. This program will continue and will be expanded upon in the years to come.

A second program, or change in the way we conduct business, took place within communications. In the past, we have used police "ten-codes" when speaking over the radio. However, in the wake of incidents such as 9-11, there has been a push to change over to "plain speak" when using the radio, in an effort to cut down on confusion when speaking with other agencies, that do not all use the same codes. Both Communications Specialists Craver and Doris researched this possible issue and recommended an elimination of "ten codes" and a change to "plain speak" over the radio. We implemented this program as a trial run in October of 2012. For example, in the past, an officer on the street would have called in a motor vehicle stop using the 10-code "10-89" followed by the location of the stop and the registration of the vehicle. With the new plain-speak method, the Officer now eliminates the 10-code and uses plain English to state he/she is "stopping" the motor vehicle. It has taken some time to "retrain" the officers, but we are finding that this new method is better for all involved.

During 2012, we added a motorcycle to our fleet and currently have two officers certified to operate it during their shifts. This piece of equipment is able to provide the same services the cruisers do, at a much reduced fuel cost. We also received a new cruiser, the Ford Interceptor, which is a 6-cylinder all wheel drive cruiser. This has proven to be a more fuel efficient vehicle and appears to perform well in all types of weather. We were also able to obtain a surplus Humvee vehicle from the Military. This vehicle was acquired completely free of charge to the Town and will be utilized for winter use. This allowed me to remove an SUV vehicle from the budget and hopefully be able to continue to purchase more fuel efficient all wheel drive vehicles.

In March of 2012, Curtis Mailloux joined the Department as a Patrolman. Officer Mailloux is a local New Hampshire resident and is a welcome asset to the force. With

the hiring of Officer Mailloux we are currently at full staff. The Department also welcomed K-9, "Ike", to the force. Ike will be replacing K-9, "Agbar", who has reached the age of retirement. Ike was obtained from the New Hampshire Working Dog Foundation at no cost. He is currently going through training and is anticipated to be ready for full patrol duty in the spring of 2013, at which time Agbar will retire from active patrol duty.

A few notable cases investigated by the members of the police Department during 2012 are as follows: Patrol Officers and Detectives conducted an investigation into what ended up being a large synthetic drug distribution center. It was located in a residence in a quiet neighborhood, servicing a large portion of the eastern seaboard, shipping drugs commonly referred to as "bath salts" and "spice". This investigation provided the missing link to a seven (7) state DEA investigation, inevitably becoming part of a nationwide takedown, known as Operation Log Jam, executed on July 25, 2012. The two individuals that were located in Gilford are expected to be charged federally.

Also, a ten (10) month investigation was concluded in July 2012 with the arrests of three individuals, and more are expected. This case involved a residential burglary that involved the theft of seven (7) firearms and a safe. At this point, the safe and one of the firearms have been recovered. All three subjects are awaiting trial. Working with the New Hampshire Attorney General Office Drug Task Force, detectives arrested subjects selling a variety of drugs from a residence in town. Per the State Lab in Concord, one of the drugs seized was the first documented sample for the State (peyote). Another rare drug sold was yopo (seeds containing DMT Dimethyltryptamine), along with psilocybin mushrooms, amphetamine, and marijuana.

I would again like to thank the members of the Gilford Police Department for their dedication and support throughout the year, as well as the other Town departments. I would like to thank the residents of Gilford for their continued support of the Police Department.

My door is always open and I look forward to serving you in 2013.

Respectfully,

Kevin G. Keenan Chief of Police

REPORT OF THE DEPARTMENT OF PUBLIC WORKS

The above photo shows the original "Laura Weeks Hall" on Potter Hill Road, next to the Church, where Public Works administration and the Planning Board were originally housed on the second floor, over 40 years ago. The building is no longer in existence as it was demo'd to make way for the new Community Church complex.

2012 was, again, a very busy year for the department. We recorded approximately 54 inches of snowfall last winter and about 2" of rain. We have modified our placement of salt on town roads such that we very seldom apply straight salt. We began mixing a portion of sand with our salt so that an application is about 75% salt and 25% sand. We did this to try and be a bit more sensitive to our environment without sacrificing vehicle safety when it comes to traction. To date there has been little complaints from drivers. As Spring arrived we moved onto road and lawn cleanup so that sand would not migrate into our drainage systems. We are able to do this quickly by augmenting our sweeper with a rental to get around town roads faster before the Spring rains come. Glendale was a rather quiet area this past year as we had no construction work scheduled. And I'd be remiss in not mentioning the superior efforts of the two (2) police employees that monitored the dock and parking lot usage for us. They both did a tremendous job.

Solid Waste / Recycling Division

2012 our efforts on single stream recycling expand. 23,586 visitors brought recycling, dropped off brush, leaves, asphalt, wood chips and visited the Goody shed. Remember, you can now recycle the following items into one recycling bin as well as consolidate your numerous home containers into just one:

Newspaper folders

magazines brown bags office paper cardboard/boxes

phone books paperboard

shoe boxes	catalogs	books	foil
beverage cartons	empty aerosol cans	jars	plastics 1~7
pots & pans	junk mail (window er	velopes are OK)	bottles and cans

^{*} Please, **NO** plastic wrap or bags, Styrofoam and **NO** PVC or ABS piping in the bins.

Items recycled need to be clean so as not to invite bees and animals to congregate in and around our recycling bins. Please be sure to rinse all food scraps, liquids and grease from the items before tossing.

This past year we deferred recyclables from our waste stream and saved \$83.52 for every ton not sent to the Wheelabrator incinerator in Penacook. Unfortunately, this past year, the Coop was not able to begin building its single stream recycling facility due to the City of Concord pulling out of the process. Without Concord's guaranteed recyclables, the project was deemed not cost effective and therefore shelved indefinitely. The following chart shows what we have deferred over the past six years:

We're recycling **ONLY** a little over 6% of our garbage We can do better!

We continued to see revenue come from the sale of wood chips but, sold less than last year. 146 tons were sold, making \$877 in revenue. The sale of metal gained us another \$10,447. In adding these checks, the sale of recyclables and the deferred savings by keeping all of this out of the waste stream, we were able to save the town \$36,201 this past year.

Highway Division

Utilizing both Wolcott and Busby Construction Companies again this past year, we were able to work on our Ten Year Road Maintenance Plan. We shimmed Valley Drive to the cross culverts; rebuilt Varney Point Left from Heights Road to the end; part

of the front side of Mountain Drive for about 2,000 feet; Old Lakeshore Road from Watson Road to Gunstock Hill Road and Edgewater Drive from the backside of Summit Avenue to Brook Road. These roads were under drained, as necessary, ground up and new cross culverts installed, again as necessary. We also placed the final top of asphalt on two roads rebuilt last year, Gunstock Hill Road and Swain Road. The men of our highway division have gone out of their way to ensure that Gilford citizens have the best road system possible. Their dedication and commitment is a testament to the caliber of employee that Gilford attracts to its workforce.

Building & Grounds Division

As they continue to do yearly, the efforts put forth by our custodians shows, in well maintained buildings and grounds. This year we were able to include a part – time custodian to help take the burden off the others. Rick Mini came to us from his seasonal work in our cemeteries. These folks continue to do our seasonal decorations, shovel our walkways, manage our floral arrangements and this year included the bicentennial decorations, which included most of the town as you saw this past summer. I respect their commitment and dedication in keeping town buildings clean and grounds looking well maintained.

Administration & Sewer Divisions

The following chart reflects our administrative activity this past year:

	<u>2007</u>	2008	2009	2010_	2011	2012
Public Sewer Hookups	49	12	9	7	11	12
Driveway permits issued	98	68	53	48	37	43
Dig & Trench permits issued	32	28	24	30	30	21
Request for Action processed	120	187	179	181	137	214
Temporary passes for the Recycling Center & Laconia Transfer Facility				144	160	139
Coupons sold for the Laconia Transfer Facility				2,734	2,305	2,056

The sewer division saw Leo Lavin leave for employment elsewhere. Leo was with the department for 4 ½ years. Brian DeNutte remains in that division and continues to be innovative in what he does so as to maintain a cost efficient operation.

Our administrative office, managed by Executive Secretary, Mia Gagliardi continues to be busy with phone calls, permit administration and processing of solid waste coupons.

In closing, I wish to thank all those that work with us throughout the year, as they make our job enjoyable and rewarding. Should you see a problem or issue that we did not, please give us a call at 527-4778 to let us know and we'll do our best to keep you and your family safe in the coming year.

Gilford Fire-Rescue Stephen M. Carrier, Chief

Community, Safety, Professional Service

REPORT OF THE FIRE-RESCUE DEPARTMENT

The men and women of Gilford Fire-Rescue appreciate the continued support from our neighbors. It continues to be a pleasure to serve and protect this great Town. We are constantly challenged by the diversity of our community: the lake, the mountains, the thousands of seasonal residents and visitors, an aging population, the ski area, our transportation network, the airport, and our commercial base. We strive to be forever ready for what the next challenge may be.

We pride ourselves on being involved in our very active community. We participated in a number of the Bicentennial events throughout the year, including preparing and distributing a chicken barbeque for Encampment Day on the Village Field and manning the camp fire for the Candlelight Stroll. In August, we participated in the annual Old Home Day parade, sold our famous sausage subs, and helped make sure the fireworks got off without a hitch. We held an Open House last fall which included activities such as coloring, "putting the fire out in the windows" with a real hose stream, and apparatus tours. Papa Gino's sponsored and provided lunch for the event. Watch for it again in October of 2013!

During the past year, we hired two Call Firefighters: Adam Cote and Chris Harris. Both are residents of Gilford that have had fire and EMS experience in other local communities. In February, Lieutenant Rick Andrews was promoted to Deputy Chief and FF/EMT-I Jeff Madon was promoted to Lieutenant. FF/EMT-I Nate Lemay was hired to fill the vacancy created by the promotions. Lieutenant Frank Latosek retired after 25 years of full-time service to the Town of Gilford. Frank was best known for his friendly and outgoing personality and his school-based fire prevention programs. His wife, Lynn, also retired with 30 years of service as a Call Firefighter. Both will be missed! FF/EMT-I Dominic Decarli was promoted to Lieutenant and his brother, FF/EMT-I Dion Decarli, was hired to fill his vacant position. Also, FF/Paramedic Chuck Campbell left the department to return to the Laconia Fire Department, where he began his full time career. FF/EMT Jason Godin was hired to replace him. In January, Jan Fabian began work as our Administrative Assistant. With the beginning of the school year, Brian Patterson and Kim Hiffler joined the department as live-in students. The students function as call firefighters while attending classes at LRCC and live at the fire station. Brian is from Dracut, MA and Kim is from France – yes, the country!

After two unsuccessful attempts to garner enough votes to replace our Engine 4, the truck was delivered to the DPW garage for repairs on October 3rd, where our Town mechanics continue (at the time of this writing) to work on getting the truck back on the road. This has become a major overhaul of the 1987 Ranger Pumper including brakes,

air system, cab mounts, additional cab supports, complete rewiring, radiator, springs, tires, and more. All the while, the mechanics continue to deal with their normal workload. Since the truck was taken out of service in April, we have had to borrow an attack engine 7 times from Laconia and 3 times from Tilton-Northfield. This is outside of normal mutual aid agreements that we have in place. We are indebted to each department for their generosity during a very difficult time. When DPW is completed with their work, the Engine will be towed to Tamworth, where a new pump will be installed. We need Engine 4 back in our fleet and we hope to get it back as soon as possible.

Emergency incidents increased in 2012. Once again, we experienced our busiest year ever – responding to 1424 incidents. We provided EMS and/or Fire Watch details to events in our community that drew over 100,000 spectators and participants. Our personnel provided assistance 259 times during those events. The department also conducted 581 fire prevention inspections, delivered a number of public education sessions, and conducted and participated in a tremendous amount of training.

The relatively large number of promotions and new personnel has resulted in a large increase in the number of hours personnel have spent training. In 2012 the members of the department participated in over 4,750 hours of training in preparation to function safely and efficiently while carrying out their fire and EMS duties.

These hours included a variety of certifications and topics that were taught at the local, state and national levels. Our five probationary firefighters are very busy with regular training on shift that includes roads familiarization, policy and procedure review, fire and EMS skills review and safe and efficient operation of the department's equipment and vehicles. Our officers continue to hone their fire and EMS skills as well as participate in a variety of management and leadership courses, including command and control of incidents. Three officers have taken advanced Incident Command Classes and Chief Carrier has obtained his Fire Inspector I & II certifications.

Our current call company members have also been very busy training this year. We had three members complete the 220 hour Firefighter I certification program with one of those members also completing an additional 220 hours of training for his Firefighter II and EMT certifications. Call company members continued to attend regular fire, EMS and rescue training sessions on Wednesday nights.

This year the department was able to take advantage of numerous opportunities for no or low cost training sessions for its members. Four members were eligible for a payroll reimbursement totaling \$2,247.02 through a technical rescue grant administered through the NH Fire Academy. Two members participated in a free, week-long Inland Search Management class, hosted by the NH Fish & Game and taught by members of the US Air Force. One member attended a week long class at the National Fire Academy and 11 of the department's EMTs have participated in EMT recertification classes. These classes were delivered at no charge as offered by LRGHealthcare or were instructed by a member of our staff.

We are grateful for all of the time and effort each of our members dedicates to the department and the community. It is a very busy world and sometime it is very easy to take for granted the time and energy which they devote to their work; as expected through our slogan: *Community, Safety, Professional Service.*

Please do not hesitate to call the station with any questions, concerns, or request for services that you may have. And, don't ever hesitate to stop by. Office hours are generally 8am-5pm, Monday through Friday, but our firefighters will assist you anytime they are not out of the station training, doing an inspection, or responding to emergencies. We will continue to explore technology and to make more information, forms, pictures, schedules and other departmental information available through the fire department link on the "new" Town website.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Due to a record warm winter and little snow, our first fire occurred on February 4th with several more early fires to follow. Normally a large percentage of the warm windy days with low humidity occur when the ground is saturated from a long snow covered winter. By the time the surface fuels and ground dry out enough to burn, we only have a few weeks until "green up". This year however we had an extended period of these favorable spring fire conditions. Our largest fire in the state was 86 acres. The average size fire was .6 acres. Extensive summer rains kept total acreage burned to near normal levels

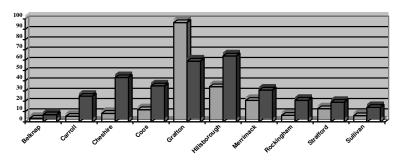

As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Several of the fires during the 2012 season threatened structures, a constant reminder that forest fires burn more than just trees. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

REPORT OF THE PARKS AND RECREATION DEPARTMENT

The Gilford Parks and Recreation Department had another busy year during 2012. I would like to thank Leo Sanfacon and Sue King, who each left the Recreation Commission this past year after providing years of service to the Commission. We appreciate all your effort and you will be missed! Helping to fill that void, Christine Guthro was appointed to fill one of the Commission vacancies and we are happy to welcome her aboard.

We continue to annually make improvements in many of our Parks and Recreation facilities. A number of volunteers from the Gilford Community Church's spent Youth Program Vacation painting part of their April Lifeguard/Concession/Restroom building and the Gatekeeper building at the Town Beach. We offer them a big "Thank You". In June we made some repairs to damaged turf at the Village Field. This summer we completed our Village Field Playground Project the third and final phase consisting of the installation of Playground Equipment for ages 5-12! This fall we re-did the turf in the outfield at Stonewall Park after the field suffered severe damage from grubs. At the same time we invested to extend the irrigation into the outfield. We'd like to thank Belknap Landscape for working with on the cost of the Turf repair and to Gilford Well for donating half the cost of the irrigation expansion! This past fall Randy Corbitt of Randy Corbitt Painting, etc. donated his time to help paint some of the uprights and benches at the Arthur A. Tilton Ice Rink. Thank to Randy and all of those who contributed to the painting supplies for their generosity!

This past winter, we fought through inconsistent weather to keep the Arthur A. Tilton Ice Rink open for most of the season. We officially opened in early January and remained open through March 7th, only closing for a few days through the season due to warm weather and poor ice conditions. We had another beautiful and busy summer season at the Town Beach with 18 seasonal employees staffing the beach, helping to ensure the safety and well being of all patrons. Bob Hodder returned for the seventh straight summer to manage the beach concessions stand and again did an excellent job offering a variety of high quality servings.

The goal of this department each and every year is to offer the highest quality programs to all demographics of our community. Some of our youth program improvement and additions in 2012 included: A trip to a Celtics game courtesy of TD Bank as part of the TD Kids Club program, co-sponsoring the Aquafina Pitch, Hit and Run program with the Gilford Cal Ripken League, expanding pre-school programs by adding a Jr. Athlete Program and Jr. Holiday Programs; and offering a new summer Lego Robotics Camp.

We continued to improve the Senior Moment-um program for senior adults by offering a variety of different activities throughout the year and continuing our partnership with the Gilford High School and Gilford Rotary to sponsor our annual Dinner and Show programs. We also partnered with the Gilford Middle School to offer

an additional Dinner and Show program with the Middle School's performance of the Little Mermaid Jr. this past December.

Another area we are always looking to improve is our community activities. We once again offered a bus trip to watch the Boston Celtics. In addition to holding our 4th annual Flashlight Egg Hunt, we once again partnered with the Gilford Youth Center to sponsor the 3rd Annual Breakfast with the Easter Bunny. All three of our bus trips to historic Fenway Park to watch the Red Sox were once again a huge success despite the tough season by the Sox. This past December we teamed with the Gilford Youth Center to host our 4th Annual Santa Land for children of the Community. We also assisted the Gilford Bicentennial Committee with a number of community events throughout the year.

We would like to thank Bank of New Hampshire, Belknap Landscape Co., Children's Dentistry of the Lakes Region, Dr. Kennell Orthodontics, Franklin Savings Bank, Gilford Well Co., Hannaford Supermarket, Hiller Orthodontics, Irwin Motors, Meredith Village Savings Bank, Northway Bank, Shaw's Supermarket, TD Bank, Winnisquam Dental, and the and all others who have assisted our department throughout the year for their generous donations to our department. We would also like to thank the Gilford Rotary for their donation of a Christmas tree and lights at the bandstand at the Village Field.

In closing, I would like to thank all the Town Departments, the Gilford Bicentennial Committee, the School District and all the individuals who have assisted with our department throughout the year. We appreciate all of the support you provide our department as we look forward to providing quality facilities and recreation opportunities again in 2013.

REPORT OF THE GILFORD OLD HOME DAY COMMITTEE

Saturday, August 25, 2012 – "Happy Birthday – 200 Years and Counting"! It was the 93rd Annual Gilford Old Home Day as we celebrated the Town's Bicentennial! Being the Town's Bicentennial, the Old Home Day Committee selected "Founding Families" of Gilford to be the Grand Marshals and they were represented by Peter Weeks of Weeks Farm in the Parade. The Day itself was dedicated to Don and Mary Chesebrough. Both became active members of our community after moving to Gilford in 1973. Through the years, Mary has served on the Board of the former Gilford Little League, the Gilford School Board, the Board of Directors for the Thomson Ames Historical Society and as a member of the Gilford Library Board of Trustees. Before his passing in early 2012, Don was both an active member and the manager of the Gilford Community Band, he regularly volunteering at Bolduc Park and helped the Gilford Parks and Recreation Dept. annually put in and take out the swim raft at the Town Beach. Both Don and Mary were active volunteer members of the Gilford Outing Club and of course, the Gilford Old Home Day Committee, as we all learned how to do things "Don's way".

The day kicked of with a large group of runners for the 35th Annual GNA Road Race in the morning! Following the 28th Annual Gilford Rotary Club pancake breakfast at the Community Church, participants and spectators flooded the village to watch the annual parade. With the largest turnout in recent record, the parade boasted some outstanding floats, bands, color guards, marchers, scouts, horses, antique and classic vehicles! I'd like to offer a special thanks to the GHS Class of 2013 for walking the parade route as our "Bucket Brigade", to help raise funds for our 2013 celebrations.

r

After the parade, some great music from Paul Warnick and Friends emanated from the Village Field bandstand. Bob Pomeroy was once again willing to lend his services as our "Master of Ceremonies", as he kept things rolling with announcements, presentations, and his own unique brand of humor. The Opening Ceremony featured the singing of the National Anthem by Marlene Makowski. New this year, the Roaming Railroad traveled the field offering rides to children and adults alike. Vertical Entertainment was also on hand providing rock wall climbing and bungee jumps. MA Moon Bounce was back again to provide bounce house entertainment for children throughout the day including their incredible inflatable obstacle course!

The traditional games and field events for the kids of all ages took place in the afternoon, with a few new twists including a hoop roll! A dance performance by the students from the Edgewater Academy of Dance was enjoyed by many. As the afternoon progressed, the crowd enjoyed the entertaining performance by Physical Comedian, Jody Scalise.

The pie-eating contest and the egg toss were both well attended, and as always, provided a lot of laughs for the spectators and participants alike. The GNA 14th Annual Kids' Fun Run Race went off without a hitch!

As the afternoon rolled on, people flocked back to the Village Field to enjoy the music of the Eric Grant Band in the entertainment tent. Following the performance by Eric Grant Band the crowd turned their attention to the Bandstand as the Community Band Performed their annual Old Home Day concert. At the conclusion of the concert, the skies over the Village Field exploded with our traditional fireworks display – as great as ever! The evening was capped off with a dance for all ages, featuring DJ Alex Bailey. At about 11:30 PM, everyone who had managed to stay until the end, finally gave in and headed home for some sleep!

We all returned Sunday morning and with the assistance from the Gunstock Nordic Association and numerous other volunteers, the entire clean-up process went quickly and smoothly. Yet again, another Gilford Old Home Day had come to an end!

We wish to extend a sincere and heartfelt thank you to all the advertisers, Town Departments, sponsors, volunteers and friends who once again helped to make this very special annual event happen — we could never pull off this tremendous event without them. I would also like to personally thank the Gilford Old Home Day Committee for all their hard work and for helping me through another Gilford Old Home Day. This incredible celebration would not be possible without your continued assistance and guidance.

Our plans are already underway for the 2013 celebration, scheduled for Saturday, August 24, 2013. If you would like to be on the Committee or to volunteer in any way, please call the Parks and Recreation Department Office at 527-4722. Helpers are always needed, and ideas and suggestions are always welcome. Be sure to mark your summer calendars now for August 24th!!!

Herb Greene Gilford Old Home Day Committee

REPORT OF THE BICENTENNIAL COMMITTEE

Wow! What an amazing celebration 2012 held for our Town's Bicentennial. Looking back at the 2011 Town Report, which holds some of the very beginning plans, to today, so much has now become an important part of our Town's history.

After the first few fundraisers were held, the events began. The first event was the "Roast" held for Sheldon Morgan's 40 years of service to the Town. On a warm, sunny April day, people gathered at the Tannery Hill Covered Bridge to surprise Sheldon. Geoff Ruggles, Finance Director, was the "Host of the Roast" Master of Ceremony. A pot-luck luncheon, along with a chicken BBQ, provided by Kitchen Cravings, and cooked by Scott Mooney & Brian DeNutte, filled the air with a wonderful BBQ smell. Public Work's own DJ, Steve Merrill, provided music. Speakers Dave Andrade, the Cemetery Trustees, Dee Chitty, Kirk Young, Richard Stuart, Scott Mooney, Kris Kelley, Sandy McGonagle and Cecily Mary Quimby, all came forward to reminisce and rib Sheldon about past events. Selectman John O'Brien presented a service award, and Sheldon's wife,

Judy Morgan, read a proclamation from Governor John Lynch. One of Gilford's own students, Zack Tousignant, gave an outstanding performance of The National Anthem. The afternoon ended with a gigantic road cone cake provided by Kitchen Cravings.

Next up was the "Gilford's Largest Tree Workshop & Contest with Belknap County Forrester Andrew Fast". We had many residents participate and submit entries. Awards were presented to those with qualifying trees. The most exciting result from this contest is that Gilford actually received the STATE record in a few of the specific categories. Forrester Fast encourages residents to continue reporting all of the trees they feel may qualify. The Forestry Extension is constantly trying to keep their records up to date and appreciate the help.

After the tree contest, The First United Methodist Church presented The Lakes Region Youth Choir Concert. The concert was outstanding - absolutely beautiful voices with what must have taken many hours of practice. For Mother's Day, the Gilford Public Library held an elegant Bicentennial Tea. The conference room was beautifully decorated. The tables were full with Moms, daughters, and sons, all dressed to perfection. Jane Ellis presented the "Gilford Town Song" she wrote, in honor of the Bicentennial Celebration. Members of the Thompson Ames Historical Society were on hand to present a little information on hats - how and when they were worn and different types and styles. The Moms were then treated when the children were encouraged to create their own hat designs. Flowers and feathers were flying!

At the end of May, Village residents and businesses began decorating their homes, while all the Town buildings were adorned with banners, buntings, and flags. Visitors passing through definitely knew Gilford was celebrating! Gilford's Flagman, Walt Stockwell, made it a point to include the Gilford flag during this special year. Time and effort was put into the many historic home displays. Work also began within the Town Hall stairwell, where a display of pictures now greets you. Sandy Bailey, Sue Leach, Jim Dinan, Chris Heney, and Merrill Fay all worked on gathering and displaying.

The Town held its annual Memorial Day Parade, which began at The Gilford Community Church. Color guards, Town officials, scouts, our Town veterans, and a beautiful white

antique fire engine all participated. Ceremonies were conducted at the Potter Hill Memorial and Pine Grove Cemetery. Reverend Michael Graham presented words of prayer and blessing. The Memorial Day Parade has been, and continues to be, an important annual event, going back many generations in the history of Gilford. Edna Smith Berquist, author of The High Maples Farm Cook

Book, wrote a description of this special event. Her words describe the day and how generations before us chose to celebrate Memorial Day. This year's parade was definitely one to remember. The road was lined with people, the sun was shining, and the Town displays complimented the day.

The Carter Mountain Brass Band Concert was held at the First United Methodist Church on June 2nd. It was another stunning, strong performance. The Laconia Airport Authority held a plane exhibit which was fun for all. Before we knew it, the Bicentennial Grand Opening Ceremony was upon us. The bell rang from The Gilford Community Church and the equestrian parade began. Beautifully dressed horses from Lakes Region Riding Academy, as well as the Moses team with horse drawn carriage, traveled down Belknap Mountain Road. Participants included Selectmen Kevin Hayes and John O'Brien, Town Administrator Scott Dunn, Reverend Michael Graham, Pastor Vicki Wood Parrish, Captain Morrill's Fife and Drum, Merrill Fay's Antiques, our Town Crier Geoff Ruggles, who made his first official appearance and Ms. Senior NH, Kathy Salantiro, followed with her "boys".

The scouts also marched along. The Gilford Community Band welcomed everyone to the Bandstand and Village Field. Jim Colby rang the Union Meeting House bell and the ceremony began. State Councilor, Ray Burton, presented the Town with a flag which was flown over the Capital Building, from Senator Kelly Ayotte. Gilford Fire-Rescue, at the Union Meeting House, and the Gilford Police Department, at the Village Field Flagpole, then raised the flags in unison. Reverend Michael Graham and Pastor Vicki Wood Parrish offered words of prayer and blessings.

Music filled the field from the Gilford Community Church Choir, Gilford School students, Jane Ellis, and Samantha Drouin. Dr. Kelley White recited some of her favorite poems and stories of Gilford and Selectman Kevin Hayes shared a bit of history and words of welcome. Sandy McGonagle shared thoughts and a poem she had written about Gilford. Captain Morrill sounded the cannons, and Bicentennial Committee member, Rae Mello-Andrews, briefed the crowd on some of the events to come. John Beyrent arranged a beautiful trumpet sounding while the Gilford Police Department executed a most memorable three volley salute.

The First United Methodist Church Bell Choir performed as the Town's official birthday cake, provided by Kitchen Cravings, was shared by all.

All of the above was just the beginning of an entire year filled with many events to come. Throughout the summer, the Gilford Community Band provided Bicentennial Concerts at the Village Bandstand. June also held "Gilford Beach and Boat Day". Races were held and a BBQ by Kitchen Cravings, along with awards, filled the afternoon. A special "thank you" to Kitchen Cravings, Fay's Boat Yard and the Gilford Parks and Recreation Department for all the help that day.

On July 7^{th,} the Civil War Day was held. Kathy Lacroix spent many hours focusing on this day. Steve and Sharon Wood were on hand and portrayed Abe Lincoln and Betsy Phelps. An encampment was held on the Village Field. Fire-Rescue provided a BBQ. Carol Johnson was a guest speaker. One of the memorable moments during this day was when the 12th Regiment Band played "Hail to the Chief" as Abe Lincoln took the podium. It was breathtaking! Steve does such an outstanding job of portraying President Lincoln. He looks like, sounds like, and even acts just as the President would have. Being in the Union Meeting House at that moment felt like being transported to another time and place. During his speech, our Town Crier was called upon by the President, to see who was taller. Although it was close, Steve is actually the exact same height as President Lincoln would have been and stood just a bit taller back to back!

The Bicentennial Cemetery Walk Committee and volunteers presented, "Gravestones Come to Life!" twice during the year. Committee Members were Dee Chitty and Judy Cott, Cemetery Trustees,

Diane Mitton from Thompson Ames Historical Society, Carol Johnson, Jane Percy, Edie Adams, and Sandy Perry. This group worked for over two years preparing for the walk. Many stories and laughs were shared during the countless hours it took. The Committee couldn't have held the walk without the help of every person who participated. Geoff Ruggles, our Town Crier, recorded the walks for LRPA and help lead the groups.

Jane Percy's grandson, Tristan MacDonald, dressed handsomely with derby, chain fob and complete outfit also was an escort. Betty Carr, Bill and Sally Bickford, William and Catherine Johnson, Barbara Smith Turner, Jack Weeks, and Jody Haymna Ill took the roll of portrayers. Peter Weeks brought one of his tractors down from the farm for display near his parents. The walk consisted of a historical tour through Gilford's active cemetery with many stops and songs along the way. Family members, as well as volunteers, portrayed people now resting within the cemetery walls, speaking about what life was like when they were here, the things they did, and the clothes they wore.

Don Watson played his guitar and a few songs from his recently released NH CD, while one of Gilford's Harmonica Players, Richard Stuart, guided the groups. Jane Ellis shared "The Gilford's Song" with many people joining in on the chorus. Many family members proudly shared a glimpse into their own family memories. Tribute was paid to Gilford's 200+ veterans with the help of Denies Sanborn and her gifted students, Jim Dinan in Dave Andrade's Navy E-5 Petty Officer, Electronic Technician, uniform, Mia Gagliardi, with the Thompson-Ames Historical Society's World War II Nurses uniform, and Nick Hayman represented the United States Army. Once again the students' voices made a huge impact. Refreshments were donated and served while people shared stories, and memories, of their own, while Thea Aloise beautifully played the flute.

August brought the Public Library Bicentennial Display. Gilford's Flagman, Walt Stockwell, created a wonderful fla

given to the winners by the three judges: John O'Brien, Larry Routhier, and Sheldon Morgan. Anthony Eldridge took Best Try Mustache, Donald Frost received Best Look-a-Like Santa, Jim Taylor got Longest Beard, Scott Dunn won for Most Like Hulk Hogan, Richard Abbott received Best Look-a-Like Abe Lincoln, Dwayne Johnson got Best Handlebars, like Yosemite Sam, and Bill Bickford actually died his beard-n-mustache red, white-n-blue which won him the Most Original trophy. A fun filled evening was shared by all with plenty of delicious food!

No August would be complete without Gilford Old Home Day! Wow! What a fantastic celebration. Rumor has it that 2012 was a record for crowd! The day started with the 28th Annual Cheryl Lynn Walsh Pancake Breakfast provided by the Gilford Rotary, at the Gilford Community Church. The Church remained one of the "must do" stops along the way with their white elephant table, baked goods, and fair activities. The parade started promptly at 10:00 a.m. with Gilford's Town Crier, Geoff Ruggles, leading the way and Salanitro's oxen teams bringing up the rear. Many departments, officials, groups, bands, horses, antiques and floats followed. The roads were packed with spectators and people cheering. Events such as the opening ceremony, awards, road race, K-9 program, pie eating contest, and field events followed. It was a warm sunny day packed with things to do and see. This year was dedicated to Don & Mary Chesebrough.

The day ended with the Gilford Community Band playing, families and friends gathering on the Village Field to enjoy the annual fireworks display, and commencing to dance the night away. It was truly an Old Home Day to be long remembered and the Old Home Day Committee certainly had their hands full! It took a tremendous amount of work and effort on all "the behind the scene" groups, departments, committees, clubs, businesses and participants for this one day!

Following Old Home Day, that Sunday began with the children's parade. The parade route was at the Elementary School. Thank you to the Gilford Police Department for helping with this event. Wes deSousa brought the new patrol bike. He passed out bike safety gift bags to all the participants. Thank you to Dan O'Neil and Chris Jacques too!

The Bicentennial Woodsman Competition began right after the children's parade. This event was sponsored by Kitchen Cravings, Belknap Landscaping, Gilford Home Center, A.J. Dupere with the NH University Woodsmen, and Stihl Power Equipment. The day was filled with different groups, university members, and local woodsmen competing for prizes donated by the local businesses. Prizes like chainsaws, chaps, bar oil, gift certificates, helmets and much more were up for the winning. Representatives from different companies set up booths and the food grilling could be smelt all the way down Belknap Mountain Road. Some of the events included a burling contest, deck log roll,

vertical cut, fry pan toss, bucksaw cutting, pole climb and quarter cut. Dale Squires, from Belknap Landscaping and Bicentennial Committee Chairman, Bill Bickford, put many hours into the set-up along with AJ Dupere. Sally Bickford took on the registrations, and Geoff Ruggles recorded all the results that day.

The Sportsman's Club was up next. They provided a chicken barbeque dinner with guest speaker Steve White. Brian DeNutte and Scott Mooney spent the entire day cooking for the crowd. No one left hungry that night. A raffle was held with the grand prize being a Hot Rod grill.

October brought The Thompson-Ames Historical Society Bicentennial Fashion Show Tea. This was held at the Union Meeting House. A beautiful display adorned the hall with fragile clothing from the Societies collection. The Town Crier opened the event. Many models took to the stage as former Selectwoman, Sandy McGonagle, presented a bit of the history behind each. Dr. Kelley White shared some of her poetry throughout the afternoon, and a beautifully set table contained many light refreshments. Members of the Thompson-Ames Historical Society filled your cups with tea and the event ended with a heartfelt poem written by Sandy McGonagle about our town. The hall was full that afternoon with every available seat was taken. Thompson-Ames President Karin Landry welcomed all and thanked the Pardo Grant Foundation which helped fund the event.

Gunstock Recreation Resort held a Ski Ball in November. This event was a benefit to the Gunstock Preservation Society. It marked not only the Bicentennial, but also the opening of Gunstock's 75th Season. Thank you to all involved - Greg Goddard, Bill Quigley, Debbie Berridge, Sue Gaudette, Carol and Sarah Anderson. Also the sponsors!

The last event held was the Gilford Village Candlelight Stroll. The evening was Gilford's version of the Strawberry Banke Candlelight Stroll. This event was created when Sheldon Morgan sent the Committee secretary to the candlelight stroll held at Strawberry Banke and then the two discussed how Gilford could hold a stroll.

Thompson Ames Historical hopped right on board with the idea, and the Bicentennial Committee thought it would be a wonderful way to end the year. Many residents once again pitched in and decorated their homes with wreaths, candle sticks, lights and more. They opened their homes to visitors providing hot chocolate, cookies, and even roasted chestnuts. A bonfire was held with wood from Belknap Landscaping. Chief Steve Carrier and members of the Gilford Fire-Rescue were on hand. Gilford Police blocked the road from ongoing traffic in order to provide safety to the crowd of guests and participants.

Carolers roamed the Village from the Charles Dickens Christmas Choir and Denise Sanborn, with singing students and local volunteers. Norm Soucy displayed pictures from the Village Store's history and passed out warm cookies. The SAU Building provided space for the local artists and craftspeople to display their items. The Town

Crier was roaming about announcing the various events being held. Thompson-Ames Historical Society opened the three buildings and provided surprises and entertainment in each. The Gilford Library held a local author's book signing with Carol Anderson, Dave Buckman, Jane Rice, and Catherine Doherty. The Children's room also had stories being told and ornaments being created by the children who stopped in for a visit.

Heritage Farms provided a two horse hitch wagon ride from the Library to the Rowe House during the evening. The Bickford/Snow home was open for warm chili and chowder. Trapper Brian DeNutte gave an interesting talk on his Winter Wildlife Display. Candle maker Kathy DeNutte was also on hand to discuss how she makes her candles and provide a chance for people to pick up those last minute Christmas gifts.

Lakes Region Public Access has been airing many of these events, so if you weren't able to be there and would like to watch, check their daily schedule, or make a request to have it added to their lineup.

There are still a few tasks underway for the Bicentennial Committee to be complete. The huge task of scanning and putting together Bicentennial event books for the NH Room and Thompson-Ames has begun. Thank you to Geoff Ruggles, who has volunteered to help scan and organize these books. There are many items to be added! Also, come spring, a time capsule will be placed in the Police Memorial Reflection Garden. We hope 100 years from 2012, the residents of Gilford will gather at the Memorial to see what has been placed inside for them.

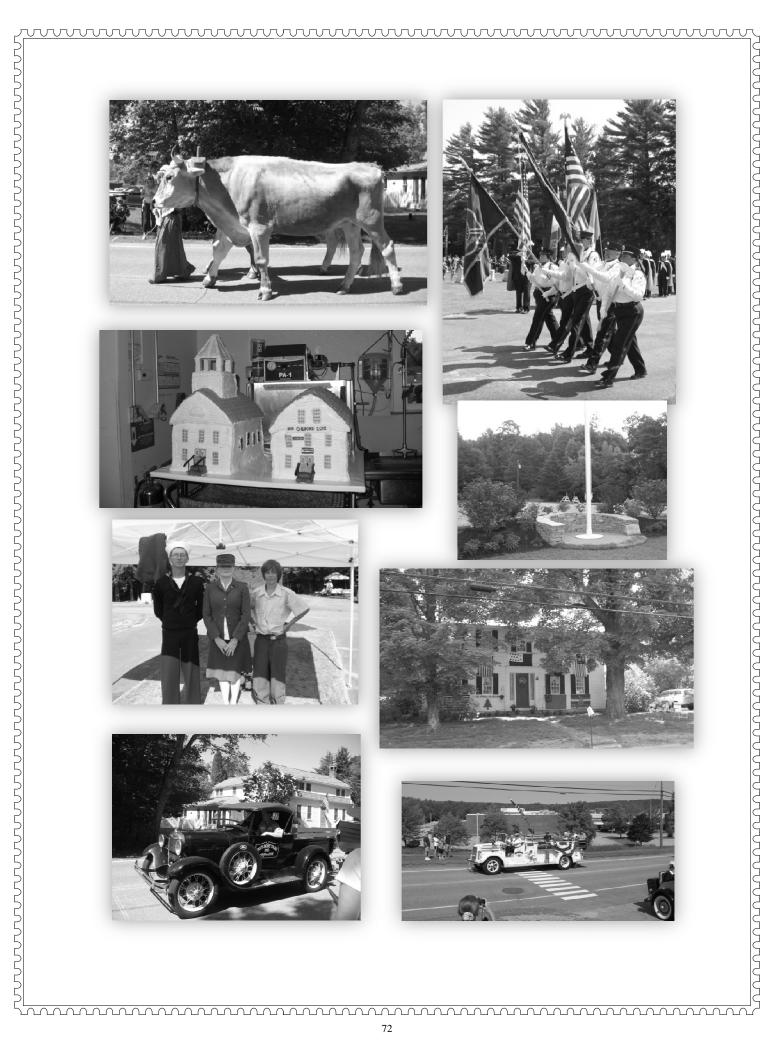

The list of "thank you's" to every person who hoped on board to participate, volunteer, donate time, donate goods, services, funds, and equipment is HUGE! It took SO many people working together to make this past year a success. The Bicentennial Committee thanks EACH and EVERY one of you!!!!

What a great year! Together, we DID IT!!! Wow!! What a birthday!!

Respectfully Submitted,

Dee Chitty, Secretary

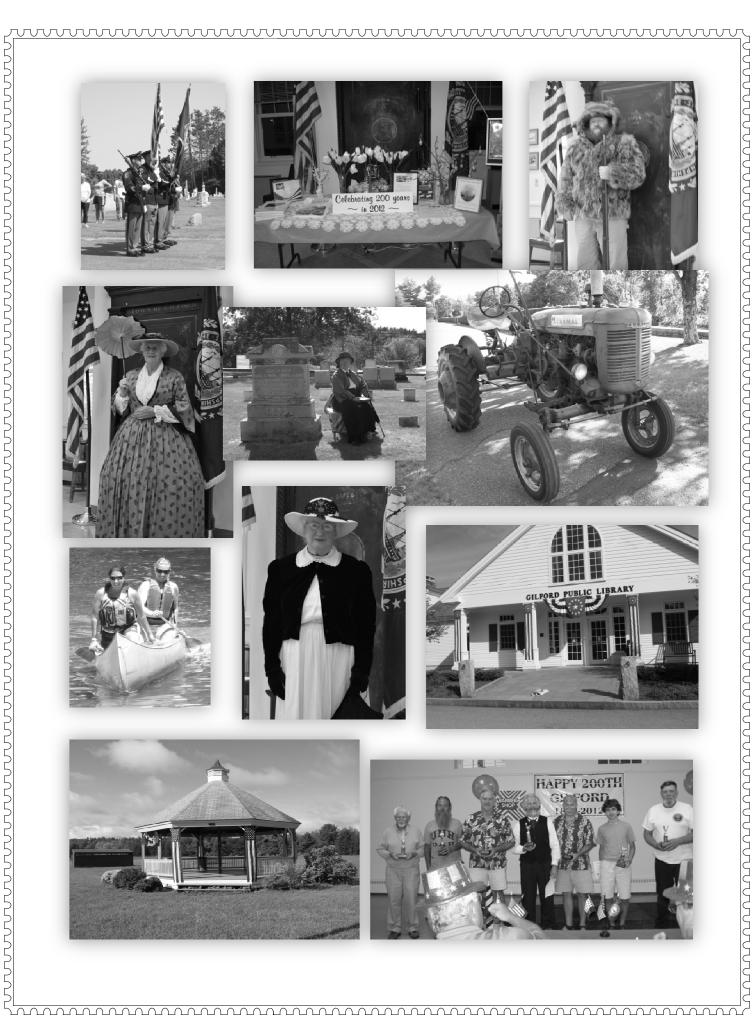

A COUPLE'S BICENTENNIAL THANK YOU LETTER

A couple of years ago when I volunteered my Wife and myself to "help out" on the Bicentennial Committee I did not realize the good that we would take away from this experience. We want to thank Gilford for allowing us to take part in this 200 year celebration. The elation that people expressed at all the events was inspiring.

This is a long letter; please take the time to read it all. These are not just names, they are a group of people who care about Gilford and are always willing to help. We took their donations and turned them into events throughout the year and because of their generosity there was no cost to the Town!!

I want to mention around the Village and beyond looked great all summer and fall with a lot of the good ole Red, White and Blue. The candle light stroll was absolutely beautiful. Thanks to all that opened their homes or made munchies to share with folks walking along. Thank you Gilford Village!!!

We have to thank the Board of Selectman for supporting and promoting the Bicentennial. John O'Brien became Vice Chairman and helped with many of the events, other committee members to include Herb Greene, our technical adviser, Kathy Lacroix and Diane Mitton from the Thompson Ames Historical Society. Rae Mello-Andrews from Gilford Fire Rescue, Larry Routhier former Selectman, Dee Chitty (committee secretary) she is one of Gilford's "best friends", a town employee who goes way beyond just her duties. The Bicentennial Committee could not have accomplished half the things we did without her, all done after a hard days work, we in Gilford are lucky to have you, thank you.

Thompson Ames Historical Society supported us from the 1st meeting years ago. Karin Landry, Mary French, Dr. Kelley White, Jim Colby and Jennifer Eldridge, thank you.

Joanna Decesare (owner of the Hair Factory) for her design on our T-shirts (some still available), our calendar cover, her donations and a personal thanks for my cool red, white and blue beard and mustache for the contest. Peter and Maxine Derby from Lockes Island and their company QPL Imaging for the T-shirts and calendars done at cost for us, thank you. Gator Signs donating over ½ the cost for the many signs and banners for all the events and usually on short notice. Fairpoint for sending two men over to paint the flagpole at the Village Field. Belknap Landscaping we can not say enough about all the projects they helped with such as the Woodsman Competition, firewood for the Stroll's bonfire and there for us with marketing and anything we needed they could help with, thank you Heyden. Dale Squires from Belknap Landscaping, wow, this guy was there at every turn to help Sally and I with the Woodsman Competition and promoting all our events. He is involved with helping people all over the Lakes Area, a truly generous man, thanks.

Beans & Greens for the hay bales for the Woodsman burling pond (some got wet don't know why) and lots of flowers around our Town. Thank you to my staff at Kitchen

Cravings for making the opening ceremony Town Cake which was the church and town hall side by side as it was 100 years ago (thank you Tegan "Bubbles" Lavallee our baker), food for all the events and the 100's of hours to make all the crazy things we needed and the time off to do all the events. Gilford Fire Rescue for a great BBQ, color guards, filling our burling pond (twice with thousands of gallons of water!). Chief Steve Carrier and Deputy Chief Rick Andrews always said yes. Awesome bonfire Chief! Rick and Rae with the French Club placed a thousand luminary bags for the Village Stroll. Merrill Fay's donation of the plastic for the pond, he was also kind enough to speak about the beginning of Gilford and his family's involvement with some truly interesting history and display. The Fay family does quite a lot of behind the scene help and support for the Town of Gilford. Gilford Police Department (especially for the 3 volley salute! Wow! Loved it!), color guards opening ceremony, carrying the cake, traffic and road closures. Wes Desousa, Chris Jacques and Dan O'Neil for help with the children's' parade, Officer Callahan for rescuing my tent at the cemetery walk. Chief Kevin Keenan, Lt. James Leach and Lt. Kris Kelly supported every event and always said yes. Thank you for taking part in our events and taking care of Gilford.

Dept. of Public Works endless work guys! Pick it up, move it here, barriers, fire pits, wood, sawhorses whatever was needed you did it. Kirk Young and his wife donated a tent for the Cemetery Stroll, Brian Denuttes's trailer idea and trapping display at the candle light stroll, his wife Kathy discussing candle making. Mia Gagliardi for posting, typing and participating in many events, answering endless questions and kept track of every penny brought into the office. Sheldon Morgan helping with behind the scenes planning, judging our beard and mustache contest also the candle light stroll came to light when he sent Dee to Portsmouth to the Strawberry Bank's stroll. Upon her return they discussed how Gilford could hold our own stroll. The design of the Bicentennial signs on the "Welcome to Gilford" signs are Sheldon's and so much more. To Richie Stuart (the roaming harmonica player) who was a huge hit during the cemetery walk and Jim Dinan who also participated in the Cemetery walk and helped with all the events.

Gilford Parks & Rec lots of time pitching in with Beach & Boat Day and Village Field events with Herb taking part in most all events. Town Clerks office sold calendars and promoted events and helped with lots of questions. Finance Dept. many thanks to Geoff Ruggles, Director and his staff who kept the financial records for the committee. Geoff portrayed our "Town Crier", great job!! He was present and added so much to many of our events and did most of the recording for Lakes Region Public Access and has taken on the huge task of helping to create the memory books from all the literature Dee has. Every write up and shred of information will be gathered for future generations. This brings up the Time Capsule for the next 100 year celebration containing films of our events, printed material and other artifacts of our years here which will be part of the Gilford Police Department's Memorial Reflection Garden. James Coffey donated a beautiful birdbath, Laconia Monument Company a lovely bench and Sally & I found an antique Amish bell that DPW is creating a mount for and cleaning it up. This will be a nice spot.

Thanks to the Gilford Cemetery Walk committee, what a fun group, Diane Mitton, Judy Cott, Dee Chitty, Jane Percy, her Grandson Tristan MacDonald, Edie Adams, Carol Johnson and Sandy Percy put a tremendous amount of time and planning in arranging all the interesting families to speak. These women made each meeting interesting and this monumental task truly enjoyable with many stories from Gilford's past. They attended many walks in neighboring towns researched and gathered clothing (some outflis available to view at our Historical Buildings), take a look sometime. These folks brought you back to different times in Gilford's past with help from Ritchie Stuart, Sally & myself, Rick Mini, Kirk & Valerie Young, Jim Dinan, Denise Sanborn, Jack Weeks, Judy Hayman, Rick Pickwick (Rick tok tons of photos at many of our events), Sally Smith, Jim Colby, Mia Gagliardi, Geoff Ruggles, Mary Frost, Banbara Smith Turner, William & Catherine Johnson, Betty Carr, Jane Ellis worte a beautiful Bicentennial song (another verse on the way) and recorded it on CD for us to sell for the Committee's Fund. Jane performed her song at most of our events throughout the year. We can not thank you enough. Thea Adoise our flutist. Denise Sanborn and her student performers, these singers answered the call for so many of our events and heir voices were incredible. A special thank you for your Caroling during our stroll.

Don Watson performed at several of our events telling his stories of NH in song always with a big smile. Gilford Public Library sold many Items, answered questions and promoted all our events and is a true gern of Gilford. Special thanks for the month long display and book signing during the Stroll. Authors available during the stroll for signing their books were Jane Rice. Carol Anderson, Dave Buckman and Catherine Doherty their books are available at our Library. Gilford Short of Audina and Catherine Doherty their books are available at our Library. Gilford Short of Participation, planning and the beautiful vioces singing at o

restriction for the restriction of the restrictio

and promoting us. Cathy Tokarz for all her help with the opening ceremonies. Andrew Fast, Belknap Forrester for the Largest Tree Contest. Scott Dunn for all his support. Counselor Ray Burton for presenting the flag that flew over the Capital during our opening ceremonies. Lakes Region Public Access, Denise, Bob and the crew for filming or letting us film for TV ch 25 and our time capsule. Jeff Ferland, Gilford Steamer, Jeff came to a lot of meetings and events and helped get the word out, also Erin for the great ending recap of our year.

Thanks to the following: University of New Hampshire Woodsman Team and Coach A.J. Dupre, Gilford Home Center, Treecare Industry Association, Lakes Region youth Choir, Carter Mountain Brass, The Opechee Garden Club, Laconia Airport Authority, Steven & Sharon Wood, John Beyrent, Laconia Sun, Laconia Citizen, Trustworthy Hardware, Meg Jenkins, Watermark Company, Wilkinson Beane Funeral Home, Meredith Village Savings Bank, Lowe's Home Center, TD Bank, The Hair Factory, Skin Care Plus Day Spa, Gilford Deli, T-Bones, Shaw's, Valerie Cummings with Performance Food Service (thank you for your time), Fireside Resort, Sawyer's Dairy Bar, Franklin Savings, Patrick's Pub, Hannaford's, Marriot Inn, VIP, Pap Ginos, Gilford House of Pizza, Sky Bright, Ellacoya Bar & Grill, Glendale Marine, Northern Forrest Heritage Park, Dr. Troy Schrupp, Lyon's Den, OK Farm Discovery Center, Ames Farm Inn and Dan Johnson with US Food. A special thanks to Leslie with the Winnipesauke Playhouse for the wonderful clothes you loaned me all year so Sally and I could portray Alvah Folsom Hunter and his wife Alice Thurston Hunter.

The varied events throughout the year brought new problems and new people to help with the hurdles. My wife and I have made new friends and have a greater appreciation for the people and businesses in and around Gilford. My apologies if I missed mentioning your name but you and everyone on this list made a wonderful and unique 200th Birthday. Without your time and generosity things like this would not happen. Get out there and give someone a minute or two it feels good.

The entire committee and myself thank you all!!!

Respectfully,

William Bickford Chairman Gilford Bicentennial Committee

REPORT OF THE CEMETERY TRUSTEES AND STEWARD

Once again we find ourselves asking, "Where did the year go?"

2012 has flown by and our Pine Grove Cemetery has closed for the winter months, although administrative work continues year round and is becoming increasingly important. Budgetary work, filing, updating rules and regulations, conferences, preparing for the busy spring season, and working on the cemetery computer program are just a few of the tasks we try to accomplish during those winter months.

This past spring brought a beautiful display of daffodils in Weeks Cemetery, off of Hoyt Road, where work continued on the restoration of our oldest cemetery. Caretaker, Rick Mini, was able to set more of the toppled stones in place, with three (3) of the severely broken stones being repaired by our stone restorationist. The surrounding stone wall was repaired by Godbout Masonry, which was a huge undertaking. Pictures from the very beginning to present day definitely show much progress. While there is still work to be completed, we are definitely gaining on it!

All other cemeteries were cleaned, trimmed, and ready for Memorial Day, this past year especially, because of the Bicentennial Celebration. It was a priority that all of Gilford's Veterans receive a flag, regardless of the cemetery they were in. This is something the Trustees would like to continue in years hence.

 $\frac{1}{2}$

The Memorial Day Parade ended with a ceremony at the Veterans Memorial flagpole in Pine Grove and looking out at the cemetery that warm, sunny day, was breathtaking. The flags gently flew in the breeze; it was amazing to see just how many veterans are resting there. The stones beautifully decorated with flowers from loved ones seemed to be covering the entire area, and the two flags draped on the stone arch as the parade passed under, looked regal. Generations of Gilford residents have entered under that archway on Memorial Day, going back many years. It is wonderful to see that tradition continue.

Pine Grove also was visited by many during the "Gravestones Come to Life!" Bicentennial event held in July and September. A huge "Thank-You!" to the Cemetery Walk Committee, all the participants, and all the people it took to help those days up. From creating flyers and signage, providing refreshments, tents & tables, to cutting the grass, a lot of work went into making this a successful event and we are grateful to all who helped. Much was learned when the walk provided a look into some of the history, stories, and lives of area families. The clothing gathered and worn, dresses, hats, and trousers were truly a sight to be seen. The event was respectful, informative, and FUN!

Tree maintenance continues in all Gilford's cemeteries, taking only the overgrown trees and limbs which are a threat to the memorials or area. The Hoyt Cemetery wall was repaired. A large section of the surrounding stone wall, which holds much of Hoyt together, had shifted causing a major safety issue.

We also had a Boy Scout, Grant Stephenson, come forward and offer to help with a user-friendly website that is now in place. Grant received his Eagle Scout Award in August of 2012. Thank you so much! to Grant and his family members. We welcome and appreciate any help from the Scouts!

Late summer brought a burial within McCoy Cemetery off of Old Lakeshore Road. C urrently lots are not available within McCoy, however; there are families with existing lot space which require services.

Cemetery Steward, Sheldon Morgan, and Cemetery Caretaker, Rick Mini, were also able to lay out an area with several additional lots which are now available for families who wish to preplan in Pine Grove. Any residents who would like more information are encouraged to contact the Trustees at 527-4732 or e-mail dchitty@gilfordnh.org.

As always we will do our best to answer any questions or concerns that you may have. We are endeavoring to contact people with deeds, who will provide a copy to the Trustees for the cemetery records. Copies may be sent to:

Cemetery Trustees c/o Gilford Public Works 55 Cherry Valley Road Gilford, N.H. 03249

We appreciate all those that we have received, as it helps verify and confirm your right of burial.

None of the work we've accomplished could have been done without the help of so many: From the people who visit the cemeteries and stop to pick up trash or debris to family and friends planting flowers and the various companies who completed work for us, our caretaker, our steward, Dignified Cemetery Services who digs the graves, the various funeral homes, the monument companies, people who stop to give us bits of information, our Finance Department, the Police Department, (who by the way, rescued one of the tents from Belknap Mountain Road this summer) Sandy Bailey of the Administrative office, T/C, and the Highway crew . . . it takes so many and we appreciate you all.

REPORT OF THE LIBRARY DIRECTOR

2012 was a great year for the library, for in addition to celebrating the town's bicentennial, we were also thrilled to receive the New Hampshire Library of the Year Award. It was an honor to have the New Hampshire Library Trustee Association call the Gillord Public Library a "shining example of a library that is truly the center of the community," for that is our goal every single day.

This year our library saw a record 132,714 items checked out, which is a slight increase over last year. Materials include books for adults, teens, and children; downloadable e-books and audiobooks; movies; music; and various other items, like a telescope and a GPS. We are fortunate to have such an extensive, versatile collection in a small town library, and the numbers show that our patrons agree.

Our biggest annual program, Summer Reading, was once again a success. This year 227 adults, 101 teens, and 396 children logged their reading and received prizes. In addition, many people took part in a range of Summer Reading activities. Our favorites included the Get Booked author-visit series for adults, a *Hunger Games activity afternoon for teens, and a visit from the Squam Lakes Science Center for children.

As always, one of the biggest goals of the library is to encourage children to develop a life-long love of books and library use, and to that end we offer fun, literacy-centered children's activities. In 2012, so many children took part in these programs. Children came to the library for Dr. Seuss's birthday; Mother's Day Tea; Lego Club: a Halloween Magic Show; Gingerbread House Making; and the Bicentennial Candlelight Stroll. Also, children continued to take part in weekly and/or monthly programs including Storytime and Drop-In Crafts. Teens also spent time at the library to use computers, gather and chat after school, and occasionally make a cart or play a game.

In addition to an increase in children's programs, 2012 also brought more adult programs. We celebrated Banned Book Week; brought

new features of our website is that patrons can easily browse current bestsellers and find read-alike recommendations.

As part of our commitment to the community, the library also strives to connect with town departments as well as local organizations, including the schools and daycares, the Historical Society, and the Lakes Region Art Association. One of our favorite aspects of these partnerships is the annual Gilford High School Art Exhibit, which puts the artwork of so many talented teens on display.

As we look back on 2012, we are proud and thankful to have such an active library community, and as always, none of it would have been possible without the tireless help of our volunteers, who logged 5,057.5 hours of work this year!

If you're a part of the library, you already know that we saw some staff changes this year: Tracey Petrozzi became our Children's Librarian; we welcomed Molly Harper as a new part-time employee; and Jolene Wernig returned as a part-time employee. As a staff, we work hard to make the library a friendly, welcoming environment for all, and we're always happy to recommend a book, help you find a quiet place to read or work, or lead you to a group or program that you might be interested in. So please, stop by the library, say hello, and remember that we always welcome and encourage your suggestions.

Katherine Dormody, MLIS Library Director

REPORT OF THE OVERSEER OF PUBLIC WELFARE

During 2012, the Gilford Welfare Office helped 90 households, representing 128 adults and 54 children, with over \$66,600 in various types of assistance representing a 21% decrease over 2011. The reasons for this decline are numerous, including a very mild winter leading to reduced heating costs, many people "doubling up" to reduce their living expenses, and gradually rising employment albeit at still low levels.

The types of households requesting aid span the spectrum of today's society – the elderly on meager Social Security benefits, single-parent households, and families subsisting on low-wage jobs and little or no health care coverage. Housing and heat remain the largest categories of assistance from year to year.

I can only speculate as to the level of assistance requested in the coming year. Problems still exist with pending cuts in Federal programs, including Fuel Assistance, the Food Stamp program and Financial Assistance for Needy Family; a predicted colder winter, continued unemployment and under-employment.

Some of these people have also been eligible to receive State-Federal Welfare Assistance in the form of checks, Medicaid, debit cards and social services. Federal Supplemental Security Income checks also help some persons with handicaps and others in low-income families. Many supplement their food budgets with the state food stamp program and area food pantries.

The Gilford Welfare Office continues to refer needy households to other sources of public and private assistance, many times forming combinations of help from the various sources mentioned in this report. There is the aforementioned Energy Assistance Program through the Belknap-Merrimack Community Action Program where fuel assistance is available. It also facilitates the PSNH electricity discount programs.

The St. Vincent de Paul Society operates a food pantry, a thrift store and a financial assistance program. The Gilford Welfare Office also networks with the Gilford Community Church and the Neighbors in Need Program. Gilford residents in need are referred to these programs.

The Model Welfare Guidelines, updated in 2005, of the New Hampshire Municipal Association sets the example for our own Gilford Welfare Guidelines. These, used with understanding and discretion, best express our concern for "neighbors helping neighbors to help themselves." These guidelines are reviewed annually.

For any questions or for a neighbor who might need assistance, please contact Erika Johnson at the Town Office (527-4701) or directly at 494-3991.

Sincerely,

Erika Johnson

REPORT OF THE LAND CONSERVATION TASK FORCE

The Land Conservation Task Force (LCTF) was authorized at the Gilford Town Meeting and charged by the Board of Selectmen to inventory and identify areas of the community, which, by preservation, would maintain Gilford's rural character and scenic beauty, while simultaneously protecting its natural resources.

As noted in last year's annual report, we were in hopes of protecting two land parcels in 2012. One of those parcels is still being worked on, but the other one, a 14-acre parcel near Swain Road, was acquired in July through a bargain sale to the Town by Gail Pike Tracy of Paxton, MA. This parcel not only contains rare prime wetlands, but also abuts the 62-acre parcel with frontage on Swain Road that was protected in 2009, thanks to a donation by the Philip Roux Trust. Both of these parcels form a major portion of the very headwaters of Jewett Brook. We wish to thank Gail for her foresight and caring that gave us the opportunity to protect this important property. We especially also thank Maureen Nix for donating her time and expertise and who went way beyond what anyone could ever expect, including driving to Worcester, MA to further research the title to this property.

As noted above, the acquisition of the second parcel we had hoped for was not completed, as the owner held off after we informed her that her property may be a buildable lot now that sewer lines run along the road. She very recently has shown renewed interest and we hope that we will be able to obtain this property in 2013.

The importance of an incredible gift of over 387 acres of diverse habitat types including forests, a beaver flowage, and a wetland meadow to the New England Forestry Foundation (NEFF) by the Carye family can't be overemphasized. The land abuts the Meadows property, Rt. 11, and the already conserved Kimball Castle property and has been dedicated as The Carye Family Woods. This property was specifically noted as one of the three top priority parcels in need of protection in the Natural Resource Inventory (NRI) that was completed last year. The NRI and the reasons for that priority listing were unbeknownst to the both the Carye family and the NEFF, so we addressed those many important attributes at the dedication on October 27th. Not only has this priority parcel been protected, but the money that would certainly have been dedicated to conserving it can now be used to protect other important parcels. The gift of this site openly displays the magnitude of the caring, dedication and foresight of the Carye family in protecting their land in perpetuity for all to enjoy. On behalf of the Land Conservation Task Force and the Town of Gilford, our thanks and deep appreciation to each of the Carve family members and the NEFF for all their work to make this project a reality.

As a brief aside, we highly recommend hiking the trail on the property that begins behind the multi-bay garage building and runs behind Beans and Greens that was generously created by Eagle Scout, Albert Doyle. It highlights the diversity of habitat types and ends with a ledge overlook of a beautiful wetland meadow.

We're also extremely hopeful that a large, very important property, in need of protection, will also be consummated in 2013 through partnering with the Belknap Range Conservation Coalition and its member affiliations. This will likely entail a major fund drive for multiple properties within the Belknap Range and we will need everyone's financial support that enjoys our mountain's scenic beauty, hiking trails, and the wildlife that are dependent on it.

We encourage all citizens who would like to protect their properties for conservation purposes to contact us, and to discuss possible tax advantages.

Respectfully submitted,

Everett McLaughlin, Chair Sandy McGonagle, Sec. Diane Hanley Douglas Hill, Esq. Stephen Nix John Rogers Jack Woodward

KIMBALL WILDLIFE FOREST COMMITTEE

The Kimball Wildlife Forest Committee was established by the Board of Selectmen in May, 1990, with the charge to address the "remaining land" at Kimball Castle, which includes all the land of the Kimball Castle Property, excluding 20 acres surrounding the Castle. Two miles of trails have been completed on the property and were formally opened to the public in the Spring of 1992. These trails are open to the public daily from sunrise to sunset.

The trail system, consisting of the Lakeview trail and the Quarry trail, starts approximately 100 feet from the entrance to the parking area of Route 11. The trail is marked by blue rectangles with interpretive stations indicated by numbers. Trail guides are available in the mailbox at the entrance to the trail. It is estimated that nearly 500 hikers a week make the trek to the top of Lockes Hill during the hiking seasons.

During 2012, the Kimball Wildlife Forest Committee continued to maintain the Lockes Hill trail system, improve signage on the trails, and manage the land in the Kimball Wildlife Forest. During the summer of 2012, the Kimball Wildlife Forest Committee contracted the following maintenance activities on the Kimball Wildlife Forest.

- Approximately ¼ mile of forest road (the carriage road) was rehabilitated.
 Obvious signs of erosion were mitigated, and erosion control measures were put
 in place. These erosion control measures will minimize future erosion and road
 maintenance costs. The Carriage Road also functions as an important access
 point for public safety. The road is now passable for emergency vehicles.
- Two wildlife openings were maintained (approximately 1 acre total). There are a number of birds that reproduce in New Hampshire that depend on "early successional habitat" (thick, dense, shrubs, grasses and trees) for habitat. The habitat starts to lose it structural value after 5-10 years. This vegetation maintenance has reverted the poorer quality habitat to its optimal condition.
- Approximately 1 additional acre of early successional habitat was created at the top of Lockes Hill. This new "opening" will serve a number of benefits. It has enhanced the views and recreational benefit. We hope to increase blueberry yields on the top of Lockes Hill benefiting recreational users and wildlife. Lastly, the early successional habitat was intentionally created with slightly different structure (large trees spaced far apart rather than a complete clearing) to act as an educational resource showcasing how different types of wildlife openings are used differently by wildlife.

Wildlife habitat management is of primary importance in the Kimball Wildlife Forest. In the original trust, established by Charlotte Kimball, it was stipulated that the property be used "for the study and enjoyment of wildlife". To this end, it is the goal of the Committee to manage the trails in the Kimball Wildlife Forest in a manner that proves beneficial to native wildlife species. The recreational trails on the property provide public access and educational opportunities. Protecting these trails is an

important responsibility of the Committee to preserve the aesthetic value and scenic beauty of the property.

A hike up the Lakeview Trail provides beautiful views of the mountain and the Broads on Lake Winnipesaukee. Panoramic binoculars are located in the glade area of the Lakeview Trail and accent the views of the lake and the mountains. Two other panoramic binoculars are located at the top of the trail with views of the Belknap Mountains to the East and many of the islands on Lake Winnipesaukee to the North. A hike on the Quarry Trail provides a great history of the site, which is the location of where many of the stones used to build the castle were mined.

Anyone interested in working with the Kimball Wildlife Forest Committee may contact the Board of Selectmen at 527-4700.

Town of Gilford, NH Presidential Primary Election January 10, 2012

The Presidential Primary Election was held on the above date at the Gilford Middle School gym. Prior to the opening of the polls, Moderator, Sandy McGonagle, Deputy Town Clerk-Tax Collector, Jennifer Mooney and Assistant Town Clerk-Tax Collector, Sandra Beland tested the Accuvote machine, prepared a hand tally and reported the results to the Secretary of State. Ballots were counted in Conference Room B at the Gilford Town Hall and put into sets of 25 for Election Day.

Inspectors of the Elections, Donna Mooney, Diane Tinkham, Barbara Carey and Evelyn Bray were present. Sheldon Morgan was sworn in as Assistant Moderator. The ballots were counted and the moderator signed a receipt for 2,100 Republican ballots and 1919 Democratic ballots.

The zero tape was run on the Accuvote machine and the ballot box was inspected and revealed it to be empty. The Moderator instructed the voters to announce their name prior to entering the voting space and instructed the Inspectors to repeat the name back loud enough that the poll watchers may hear them. The polls were declared open at 7a.m.

At the beginning of the election there were 5178 voters on the checklist at the start of the polls. There were 85 new voters registered during the day and 525 voters returned to undeclared status. There were 2244 ballots cast (including absentee ballots) with the following results:

With no further discussion the Moderator moved to Article 2.

The Moderator read Article 2 as follows:

ARTICLE 2: Are you in favor of the adoption of Amendment Number 1 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Delete the "Roomers" land use from the Zoning Ordinance including references to it in Section 4.6.7 in Table 1, the Chart of Uses; Section 4.7.6(h), Roomers use description; and Section 7.5.6.7, parking requirements for the Roomers land use. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Ayer explained that the Article stemmed from application to

the Board of adjustments. It was discovered that there is not a good definition of the current plan. Boarding house ins another option for property owners and confusion was found

in the language.

With no further discussion the Moderator moved to place Article 2 on the official ballot.

With no further discussion the Moderator moved to Article 3.

The Moderator read Article 3 as follows:

ARTICLE 3: Are you in favor of the adoption of Amendment Number 2 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Create a new Section 5.1.1(d) to clarify how to define and measure buildable area; to regulate how much and under what conditions land may be excavated or filled to create buildable area; and to provide standards to control runoff, mitigate erosion, and prevent damage to adjacent properties when excavating or filling to create buildable area. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Ayer explained that each lot required one acre of buildable

area. Planning Board wants t limit the impact of excavation

with regards to run off and other potential problems.

With no further discussion the Moderator moved to place Article 3 on the official ballot.

With no further discussion the Moderator moved to Article 4.

The Moderator read Article 4 as follows:

ARTICLE 4: Are you in favor of the adoption of Amendment Number 3 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Create new regulations for the parking of Large Commercial Vehicles by creating a new definition for Large Commercial Vehicle in Article 3; create a new land use, Section 4.6.18, Large Vehicle Parking, in Table 1, the Chart of Uses; create a new use description, Section 4.7.6(q), Large Vehicle Parking; delete regulations related to vehicles from Section 4.7.6(e), Home Occupation, and Section 4.7.6(n), Home Office; and create a new Section 11.4.8, Large Commercial Vehicle Parking, to establish special exception requirements for such use. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Ayer explained that the Board of Adjustments (BOA)

proposed this Article to the Planning Board in regards to large vehicles being parked in residential areas in relation to a home based business. This be subject to a special permit

by the BOA at a public meeting.

With no further discussion the Moderator moved to place Article 4 on the official ballot.

With no further discussion the Moderator moved to Article 5.

The Moderator read Article 5 as follows:

ARTICLE 5: Are you in favor of the adoption of Amendment Number 4 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 2.2.4, Island and Waterfront District, by changing the District title to Island and Shore Frontage District, and by amending the wording in this section regarding the purpose and intent of the District; and amend Section 5.2.1, which regulates land within 100 feet of Lake Winnipesaukee, Saltmarsh Pond, Lily Pond, Poor Farm Brook, Meadow Brook, Jewett Brook, Gunstock River, and any other year-round brook, by deleting Section (b) in its entirety and replacing it with a new Section (b) to clarify under what conditions uses may be conducted on lands regulated by this Section, and by amending Paragraph 1 of Section (c) to require that natural vegetation that is removed from land regulated by this Section be replaced with other vegetation or structures that will be equally effective in preventing sedimentation and contamination of surface waters; and making other related changes. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Aver explained that this Article was amended in 2011 and it

was discovered an application would prohibit use on lots. This amendment would create proper language for regulations on property within 100 feet of surface water.

With no further discussion the Moderator moved to place Article 5 on the official ballot.

With no further discussion the Moderator moved to Article 6.

The Moderator read Article 6 as follows:

ARTICLE 6: Are you in favor of the adoption of Amendment Number 5 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 4.6.5, Home Occupation, by making the use a Permitted Use in the Single Family Residential (SFR) Zone whereas it is currently permitted only as a Special Exception in the SFR Zone. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Ayer explained Article 6 would allow home occupations

within a single family residential area zone to make all the

zones consistent.

With no further discussion the Moderator moved to place Article 6 on the official ballot.

With no further discussion the Moderator moved to Article 7.

The Moderator read Article 7 as follows:

ARTICLE 7: Are you in favor of the adoption of Amendment Number 6 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 4.7.6(I) so applicants are no longer required to obtain yard sale permits three (3) days prior to the yard sale but may obtain said permits at any time prior to the yard sale. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.)

Motion to Move: Polly Sanfacon, Chair of Planning Dept. Seconded by: John Ayer, Director of Planning and Zoning

Discussion by: Ayer explained that a three day waiting period for a yard sale

permit would be no longer in effect. This amendment was proposed by the Chief Keenan. Skip Murphy and Ayer discussed the amount of permits issued and the reasons for

the change.

With no further discussion the Moderator moved to place Article 7 on the official ballot.

With no further discussion the Moderator moved to Article 7.

The Moderator read Article 8 as follows:

ARTICLE 8: Shall the Town vote to raise and appropriate the sum of four hundred fifty thousand dollars (\$450,000) (gross budget) for the purchase of a new fire engine to replace a 1987 Ranger Fire Engine, and to authorize the issuance of not more than four hundred fifty thousand dollars (\$450,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (3/5 Vote Required) (Not recommended by the Selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a tie vote of 6 to 6)

Motion to Move: William Akerley, Chairman, Board of Fire Engineers

Seconded by: Stephen Carrier, Fire Chief

Discussion by: Akerley explained that they were seeking to replace a 1987

Ranger pump-style fire truck. A committee made recommendations on specs for the new fire truck. He discussed the average life expectancy of a fire truck, the replacement schedule and the financial sacrifices that the department has made in the 2012 budget in the amount of

\$70K in the anticipation of a new fire truck.

Point of order: The Moderator had been taking a vote on each article for

placement on the official ballot. Millham wanted to know what would happen if the Body voted "no" on the Articles? He further stated that the law states that there can be no vote on the Articles and that the Articles must go on the

ballot.

Moderator: Explained that a voice vote was being taken in the spirit of

the traditional town meeting but agreed with Millham that the vote was not official and all Articles would be placed on the ballot regardless of the voice vote. The Moderator clarified

the process to the attendees.

Motion to Amend: David Horvath submitted a written amended the Article to

read as follows:

"Shall the Town vote to raise and appropriate the sum of four hundred fifty thousand dollars b (\$450,000) (gross budget) for the purchase of a new fire engine to replace a 1987 Ranger 2003 KME Fire Engine as the first due attack pumper (the 2003 KME will the be rotated into reserve status), and to authorize the issuance of not more than four hundred fifty thousand dollars (\$450,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The total of all payments

(including interest) is estimated at five hundred ten thousand dollars (\$510,000). (3/5 Vote Required) (Not recommended by the selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a tie vote of 6 to 6) (Changes to the Article are shown in s strike through and bold print for

identification purposes only.)

Seconded: Dale Channing Eddy Moderator: Read the Amendment.

Kevin Leandro spoke in favor to the amendment. Mark Corry spoke in opposition to the amendment. John Beland spoke in opposition to the amendment. Steve Colcord spoke in opposition to the amendment. Tim Sullivan spoke in opposition to the amendment.

Leandro spoke in support of the amendment.

Evans Juris spoke in opposition to the amendment.

Ballot Request: Skip Murphy submitted a petition to the Moderator for a

secret ballot vote on the amendment.

Discussion: Richard Hickok stated that the voting is for or against the

amendment not how long the truck will be financed. Beland, Barbara Aichinger, Chief Carrier and Eddy

discussed the use of the trucks and the order to respond to

calls.

Pat Labonte spoke in support of the Amendment.

Vote to Move

the question: Peter Millham Seconded: Aichinger

Voice Vote: Affirmative to terminate discussion and move to a secret

ballot vote on the Amendment at 8:08 p.m.

8:25 p.m. the Moderator closed the polls and reconvened the

meeting.

With no further discussion the Moderator moved to Article 9 until the votes of Article 8 were determined.

*Results of vote

on Article 8: Were announced by the Moderator. The amendment to Article 8 in

regards to the fire truck FAILED by a vote NO: 96 YES: 26

Discussion: Millham reminded the Body about not amending and Amendment.

Moderator: Opened the floor for discussion/amendments to Article 8. The

Moderator read the Article as original written for clarification

purposes.

Motion to Amend: Kevin Leandro submitted a written amended the Article to read as

follows:

"Shall the Town vote to raise and appropriate the sum of four hundred fifty thousand dollars b(\$450,000) (gross budget) for the purchase of a new fire engine to replace a 1987 Ranger Fire Engine, and to authorize the issuance of not more than four hundred fifty thousand dollars (\$450,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA33); and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Moderator: With no further discussion asked for a voice vote. The Moderator

was unable to determine the results of the voice vote and asked for

volunteers to perform a hand count vote.

Results of vote

on Article 8: Were announced by the Moderator the amendment to Article 8 in

regards to the fire truck FAILED by a vote NO: 83 YES: 22

Moderator: With no other discussion moved Article 8 to be placed on the official

ballot as originally written.

*This information is inserted in the minutes under Article 8 for clarification purposes as the voting results were announced during the discussions of Article 9.

 \mathcal{F}

The Moderator read Article 9 as follows:

ARTICLE 9: Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$11,055,115? Should this article be defeated, the default budget shall be \$11,189,667, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the Board of Selectmen may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority Vote Required) (The Selectmen recommend a budget of \$11,055,115 by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 11 to 1)

Motion to Move: Richard Hickok, Chairman, Budget Committee

Seconded by: Selectman O'Brien

Discussion by: Hickok explained that the Budget Committee was quite

impressed with the effort and work of the Select Board and

mutually agreed on the budget.

O'Brien explained that the Board of Selectmen worked hard

to keep the budget down and scaled back benefits.

Although the Board of Selectmen and Budget Committee recommended the bottom line they got there a different way.

Hayes added that the budget made changes in the

personnel policy.

Motion to Amend

& Ballot Request: Barbara Aichinger submitted a written amended the Article

as follows:

"To reduce the budget by 1.5% or \$165,826 to \$10,889,289" and

submitted a petition for a paper ballot to the Moderator.

Seconded: Glen Aldrich

Discussion: Aichinger explained the amendment was needed due to dropping

property assessments and spending. She felt it was a modest decrease to protect the taxpayers and to keep the tax rate level. She spoke in support of the amendment and gave additional date

on surrounding towns on the lake.

Rae Mellow-Andrews commented on commercial properties in

other towns.

Tim Sullivan spoke in opposition of the amendment.

Point of order: David Buckman wanted to know if there was any way to have a

voice vote instead of a ballot vote.

Moderator: Explained that a request to over ride the petitioned secret ballot

was not allowed by law.

Discussion: O'Brien spoke in opposition to the amendment.

Point of order: Colcord reminded the Body that the discussion was to be on the

town budget.

Moderator: With no further discussion on the amendment she opened the polls

for voting at 8:32 p.m. At 8:47 the Moderator announced the polls

would close in 5 more minutes.

Results of Vote: The Moderator closed the polls at 8:55 p.m. and gave the results of

the secret ballot vote on reducing the operating budget. The

Amendment FAILED by a vote: NO: 96 YES: 26

Moderator: Opened the floor for discussion/amendments.

Amendment: Denise Gonyer moved to amend Article 9 to read as follows:

"Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$11,055,115 11,067,315? Should

this article be defeated, the default budget shall be

\$11,189,667, which is the same as last year, with certain adjustments required by previous action of the Town or by

law; or the Board of Selectmen may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority Vote Required) (The Selectmen recommend a budget of \$11,055,115 by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 11 to 1) (Changes to the Article are shown in s strike through and bold print for

identification purposes only.)

Seconded: Evans Juris

Discussion: Gonyer explained the \$12,200 dollars added to the bottom

line was to add a part-time position to the TC-TC

Department where the full-time position had been removed by the Board of Selectmen. She said that the Budget Committee supported the funds to be in the TC-TC budget by a vote of 9-3. She explained that the part-time position was necessary to retain the current level of services and comes at a cost of approx. \$2.00/per household annually.

Point of order: Eddy wanted clarification on the RSA as the attendees

packets did not confer with the RSA read to the Body.

Moderator: Atty. Mitchell researched the RSA and stated that the RSA

Gonyer read was correct and that it was not correct as written in the packets provided to the Body. Further clarification was made that the RSA in posted warrant was

printed correctly.

Clarification: Paul Blandford wanted to know how the Board stood on the

issue. Attorney Mitchell explained that the Board could take a vote after the Deliberative Session and that vote would be

placed on the ballot.

Discussion: Aichinger supported the TC-TC office but spoke in

opposition to the amendment.

Leandro spoke in opposition to the amendment.

Selectmen Benavides spoke in opposition to the amendment. He explained the position of the Board in regards to an offer to share an employee from another department. He further stated that he hears from the voters to reduce taxes, reduce spending and reduce payroll. He said voters have to ask themselves if they want smaller government and lower taxes. If they do, they have to do more with less. Businesses have to lay people off and through attrition.

Mark Corry spoke in support of the amendment.

Colcord questioned the Board of Selectmen and asked if the fulltime employee they offered to the TC-TC Dept. has enough work.

Hayes responded that they have purview over personnel issues in the Town Hall and that the offer was refused by Gonyer.

Colcord wanted clarification if the employee was doing other work. Hayes said that the employee has taken on other duties.

Gonyer explained that the employee would be paid more than her senior assistants about \$18.00/per hour and her staff's starting pay is \$12.00/per hour. She felt it that it was not fair to the staff or a good use of tax dollars.

Murphy spoke in opposition to the amendment. He restated the vote of the Budget Committee and the difference in the line item. Juris spoke in support of the amendment and questioned the Select Board as to the article written by Gonyer in the newspaper and wanted to know who said to put the pressure on. The Board did not respond. Juris stated that there is always pressure on the TC-TC office and to give the position back.

Dr. Sam Aldridge wanted to know if the position was being reduced by attrition.

Gonyer explained that it was a proposal by her to cut the position from full-time status to part-time status; clarifying that it was not vacated by attrition.

O'Brien spoke in opposition to the amendment and explained the 2012 budget season. He further explained personnel changes and shifts in the Department of Planning and Land Use. He stated that most departments had cut backs and that there is never a line of more than 2-3 people at the TC-TC Office and that the TC-TC employees do a great job.

Moderator:

With no further discussion the Moderator read the Article as Amended and called for a voice vote. The Moderator was unable to determine by voice vote and called for a hand count vote on the amendment.

The Amendment PASSED by a vote of YES: 51 NO: 46

The Moderator moved the Article as amended on the official ballot.

With no further discussion the Moderator moved to Article 10.

The Moderator read Article 10 as follows:

ARTICLE 10: Shall the Town vote to approve the cost items included in the two year collective bargaining agreement reached between the Board of Selectmen and Teamsters, Local 633 on behalf of certain Police Department employees, which calls for a wage and benefit package that requires no appropriation (\$0) for the estimated costs necessary to fund the collective bargaining agreement in the current fiscal year over the appropriations previously approved for wages and benefits that were paid in the prior fiscal year? The estimated cost to fund the wages and benefits in the second year of the agreement is also no increase over the costs paid to fund the wages and benefits in the first year of the agreement. (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 12 to 0)

Motion to Move: Kevin Hayes, Selectman Seconded by: John O'Brien Selectman

Discussion by: Selectman Hayes explained he represented the Town in

negotiations and that negotiations were good. He felt the Police Department understands the efforts to reduce the benefits and keeping the bottom line of the budget down.

With no further discussion the Moderator moved to place Article 10 on the official ballot.

With no further discussion the Moderator moved to Article 11.

The Moderator read Article 11 as follows:

ARTICLE 11: Shall the Town vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Glendale Boat and Launch Ramp Facilities Maintenance Capital Reserve Fund previously established? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 11 to 0)

Motion to Move: John O'Brien, Chairman, Board of Selectmen

Seconded by: Selectman Benavides

Discussion by: Sheldon Morgan, Director of Public Works/Highway

Department explained that the funds are used to maintain

the Glendale facility and docks.

With no further discussion the Moderator moved to place Article 11 on the official ballot.

With no further discussion the Moderator moved to Article 12.

The Moderator read Article 12 as follows:

ARTICLE 12: Shall the Town vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Water Supply Maintenance Capital Reserve Fund previously established for town-wide fire suppression purposes? (Majority Vote

Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 11 to 0)

Motion to Move: Gus Benavides, Selectman

Seconded by: Selectman Hayes

Discussion by: Steve Carrier, Fire Chief explained that the funds are used

for maintenance of dry hydrants.

With no further discussion the Moderator moved to place Article 12 on the official ballot.

With no further discussion the Moderator moved to Article 13.

The Moderator read Article 13 as follows:

ARTICLE 13: Shall the Town vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Building Repair Capital Reserve Fund previously established? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 10 to 2)

Motion to Move: Kevin Hayes, Selectman

Seconded by: Selectman O'Brien

Discussion by: Scott Dunn, Town Administrator explained that the Building

and Grounds Department compiles a list of item that needs improvements and the funds will go into the fund for these

purposes.

With no further discussion the Moderator moved to place Article 13 on the official ballot.

With no further discussion the Moderator moved to Article 14.

The Moderator read Article 14 as follows:

ARTICLE 14: Shall the Town vote to raise and appropriate the sum of one hundred twenty thousand dollars (\$120,000) to purchase a Department of Public Works Back Hoe Loader and to fund this appropriation by authorizing the withdrawal of one hundred twenty thousand dollars (\$120,000) from the Highway Equipment Capital Reserve Fund previously established; whereby this entire amount shall not be raised from taxation? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 10 to 0)

Motion to Move: John O'Brien, Selectman Seconded by: Selectman Benavides

Discussion by: Morgan explained the funds were needed to replace the

current backhoe because of wear as it has been used for many hours. It is part of the 10 year cycle for replacement.

With no further discussion the Moderator moved to place Article 14 on the official ballot.

With no further discussion the Moderator moved to Article 15.

The Moderator read Article 15 as follows:

ARTICLE 15: Shall the Town vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Sewer Maintenance Capital Reserve Fund previously established? This amount to come from sewer user fees and shall not be raised from taxation. (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 10 to 0)

Motion to Move: Gus Benavides, Selectman

Seconded by: Selectman Hayes

Discussion by: Morgan explained that this is a maintenance account

allocated through the sewer funds. There is approximately \$90K set aside for the maintenance of the sewer system which is not enough in the case of a catastrophic event.

With no further discussion the Moderator moved to place Article 15 on the official ballot.

With no further discussion the Moderator moved to Article 16.

The Moderator read Article 16 as follows:

ARTICLE 16: Shall the Town vote to raise and appropriate the sum of fifty-eight thousand dollars (\$58,000) to be added to the Lakes Business Park Capital Reserve Fund previously established, pursuant to the terms of the Inter-Municipal Agreement which was approved under Article 18 of the 2001 Annual Town Meeting? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 10 to 2)

Motion to Move: Kevin Hayes, Selectman Seconded by: Selectman O'Brien

Discussion by: Geoff Ruggles, Finance Director, explained the agreement

between the City of Laconia and the Town of Gilford which was approved at the 2001 annual meeting. The agreement

stipulates the maintenance required.

With no further discussion the Moderator moved to place Article 16 on the official ballot.

With no further discussion the Moderator moved to Article 17.

The Moderator read Article 17 as follows:

ARTICLE 17: Shall the Town vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Recreation Facilities Maintenance Capital Reserve Fund previously established? (Majority Vote Required) (Recommended by the Board of Selectmen 3 to 0) (Recommended by the Budget Committee 9 to 3)

 $\mathcal{L}_{\mathcal{L}}$

Motion to Move: John O'Brien, Selectman Seconded by: Selectman Benavides

Discussion by: Herb Green, Parks & Recreation Director, explained that the

fund is used for capital improvement projects such as Phase III at the Village Field. The fund maintains a balance for resurfacing the tennis courts and other unanticipated

projects throughout the year.

With no further discussion the Moderator moved to place Article 17 on the official ballot.

With no further discussion the Moderator moved to Article 18.

The Moderator read Article 18 as follows:

ARTICLE 18: Shall the Town vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500) to support a share of the services provided to Gilford residents to access counseling and family support services, without regard to income, from Child and Family Services? Child and Family Services provides accessible and affordable programs to children, youth, and families leading to stronger family connections, improved school performance, decreased risky behaviors among youth, and better citizenship. From July 1, 2010 through June 30, 2011, eighty-three Gilford residents receive three hundred forty units of service, ninety-two days of residential care and four weeks of overnight summer camping services valued at over \$23,000 from Child and Family Services. [By Petition] (Majority Vote Required) (Not recommended by the Board of Selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a vote of 8 to 4)

Motion to Move: Kevin Hayes, Selectman

Seconded by: Alida Millham

Discussion by: Hayes explained that the Board of Selectmen struggle with

this every year and share their different philosophies. The Board is not comfortable voting on these types are Articles and would like to leave it up to the voters for passing or failing; but NH law requires a vote from the Board of

Selectmen.

Meg Jenkins spoke in support of the Article.

With no further discussion the Moderator moved to place Article 18 on the official ballot.

With no further discussion the Moderator moved to Article 19.

The Moderator read Article 19 as follows:

ARTICLE 19: Shall the Town vote to raise and appropriate the sum of eight thousand two hundred thirty-six dollars (\$8,236) to support the operation of the Laconia Area Center of Community Action Program? The Laconia Area Center staff provides low income, elderly and disabled residents of Gilford assistance with basic needs such as fuel assistance, electric assistance, Meals-on-Wheels, rental assistance, security deposits for housing and maintains a food pantry accessible every day during business hours. In 2010 residents of Gilford received more than \$589,120 in services through the programs of Community Action Program, Belknap-Merrimack Counties, Inc., and the Laconia Area Center. [By Petition] (Majority Vote Required) (Not recommended by the Board of Selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a vote of 8 to 3)

Motion to Move: Judy Scothorne Seconded by: Phyllis Corrigan

Discussion by: Scothorne stated that the request for assistance from all

towns is 6% less than last year due to changes in staffing. She provided statistics on services to the Gilford citizens. She shared a story of a Gilford resident seeking assistance for fuel and the delivery person found a furnace issue. CAP did not have the funds to fix the potentially deadly issue and funds donated by local business and local citizens allowed a repair to be done and it did not have to come from the Town

Welfare Department.

With no further discussion the Moderator moved to place Article 19 on the official ballot.

With no further discussion the Moderator moved to Article 20.

The Moderator read Article 20 as follows:

ARTICLE 20: Shall the Town vote to raise and appropriate the sum of thirteen thousand four hundred thirty-four dollars (\$13,434) to Genesis Behavioral Health for the delivery of Emergency Mental Health Services? These services include access to Master's level clinicians and psychiatrists by individuals, schools, police, fire, schools, hospitals and others, 24 hours per day, 7 days per week. Services are provided to anyone in need, regardless of ability to pay. Genesis Behavioral Health is the community mental health center serving Belknap and Southern Grafton Counties. We served 3,270 children, families, adults and elders in Fiscal Year 2011, 163 of whom were Gilford residents. Genesis Behavioral Health provided emergency services to 38 Gilford residents in Fiscal Year 2011. We provided \$9,816 in charitable care to Gilford residents. [By Petition] (Majority Vote Required) (Not recommended by the Board of Selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a vote of 8 to 3)

Motion to Move: Kelley White

Seconded by: Rae Mello-Andrews

Discussion by: Maggie Crichard explained that this service is utilized by

people at risk of harming themselves.

With no further discussion the Moderator moved to place Article 20 on the official ballot.

With no further discussion the Moderator moved to Article 21.

The Moderator read Article 21 as follows:

ARTICLE 21: Shall the Town vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to support the operations of Central New Hampshire VNA & Hospice, (d/b/a Community Health & Hospice), a local agency that provides visiting nurse services, hospice care, homemaker services for the elderly, and pediatric care to residents of the Town of Gilford, NH? In 2011 residents of Gilford received over 5,900 home visits from Central New Hampshire VNA & Hospice. Town funds are used chiefly to support hospice care, pediatric care to children at medical or social risk, homemaker services for the elderly to allow them to avoid institutionalization, community wellness clinics, caregiver & bereavement support groups, wellness clinics, caregiver & bereavement support groups and immunization services. [By Petition] (Majority Vote Required) (Not recommended by the Board of Selectmen by a vote of 3 to 0) (Not recommended by the Budget Committee by a vote of 8 to 3)

Motion to Move: Annemarie Mercuri

Seconded by: Alida Millham

Discussion by: Mercuri explained that she is a registered nurse of the

community and gave statistics on the amount of care to Gilford residents in 2011. She gave additional information

on fund raising efforts.

Millham spoke in support of the Article and gave information with regards to New Hampshire's fragile services and the lack of block grant availability. She stressed the need for

local support.

Murphy spoke is opposition to the Article and feels that taxpayers should not be forced to support charities through

taxation.

Jenkins spoke in support and stated that past experience showed that voters support these services and it is the will of

the town.

Dr. Aldridge spoke in support of the Article. He clarified that it is not charity it is preventative outreach and it is democracy

working.

With no further discussion the Moderator moved to place Article 21 on the official ballot.

With no further discussion the Moderator moved to Article 22.

The Moderator read Article 22 as follows:

ARTICLE 22: Shall the Town vote to establish a Fire Training Center Trust Fund pursuant to RSA 31:19-a, subject to the custody and investment provisions applicable to trust funds under RSA 31:19, for the maintenance and operation of the Fire Training Center and appoint the Board of Selectmen as agents to expend? The fund shall be an expendable trust fund in which principal and interest may be appropriated and expended. Furthermore, to see if the Town will vote to authorize the acceptance of privately donated gifts, legacies, and devises for the maintenance and operation of the Fire Training Center as set forth herein; provided, however, that such gifts, legacies, or devises shall be invested and accounted for separately from, and not commingled with any amounts hereafter appropriated into the fund. (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Gus Benavides, Selectman

Seconded by: Selectman Hayes

Discussion by: Chief Carrier explained the use of the training facility costs

and the up keep of the building. User fees have been established for other communities and this Article will

establish a method to receive donated funds.

With no further discussion the Moderator moved to place Article 22 on the official ballot.

With no further discussion the Moderator moved to Article 23.

The Moderator read Article 23 as follows:

ARTICLE 23: Shall the Town vote to completely discontinue a small triangular portion of the Harris Shore Road Class V highway right-of-way consisting of approximately 0.03 ± acres (1,348 ± square feet) as tentatively shown on a plan entitled "A Plan to Discontinue and Convey a Portion of Harris Shore Road", dated January 18, 2012, and available for public access at the Gilford Municipal Offices? Furthermore, shall the Town vote to authorize the Board of Selectmen to convey to the Leo & Madeline McGrath Grantor Trust, (or their successors), as the abutting landowners, the same parcel of land to be completely discontinued as a triangular portion of the Harris Shore Road Class V highway right-of-way, (subject to actual measurement verifications by field survey), under such terms and conditions as the Selectmen may deem to be in the best interest of the Town? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Kevin Hayes, Selectman

Seconded by: Selectman O'Brien

Discussion by: Hayes explained that Rt. 11B goes off to the right from

Patrick's driveway and that years ago there was a deal made when the sewer was put in and the land was not given back to the land owner. The plus side of this Article is that the

McGrath's assessment will go up.

With no further discussion the Moderator moved to place Article 23 on the official ballot.

With no further discussion the Moderator moved to Article 24.

The Moderator read Article 24 as follows:

ARTICLE 24: Shall the Town vote to adopt the provisions of RSA 398 relative to the licensing of pawnbrokers? (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: John O'Brien, Selectman Seconded by: Selectman Benavides

Discussion by: Chief Keenan referred staff member Christopher Jacques

whom explained that this Article was being brought forward to give tools to the Police Department and is outlined by

RSA.

With no further discussion the Moderator moved to place Article 24 on the official ballot.

With no further discussion the Moderator moved to Article 25.

The Moderator read Article 25 as follows:

ARTICLE 25: Shall the Town vote to adopt the provisions of RSA 40:14-b to delegate determination of the default budget to the Municipal Budget Committee which has been adopted under RSA 32:14? Passage requires a 3/5 majority ballot vote. [By Petition] [This article shall not be amended per RSA 40:14-b,II,(b)] (Not recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Barbara Aichinger Seconded by: "Skip" Murphy

Discussion by: Aichinger explained that the intent of the petitioners was to

give a choice to the voters to have the Board of Selectmen to continue to prepare/present the default budget or to vote

to change the process for the Budget Committee to prepare/present the default budget to the voters in hopes

that it would be a lower budget.

Hayes spoke in opposition to the Article and said that the Board of Selectmen felt that the Finance Director should continue to prepare the default budget because he

understands/follows the rules governing the preparation of

the budget.

Attorney Mitchell said that the action is permitted by statute. Hayes stated that the default budget is outlined by RSA and the default budget should be the same no matter who

prepares it. The Board of Selectmen has confidence in the

Finance Directors experience.

Murphy spoke in support of the Article stating that no one knows who will be on the boards, committees or Finance Director and feels that there have been difficulties with the default budget.

Aichinger stated that there is legislature pending to change the formula in preparing the default budget.

With no further discussion the Moderator moved to place Article 25 on the official ballot.

With no further discussion the Moderator moved to Article 26.

The Moderator read Article 26 as follows:

ARTICLE 26: Shall the Town vote to adopt the provisions of RSA 32:5-b, and implement a tax cap whereby the governing body (or budget committee) shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised by more than 0%? Passage requires a 3/5 majority ballot vote. [By Petition] (Not recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Barbara Aichinger Seconded by: Glenn Aldrich

Discussion by: Aichinger explained that this is the first year the legislature

has approved municipalities to have a tax cap and it does not prevent the Deliberative Session from adjusting the

number.

Selectman O'Brien commented that he was confused on the concept because the budget has been kept down for the last couple of years. He feels that the adoption of the Article would take away the duties/responsibilities of the Budget Committee.

Steve Colcord spoke in opposition of the Article and stated that a local issue would reduce motivation and budgets would be set to the maximum; he has seen it in the City of Laconia.

Attorney Mitchell explained that the impact of the law if it passes the Budget Committee will never be able to recommend anything over/above a previous year's budget. If an emergency comes up the Budget Committee is prevented from recommending – such as a new building. The Budget Committee cannot support separate warrant

articles if it is going to cause and increase.

Murphy spoke in support of the Article and as a member of the Budget Committee he supports the cap. He stated that the cap can be removed and there would be opportunity to

change it.

Aichinger disagreed with Atty. Mitchell about separate warrant articles outside of the operating budget.

Atty. Mitchell explained that the language says "shall not submit a recommended budget to be raised by taxes based on last year's expenditures." The Budget Committee cannot

recommend anything in the total.

Selectman O'Brien stated that if it's so easy to change it then

why have it.

With no further discussion the Moderator moved to place Article 26 on the official ballot.

With no further discussion the Moderator moved to Article 27.

The Moderator read Article 27 as follows:

ARTICLE 27: Shall the Town vote to change the Town's date for elections and the second session from the second Tuesday in March to the second Tuesday in May, which would change the date for the first session to a date between the first and second Saturdays after the last Monday in March, inclusive? Simple majority required per RSA40:14,XI,(c),(d). [By Petition] (Not recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Barbara Aichinger Seconded by: "Skip" Murphy

Discussion by: Aichinger explained the object of the game was to allow

more participation in the town vote.

Hayes spoke in opposition to the Article and explained the idea of changing the fiscal year and the problems with the Town being able to govern itself. He further explained the current process of going without a budget for 9-10 and if this Article passed the Town would have to run for about a half of

a year without funds or authorization to bid.

Polly Sanfacon spoke in opposition to the Article and said that this was brought up and voted down and doesn't see

any reason to bring it back up.

Point of

Clarification: Rick Moses asked the Moderator if the vote of this

Legislative Body could be placed on the ballot.

Atty. Mitchell responded that it could not be placed on the

ballot.

With no further discussion the Moderator moved to place Article 27 on the official ballot.

With no further discussion the Moderator moved to Article 28.

The Moderator read Article 28 as follows:

ARTICLE 28: Shall the Town vote to adopt an ordinance that all Town non-union employee contracts be approved by the voters? Simple Majority Required. [By Petition (Not recommended by the Board of Selectmen by a vote of 3 to 0)

Motion to Move: Barbara Aichinger Seconded by: "Skip" Murphy

Discussion by: Aichinger explained that the petitioners felt it was only fair

since the union folks needed town approval of the contract. Attorney Peter Millham spoke in opposition of the Article stating that a working agreement is a contract whether

written or verbal.

Selectman Benavides spoke in opposition to the Article and said that there is a public document that anyone can request at any time and according to the Town Attorney this Article is

not legally binding if adopted.

Attorney Mitchell stated that the hiring and firing of town personnel are functions of the Governing Body (Board of Selectmen) and not the Legislative Body (Voters). Town meeting cannot take over these functions. The results are advisory only.

Selectman Benavides explained that voters would have to wait up to a year to approve the contract or hold a special election at the cost of the taxpayers. He feels no one would want to come to work for the Town under these conditions

and it is impractical.

Aichinger agrees this Article and the next is advisory only and attention should be brought to the voters. It is a means

of public vetting for benefits and salaries.

Benavides wanted to know where the petition says "advisory

only."

Nick Mercuri commented that if it was advisory only it needs

to be amended to say it.

Motion to Amend: Selectman Benavides made a motion to amend the article to

read as advisory only.

Point of Order: Murphy does not believe the amendment can be allowed

because it would change the intent of the Article.

Atty. Mitchell informed Murphy that the Amendment to the Article cannot change the "subject matter" and he read the

RSA to Murphy.

Seconded: Selectman O'Brien

Aichinger argues that the Amendment changes the wording back to the way it is today and the change removes the subject matter to give authority to the voters and asked if the

change would open up to a law suit.

Motion to

Withdraw: Selectman Benavides remarked and withdrew the

Amendment to the Article.

Seconded: Selectman Hayes

Motion to

Amend: Selectman Benavides made a motion to amend the Article

and to add the words, "advisory only."

Seconded: Selectman Hayes

A citizen spoke in opposition of the Amendment and said that the advice by council is that it is advisory only and for

the Legislative Body to decide.

Vote to

Amend: Moderator was unable to determine by voice vote the

outcome of the vote on the Amendment. A hand vote was taken and the Amendment <u>FAILED</u> by <u>YES: 32 NO: 39</u>

With no further discussion the Moderator moved to place Article 28 on the official ballot as originally written.

With no further discussion the Moderator moved to Article 29.

The Moderator read Article 29 as follows:

ARTICLE 29: Shall the Town vote to direct the Selectmen to amend the Gilford Town Personnel Policies as follows: (Note this text consists of language in the Gilford Town Personnel Policies using strike out through the words to be deleted and using bold underlined text for words to be added.) Simple Majority Required. [By Petition] (Not recommended by the Board of Selectmen by a vote of 3 to 0)

VII.4 Merit Pay Increases

All employees shall be subject to job performance evaluations which shall be used to determine (a) whether or not a probationary period has been completed satisfactorily; and if so how much of a pay increase has been earned; (b) the extent to which an employee is meeting his/her job expectations and goals as established by his/her Supervisor on an annual basis; and if so how much of a pay increase has been earned; and (c) the extent to which employee conduct or behavior must be modified to ensure continued employment with the Town.

- A. Job performance evaluations shall be conducted using the form attached hereto and incorporated herein as Appendix B as a means of determining a wage rate increase to be applied upon successful completion of a probation period and annually thereafter upon the employee's effective anniversary date.

 Merit pay increases shall be determined based on the following evaluation results:
 - ➤ Unacceptable = 0% <u>-2%</u>
 - ➤ Acceptable = 2% 0%
 - ➤ Commendable = 3% 1%
 - ➤ Exceptional = 4% 2%

- B. In the event that a pay increase would otherwise result in an employee being compensated in excess of the maximum pay rate for that classification, the Town shall increase the employee's pay up to the maximum amount and the difference thereafter shall be paid in a lump sum disbursement. (Example: an employee making \$19.50 per hour (base rate) with a maximum pay rate of \$20 is given a 4% merit pay rating resulting in a pay rate of \$20.28. The employee's new rate of pay would be the \$20 per hour maximum; however the remaining 28 cents shall be disbursed as a \$582.40 payment \$0.28 * 40 * 52.) In the-event that a pay increase would otherwise result in an employee being compensated in excess of the maximum pay rate for that classification the employees salary is not eligible for increases within that classification.
- C. An employee's anniversary date for the purposes of merit pay increases and job evaluations shall be the date of hire.

 Thereafter, the anniversary date shall be the date of a promotion or reclassification as may be applicable. An employee's anniversary date for the purpose of job evaluations shall be the date of hire. The anniversary date for the purpose of merit pay increases shall be biannually of the date of hire.
- D. Employee eligibility for merit pay increases shall generally be disbursed within thirty (30) days of the applicable date as follows:
- (1) New Hires upon completion of probation and thereafter on anniversary date;
- (2) Current Employees as of effective anniversary date;

- (3) Promoted Employees as of effective anniversary date, unless employee was assigned to step 1, in which case upon completion of probation and thereafter on anniversary date.
- D. Employee eligibility for merit pay increases shall generally be disbursed within thirty (30) days of the biannual date of hire.
- VII.9 Compensation Benefits for Salaried Employees
 - C. In lieu of overtime pay and the elimination of future accumulations of compensatory time, salaried employees shall be eligible for a Town contribution of two percent (2%) of an employee's base salary for contributions into an IRS Section 457 deferred compensation plan administered through ICMA-RC.

VIII.3 Insurances

- Α. Health Insurance. The Town will provide regular employees with the ability to enroll in either a Point-of-Service (POS) or Health Maintenance Organization (HMO) insurance plan as may be determined by the Board of Selectmen. Employees may select the plan of their choice, to include single, two-person or family coverage, in accordance with the eligibility rules of the provider. The Town will strive to provide at least a sixty (60) day written notification to employees in the event that any major changes are made to the health plans. For regular full-time employees as of July 1, 2011, the Town will pay ninety-four percent (94%) of the premiums effective July 1, 2011 July 1, 2012, the Town will pay eighty-four percent (84%) of the premiums effective July 1, 2012; and thereafter the Town's contribution will decrease by one-half of a percentage point per year until such time as the Town pays ninety percent (90%) eighty percent (80%) of the premiums (effective July 1, 2019 2020). New regular full-time employees as of July 1, 2011 2012 shall pay ten percent (10%) twenty percent (20%) of the premiums. Regular part-time employees are eligible to purchase the Town's health insurance plans at their own expense. Employee contributions shall be on a pre-tax (per IRS Section 125) weekly payroll deduction basis.
- C. Dental Insurance. The Town shall provide regular employees with the ability to enroll in a dental insurance plan as may be determined by the Board of Selectmen. Employees may select single, two-person or family coverage, in accordance with the eligibility rules of the provider. For regular full-time employees as of July 1, 2011 2012, the Town shall pay ninety-nine percent (99%) eighty-nine percent (89%) of the premiums; and thereafter the Town's contribution will decrease by 1.1% per year (as of July 1) until July 1, 2019 2020, at which time the Town shall pay ninety percent (90%) eighty percent (80%). New regular full-time employees as of July 1, 2011 shall pay ten percent (10%) twenty percent (20%) of the premiums. Regular part-time employees are eligible to purchase the Town's dental insurance plans at their own expense. Employee contributions shall be on a pre-tax (per IRS Section 125) weekly payroll deduction basis.

"advisory only" on the end of the original Article.

Seconded: Selectman Hayes

Question: Allen Voivod wanted to know if this would be clear to the

average voter where the other Amendment failed on the

previous Article.

Selectmen Hayes stated that the Board of Selectmen has reviewed the Article and has made changes to the personnel

policy throughout the year and that it was a concern.

Motion to

Withdraw: Selectman O'Brien withdrew the Amendment.

Selectman Hayes

Seconded: Motion to

Amend: Selectman O'Brien made a motion to amend the Article as

written to read as follows:

"Shall the Town vote to have the Selectmen consider amending the Town of Gilford Personnel Policies to (1) change the maximum amount of a merit pay increase from 4% to 2%; and (2) require all full-time Town employees to pay 20% towards the cost of their health and dental insurance benefits by the year 2020, contingent upon similar terms and conditions being approved in all of the union contracts? (Not recommended by the Board of Selectmen by a

vote of 3 to 0)

Seconded: Selectman Hayes.

Discussion: Kevin Leandro asked if amendments to petition warrant articles

must come from the floor and not the Board of Selectmen. Selectman O'Brien explained that he is also a resident.

Bill Roderick wanted to know where the wording to the amendment

was going to be placed.

Selectman O'Brien said the Amendment was going to

change the wording. He was changing the word from direct

to consider and everything else would be deleted. Aichinger asked Atty. Mitchell if that would fall under changing the "subject" at the Deliberative Session? Atty. Mitchell explained that the original Article and the

Amended Article is advisory only but that the "subject" matter

was to amend the proposed personnel policy.

Moderator: With no other discussion the moderator called for a vote on

the Amendment.

The Amendment PASSED by a vote of YES: 64 NO: 9

The Moderator moved the Article as amended on the official ballot.

There being no other business before the Deliberative Session a second session would be held on March 13, 2012. Polling hours would be 7:00 a.m. through 7:00 p.m. at the Gilford Middle School.

Town of Gilford, New Hampshire Second Session Election Results March 13, 2012

The polls were readied with instructions in the booths and posting of sample ballots, instructions, and warrants. The 2011 Town Reports were available. Inspectors of Elections were Donna Mooney and Evelyn Bray. Ballot Clerks were Barbara Carey and Deputy Town Clerk, Jennifer Mooney. Sandra McGonagle, Moderator; J. Kevin Hayes, Selectman; Gustavo Benavides, Selectman; Denise Gonyer, Town Clerk and Kim Varricchio, School District Clerk were present.

The vote tabulator machine had been tested on Wednesday, March 7, 2012 at 2:00 p.m. in Conference Room A at the Gilford Town Hall. Ballots were counted at the same time and put into sets of 25 for Election Day. McGonagle, Gonyer and Mooney conducted the testing and the counting of the ballots. The testing of the machine confirmed with the hand tally and was found to 100% accurate.

The Inspectors of Elections were instructed to give a full set of ballots (two white town ballots and one yellow school ballot) to each voter. Moderator McGonagle had 2 registered voters (Donna Mooney and Valerie Chase) verify that the ballot boxes were empty and the elections results tape and counter both read zero. Moderator McGonagle declared the polls open at 7:00 a.m.

The Moderator gave Gonyer a receipt for 127 cast (absentee) ballots and 2,978 uncast (official) ballots. At 1:00 p.m. The Moderator, Varricchio, Mooney, Benavides and Gonyer began processing absentee ballots. At 3:15 p.m. all absentee ballots were processed.

At 7:18 p.m. the Moderator announced the polls closed, a couple voters were in the booth completing their ballots. When the booths were emptied McGonagle and Gonyer began running the results of the election on the Accuvote machine. The write-in votes were tallied and added to the official results.

The total number of registered voters at the opening of the polls was 5252; at the close of the polls 31 newly registered voters were added to the list for a total of 5283 registered voters. The total numbers of ballots cast were 1682 (including absentee ballots). The results ended with a 32% voter turnout.

Gonyer and Deputy Town Clerk-Tax Collector, Jennifer Mooney tested the Accuvote machine using 50 test ballots and prepared a hand tally of the results: The Accuvote machine results tested 100% for accuracy. Ballots were counted in Conference Room B at the Gilford Town Hall, put into sets of 25 and resealed for Election Day.

The zero tape was run on the Accuvote machine. Maurice and Suzanne Salmon, registered voters, inspected the ballot boxes and confirmed both boxes were empty. The Moderator instructed the voters to announce their name prior to entering the voting space and instructed the Inspectors to repeat the name back loud enough that the poll watchers may hear them. The polls were declared open at 7:00 a.m.

The ballots were counted and there were 2,454 Special Town Meeting Ballots. Deputy Town Clerk-Tax Collector, Jennifer Mooney and Assistant Town Clerk-Tax Collector, Danielle LaFond checked in voters and handed them a Special Town Meeting Ballots at the polls.

At the beginning of the election there were 5,178 voters on the checklist at the start of the polls. There were 30 new voters registered during the day. There were 2,244 ballots cast (including absentee ballots The 89 absentee ballots were processed at 1:00 p.m. The Moderator declared the polls closed after the last voter exited the polling place at 7:10 p.m. The tallies were prepared by the Moderator, Town Clerk-Tax Collector, Board of Selectmen, and Inspectors of Elections. At 8:00 p.m. the results were announced by the Moderator as follows:

ARTICLE 1: Shall the Town vote to authorize the Board of Selectmen to enter into a long term lease/purchase agreement for an amount not to exceed four hundred forty-one thousand eight hundred twenty dollars (\$441,820) payable over a term of ten years for a new fire engine to replace the 1987 Ranger Fire Engine #4, provided that no funds are required to be raised or appropriated during the current fiscal year for the first year's payment for that purpose. The estimated lease payments beginning in 2013 will be \$50,901 per year. (3/5 vote required) (Recommended by the Board of Selectmen 3 to 0) (Recommended by the Budget Committee 8 to 4)

YES - 1089 NO- 743*

*Note: (Article failed as it needed 3/5 vote for passage)

Town of Gilford, NH State Primary Election September 11, 2012

The State Primary Election was held on the above date at the Gilford Middle School gymnasium. Prior to the opening of the polls, Moderator, Sandy McGonagle, Town Clerk-Tax Collector, Denise Gonyer, and Deputy Town Clerk-Tax Collector, Jennifer Mooney tested the Accuvote machine, prepared a hand tally and reported the results to the Secretary of State. Ballots were counted in Conference Room B at the Gilford Town Hall, put into sets of 25 and resealed for Election Day.

Inspectors of Elections/Ballot Clerks, Diane Tinkham (D), Barbara Carey (D), Claire Stinson (R) and Catherine Edgar (R) were present. Assistant Town Clerk-Tax Collector, Sandra Beland was set up at the exit of the polling place for the undeclared voters that wished to return to an undeclared status after voting. The ballots were counted and the moderator signed a receipt for 1,871 Republican ballots and 798 Democratic ballots.

The zero tape was run on the Accuvote machine and the ballot boxes were inspected by registered voters Suzanne Salmon and Maurice Salmon; they confirmed the boxes were empty. The Moderator instructed the voters to announce their name prior to entering the polling area and instructed the Inspectors to repeat the name back loud enough that the poll watchers may hear them. The polls were declared open at 7a.m.

At the beginning of the election there were 5,359 voters on the checklist at the start of the polls. There were 30 new voters registered during the day and 370 voters returned to undeclared status. The absentee ballot process was started at 1:00 p.m. and concluded at 4:40 p.m. There were 1,819 ballots cast (including absentee ballots; there were 68 Republican absentee ballots cast and 24 Democratic ballots cast). The Moderator announced the polls closed at 7:10 p.m. .

The tally was done by the Moderator, Town Clerk-Tax Collector, Board of Selectmen, Deputy Town Clerk-Tax Collector and Inspectors of Elections. The results were read by the Moderator at 8:30 p.m. with the following results:

Town of Gilford, New Hampshire Minutes of Recount Election Results September 21, 2012

On September 14, 2012 Denise Gonyer, Town Clerk – Tax Collector, received a petition from 13 registered voters asking for a recount of Article 1 (Fire Truck) of the Special Town Meeting (STM) held on September 11, 2012 in conjunction with the New Hampshire State Primary. Gonyer set the date and time of the recount in accordance with RSA 40:4-c to be on September 21, 2012 at 8:00 a.m. in Conference Room B at the Gilford Town Hall and notified the Board of Recount (RSA 669:32). The meeting was posted as a public announcement on the Town's website and posted in the lobby of the Town Clerk – Tax Collector.

On September 21, 2012 Danielle LaFond, Assistant Town Clerk – Tax Collector was sworn in as Pro-tem Deputy Town Clerk-Tax Collector by Gonyer and Sandra McGonagle, Moderator to assist the Board of Recount in separating and counting of the STM ballots. At 8:00 a.m. the Board of Recount met in Conference Room B at the Gilford Town Hall. (The ballots were kept in the Town Clerk's fireproof vault sealed since the Special Town Meeting.) The Recount Board consisting of McGonagle, Gonyer, Selectman J. Kevin Hayes, Selectman Gustavo Benavides and LaFond.

McGonagle went over the rules for the recount process. 8:07 a.m. Gonyer unsealed the box that contained the marked STM ballots. At 8:10 a.m., McGonagle explained the process to be used by separating the ballots into Yes/No piles first. When the piles were all set, Gonyer showed the observer's that the box containing the ballots was empty.

McGonagle instructed Hayes and LaFond to group the No's into stacks of 25. She instructed Benavides and Gonyer to group the Yes's into stacks of 25 as well. McGonagle wanted everyone of the recount board to look over the ballots a second time when putting them into piles of 25 for any ballots they felt were not clearly marked.

While separating the ballots any ballots in question were set aside for the Moderator's determination. There were a total of 15 Yes ballots and 15 No ballots set aside. Members of the audience looked over the ballots in question and McGonagle made her decision based in the "intent" of the voter.

Total number of votes cast was 1832; (the amount needed for passage is 60%) **1832** \mathbf{x} **.60 = 1099 needed**. The final results of the recount were **1089 YES**/ **743 NO** exactly what the machine had originally calculated at the polls. Meeting adjourned at 8:47 a.m. The box was resealed and stored in the vault in the Town Clerk's office.

Respectfully submitted,

Jennifer Mooney Deputy Town Clerk/Tax Collector

2012 CONSTITUTIONAL AMENDMENT QUESTIONS

Constitutional Amendments Proposed by the 2012 General Court

1. "Are you in favor of amending the second part of the constitution by inserting after article 5-b a new article to read as follows: [Art.] 5-c, [Income Tax Prohibited.] Notwithstanding any general or special provision of this constitution, the general court shall not have the power or authority to impose and levy any assessment, rate, or tax upon income earned by any natural person; however, nothing in this Article shall be construed to prohibit any tax in effect on January 1, 2012, or adjustment to the rate of such tax." (Passed by the N.H. House 256 Yes 110 No; Passed by State Senate 19 Yes 4 No) CACR 13

YES 2487 NO 1541

2. "Are you in favor of amending article 73-a of the second part of the constitution to read as follows: [Art.] 73-a [Supreme Court, Administration.] The chief justice of the Supreme Court shall be the administrative head of all the courts. The chief justice shall, with the concurrence of a majority of the Supreme Court justices, make rules governing the administration of all courts in the state and the practice and procedure to be followed in all such courts. The rules so promulgated shall have the force and effect of law. The legislature shall have a concurrent power to regulate the same matters by statute. In the event of a conflict between a statute and a court rule, the statute, if not otherwise contrary to this constitution, shall prevail over the rule."(Passed by the N.H. House 242 Yes 96 No; Passed by the State Senate 19 Yes 5 No) CACR 26

YES 2042 NO 1881

Question Proposed Pursuant to Part 11, Article 100 of the New Hampshire Constitution.

In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Vactor Clubay & Company PC August 13, 2012

Presented here is the Management Discussion & Analysis Report for the Town of Gilford, NH, for the year ending December 31, 2011. Responsibility for both the accuracy of the data, and the completeness and fairness of this presentation (including all disclosures) rests with the Board of Selectmen. To the best of our knowledge and belief, the data contained herein is accurate in all material respects. We report this data in a manner designed to present fairly the Town's financial position and the results of operations of the various Town funds. All disclosures necessary to enable the reader to gain an accurate understanding of the Town's financial activities have been included.

The Board of Selectmen are responsible for establishing an accounting and internal control structure designed to ensure that the physical, data, informational, intellectual, and human resource assets of the Town are protected from loss, theft, and misuse, and to ensure that adequate accounting information is maintained and reported in conformity with generally accepted accounting principles (GAAP). The Board of Selectmen also strives to put these assets to good and effective use. We designed the Town's internal control structure to provide reasonable assurances that we attain these objectives.

Overview of the Financial Statements

The financial statements presented herein include all of the activities of the Town of Gilford using the integrated approach prescribed by GASB Statement 34.

It is our intention that this discussion and analysis serve as an introduction to the Town's financial statements. The financial statements are comprised of the following three components:

- 1. Government-Wide Financial Statements
- 2. Fund Financial Statements

3. Notes to the Basic Financial Statements

Government-wide Financial Statements

The government-wide financial statements provide readers with a broad overview of the Town's finances, in a manner similar to most private-sector companies.

The Statement of Net Assets presents information on all of the Town's assets and liabilities, with the difference between the two reported as net assets. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net assets changed during the most recent year. We take all of the current year's revenues and expenses into account regardless of when we receive cash in or pay cash out.

Fund Financial Statements

A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. One can divide all the funds of the Town into two categories: governmental funds and fiduciary funds.

We use governmental funds to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the year. Such information may be useful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund Balance Sheet and the Statement of Revenues, Expenditures and Changes in Fund Balances provide a reconciliation to facilitate this comparison between the governmental activities Statement of Net Assets and Statement of Activities.

The Town maintains numerous individual governmental funds. We present information separately in the governmental fund Balance Sheet and the Statement of Revenues, Expenditures and Changes in Fund Balances for the General Fund and Expendable Trust Funds. We combine data from all other governmental funds into a single, aggregate presentation.

The Town adopts an annual appropriation budget for its governmental funds. We provide a budgetary comparison for the General Fund to demonstrate compliance with this budget. The Town's only major governmental fund for 2011, with an adopted budget, is the General Fund.

Fiduciary funds are used to account for resources held for the benefit of parties other than the Town. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the programs of the Town of Gilford. The Town's fiduciary funds consist of agency funds.

Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Required Supplementary Information

The basic financial statements and accompanying notes are followed by a section of required supplementary information. This section includes a budgetary comparison schedule for the General Fund, the Town's only major governmental fund with an adopted budget, and includes reconciliation between the statutory fund balance for budgetary purposes and the fund balance as presented in the governmental fund financial statements.

Other Supplementary Information

Other supplementary information includes combining financial statements for nonmajor governmental funds and fiduciary funds.

Town of Gilford Activities

As shown in the above statement, there was an increase in the Town's total net assets of \$459,613. This increase is primarily attributable to a reduction in the outstanding balances of long-term bonds and capital lease agreements.

The general fund ended the year with an unassigned fund balance of \$3,645,140 or 36% of total general fund expenditures. In 2011 the town revised its fund balance policy to conform with GASB Statement 54, resulting in a redistribution of the fund balance into five newly defined segments which does not allow for easy comparison to previous years. Looking at the components of the fund balance based solely on the budget (Schedule 1 – Budgetary Basis), it declined \$172,706 from last year. This was due to the use of \$531,000 to minimize a tax rate increase due to a drop in overall property assessments. The use of these funds was offset in part by an unspent budget amount of \$340,232 and excess revenues of \$70,790.

The fund balances of the Non-major Governmental Funds increased by a total \$71,396 from the prior year, primarily a result of the creation of two special revenue funds for ambulance service and special details. There was also a significant increase in the fund balance of the sewer fund due to less than anticipated capital charges from the State of New Hampshire for upgrades to the treatment facility.

General Fund Budgetary Highlights

During the year, the original budget for appropriations and revenues did not change. The Town under expended its total 2011 budget by \$340,232. This resulted from conservative spending within the departments and lower costs than projected for contracted services. The most significant of these were capital outlay (\$54,939), general government (\$108,337), public safety (\$88,799), and solid waste (\$43,357). The Town also had a number of key positions that were vacant during portions of the year

resulting in reduced wage and benefit costs of approximately \$17,000. Actual revenues were greater than budgeted by \$70,790. This was primarily a result of charges for ambulance service and court fines being

TOWN OF GILFORD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS December 31, 2011

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Gilford, New Hampshire conform to accounting policies generally accepted in the United States of America for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

Financial Reporting Entity

The Town of Gilford, New Hampshire (the Town) was incorporated in 1812. The Town operates under the Town Meeting/Board of Selectmen form of government and performs local governmental functions authorized by State law.

The financial statements include those of the various departments governed by the Board of Selectmen and other officials with financial responsibility. The Town has no other separate organizational units, which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board (GASB).

Basis of Presentation

The Town's basic financial statements consist of government-wide statements, including a statement of net assets and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

1. Government-Wide Financial Statements:

The statement of net assets and the statement of activities display information about the Town as a whole. These statements include the financial activities of the primary government, except for fiduciary funds.

The statement of net assets presents the financial condition of the governmental activities of the Town at year end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the Town's governmental activities. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program and interest earned on grants that is required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the Town. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of the Town.

2. Fund Financial Statements:

During the year, the Town segregates transactions related to certain Town functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the Town at this more detailed level. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. The fiduciary funds are reported by type.

The Town uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Town employs the use of two categories of

Fund Accounting

The Town uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Town employs the use of two categories of funds; governmental and fiduciary.

1. Governmental Funds:

Governmental Funds:

Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental flund assets and liabilities is reported as fund balance. The following is the fown's major governmental fund assets and finabilities is reported as fund balance. The following is the fown's major governmental fund.

The General Fund is the main operating fund of the Town and is used to account for all financial resources except those required to be accounted for in another fund.

2. Fiduciary fund reporting focuses on net assets and changes in net assets. The fiduciary fund category is comprised of agency funds. Fund funds are used to account for assets held by the Town under a true agreement for individuals, private organizations, or other governments and are therefore not available to support the Town's own programs. The Town's agency funds consist of capital reserve funds of the Gilford School District and the Gunstock Acres Village Water District, which are held by the Town as required by State law. Other agency funds consist of developer's performance deposits.

All governmental funds are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship

Bushs of Accounting
Basis of accounting determines when transactions are recorded in the financial records and reported on the financial basis of accounting. Fiduciary funds also use the accrual basis of accounting. Fiduciary funds also use the accrual basis of accounting arise in the recognition. Differences in the accrual and the modified accrual basis of accounting arise in the recognition. Differences in the accrual and the modified accrual basis of accounting arise in the recognition of revenue, the recording of deferred revenue, and in the presentation of expenses versus expenditures.

In the government-wide financial statements, private-sector standards of accounting and financial reporting issued prior to December 1, 1989, and received in the extent which those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Busic. The Town has elected not to follow the FASB pronouncements issued subsequent to November 30, 1989.

1. Revenues - Exchange and Non-exchange Transactions:

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchanges takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available. Available means that the resources will be collected within the current year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current year for the form, available ansars expected to be received within shalt dops of year end.

Non-exchange transactions, in which the Town receives value without directly giving equal value in return, include property taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes are included thing requi

3. Expenses/Expenditures:

On the acrual basis of accounting, expenses are recognized at the time they are incurred.

The measurement focus of governmental fund accounting is on decreases in not financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of cost, such as depreciation and autoritzation are not recognized in governmental funds.

Bulgetary Data

The Town's budget represents functional appropriations as authorized by annual or special Town meetings. The Scienten may transfer funds between operating categories as they deem necessary. The Town adopts its budget under State regulations, which differ somewhat from accounting principles generally accepted in the United States of America in that the focus is on the entire governmental unit rather than on the basis of fund types.

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. For the year ended December 31, 2011, the Town applied \$331,000 of its unappropriated fund balance to reduce the property tax rate. All capital assets including infrastructure are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated capital assets are recorded at their fair values as of the date received. The Town maintains a capitalization threshold of \$5,000. The Town's infrastructure consists of sewer collection and treatment systems and similar items. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not.

The Town is not required to retroactively report its general infrastructure (e.g. roads, bridges, and sidewalks). Infrastructure records have been maintained effective January 1, 2004 and are included in these financial statements.

All reported capital assets except for land and construction in progress are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Useful lives for infrastructure were estimated based on the Town's historical records of necessary improvements and replacement. Depreciation is computed using the straight-line method over the following useful lives:

Description	Years
Intangible assets	100
Buildings and improvements	100-150
Vehicles and equipment	5-50
Infrastructure	50

Compensated Absences

Employees earn vacation and sick leave as they provide services. Dependent upon the department and years of service, employees earn vacation and sick pay at a rate of ten to twenty-five days per year. Upon voluntary separation of employment from the Town, employees shall be compensated for unused sick and vacation leave at current rates of pay.

For governmental fund financial statements, compensated absences are reported as liabilities and expenditures as payments come due each period upon the occurrence of employee death or retirement. The entire compensated absence liability is reported on the government-wide financial statements.

Accrued Liabilities and Long-Term Obligations

Except for the obligation for other post-employment benefits (see Note 2), all payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current resources are reported as obligations of the funds. However, compensated absences that will be paid from governmental funds are reported as liabilities in the fund financial statements only to the extent that they are due for payment during the current fiscal year. General obligation bonds, capital leases and other long-term obligations that will be paid from governmental funds are recognized as a liability in the fund financial statements when due.

Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding

balances on any borrowings used for the acquisition, construction or improvement of those assets. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors, donors, or laws or regulations of other governments.

The Town's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

Fund Balance Policy

During the year ended December 31, 2011, the Town implemented GASB Statement 54, Fund Balance Reporting and Governmental Fund Type Definitions. Statement 54 established new fund balance classifications and changes the definition of governmental fund types. Under Statement 54, the Town has segregated fund balance into five classifications; Nonspendable, Restricted, Committed, Assigned, and Unassigned. These components of fund balance are defined as follows:

- Nonspendable Fund Balance: Amounts that are not in a spendable form or are required to be maintained intact.
- Restricted Fund Balance: Amounts constrained to specific purposes stipulated by external
 resource providers or through enabling legislation. Restrictions may be changed or lifted only
 with the consent of the resource providers or by the enabling legislation.
- Committed Fund Balance: Includes amounts that can be used only for the specific purposes determined by a formal action of the Town's highest level of decision making authority (town meeting action). Commitments may be changed or lifted only upon the Town's highest level of decision making authority taking the same formal action that originally imposed the constraint. The town meeting actions must either be approved or rescinded, as applicable, prior to the last day of the fiscal year for which the commitment is made. The amount subject to the constraint may be determined in the subsequent period.
- Assigned Fund Balance: Amounts a Town intends to use for specific purposes. Intent can be
 expressed by the Board of Selectmen or by an official to which the Board of Selectmen delegates
 the authority. For all governmental funds other than the General Fund, any remaining positive
 fund balance is to be classified as "Assigned".
- Unassigned Fund Balance: Amounts that are available for any purpose; these amounts are reported only in the General Fund, except for any deficit fund balance of another governmental fund.

Spending Prioritizations

In circumstances where expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first. When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classification can be used, committed amounts should be reduced first, followed by assigned amounts then unassigned amounts.

Minimum Fund Balance

The Town's fund balance policy mandates the Town maintain a level of fund balance between 5% and 17% of the sum of the Town's annual budget plus the school and county appropriations in accordance

with the recommendations of the NH Department of Revenue Administration and the general accepted accounting practices recommended by the Government Finance Officers Association.

To avoid the need to issue Tax Anticipation Notes, the Town shall retain a sufficient amount of unassigned find balance in order to provide an apportate level of cash reserves for Town operations and its obligations to the school district and county. This amount shall also include funds necessary to manage unanticipated energencies as defined by RSA-32:11.

A nominal amount of the unassigned fund balance shall be used to stabilize the municipal portion of the tax rate. This amount shall reloct a minimal sum anticipated annually, resulting, from unexpended appropriations and unanticipated revenues. This nominal amount, in excess of the cash reserves noted in the previous paragraph, is established at \$200,000.

Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures' expenses in the purchaser funds. Plows of cash or goods from one fund to another without a requirement for regardment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds. Repayments from funds responsible for particular expenditures' expenses to the funds that initially paid for them are not presented in the financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include depreciation expense and the allowances for uncollectible taxes and accounts receivable.

NOTE 2—STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Other Post-Employment Benefits Other Than

Under State law, the Tax Collector obtains tax liens on properties which have unpaid taxes in the following calendar year after taxes were due for the amount of unpaid taxes, interest and costs. These priority tax liens accrue interest at 18% per annum. If the property is not redeemed within a two year redemption period, the property may be tax deeded to the Town.

In accordance with State law, the Town collects taxes for the Gilford School District, Belknap County, and Gunstock Acres Village Water District, independent governmental units, which are remitted to them as required by law. The Town also collects State of New Hampshire Education taxes, which are remitted directly to the school district. Total taxes appropriated during the year were \$18,383,449, \$2,337,226, and \$23,562 for the Gilford School District, Belknap County, and Gunstock Acres Village Water District, respectively. These taxes are not recognized as revenues in these financial statements. The Town bears responsibility for uncollected taxes.

NOTE 4—RISK MANAGEMENT

The Town is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year ended December 31, 2011, the Town was a member of the New Hampshire Public Risk Management Exchange (PRIMEX). The Town currently reports all of its risk management activities in its General Fund. The Trust is classified as a "Risk Pool" in accordance with accounting principles generally accepted in the United States of America.

The Trust agreements permit the Trust to make additional assessments to members should there be a deficiency in Trusts assets to meet its liabilities. Accounting principles generally accepted in the United States of America require members of pools with a sharing of risk to determine whether or not such assessment is probable and, if so, a reasonable estimate of such assessment. At this time, the Trust foresees no likelihood of an additional assessment for any of the past years. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. Based on the best available information there is no liability at December 31, 2011.

Property and Liability Insurance

PRIMEX provides certain property and liability insurance coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. As a member of PRIMEX, the Town shares in contributing to the cost of and receiving benefit from a self-insured pooled risk management program. For the year ended December 31, 2011, the Trust retained \$500,000 of each loss, up to an aggregate of \$5,000,000. Each property loss is subject to a \$1,000 deductible. All losses over the aggregate are covered by insurance policies.

Worker's Compensation

PRIMEX provides statutory worker's compensation coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. The Trust is self-sustaining through annual member premiums and provides coverage for the statutorily required workers' compensation benefits and employer's liability coverage up to \$2,000,000. The program includes a Loss Fund from which is paid up to \$500,000 for each and every covered claim.

NOTE 5-DEPOSITS AND INVESTMENTS

The Town has combined the cash resources of its governmental funds. For accounting and reporting purposes, that portion of the pooled cash balance is reported in the specific fund as an interfund balance.

Deposits and investments as of December 31, 2011 are classified in the accompanying financial statements as follows:

Cash on hand	\$	3,567
Deposits with financial institutions	8.	22,863
Investments	10,9	47,942
	\$ 11,7	74,372

The Town's investment policy for governmental funds requires that deposits be made in New Hampshire based financial institutions that are participants in one of the federal depository insurance programs. The Town limits its investments to United States Obligations, money market deposit accounts, certificates of deposit, repurchase agreements collateralized by U.S. Government Securities, reverse repurchase agreements, or the New Hampshire Public Deposit Investment Pool (NHPDIP), an external investment pool in accordance with New Hampshire State law. Responsibility for the investments of the Trust Funds is with the Board of Trustees.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Town's investment policy regarding credit risk is to minimize credit risk by limiting its investments to the safest types of securities, and diversifying the portfolio.

TOWN OF GILFORD, NEW HAMPSHIRE NOTES TO REQUIRED SUPPLEMENTARY INFORMATION December 31, 2011

NOTE 1—BUDGET TO ACTUAL RECONCILIATION

General Fund

Amounts recorded as budgetary amounts in the Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual (Budgetary Basis) – General Fund (Schedule 1) are reported on the basis budgeted by the Town. Those amounts differ from those reported in conformity with accounting principles generally accepted in the United States of America in the Statement of Revenues, Expenditures and Changes in Fund Balances – Governmental Funds (Exhibit D). Property tax budgetary revenues are recognized when levied rather than when susceptible to accrual. Budgetary revenues and expenditures were adjusted for non-budgetary activity, budgetary transfers in and out, encumbrances, on-behalf payments for fringe benefits, and capital lease proceeds as follows:

	Revenues and Other	Expenditures and Other
	Financing	Financing
	Sources	Uses
Per Exhibit D	\$10,302,133	\$10,215,080
Difference in property taxes meeting		
susceptible to accrual criteria	(153,032)	
Non-budgetary activity	(115,506)	(185,759)

Regular meetings of the School Board First Monday of Each Month 6:00 P.M. – Gilford Elementary School

2012 Deliberative Session Minutes Gilford School District Deliberative Session "First Session" February 8, 2012

At 7:00 p.m. John Cameron, School District Moderator, opened the Deliberative Session. There were approximately 160 voters in attendance. John Cameron introduced the officials: Dick Hickok, Budget Committee Chair; Kimberly Varricchio, School District Clerk; Kurt Webber, School Board Chair; Paul Blandford, School Board Vice-Chair; Rae Mello-Andrews, School Board Clerk; Karen Thurston, School Board Member and Sue Allen, School Board Member.

The Moderator also introduced the following who were present in the audience representing the school district: Kent Hemingway, Superintendent; Scott Isabelle, Assistant Superintendent for Business; Robert Pederson Interim Principal of Gilford High School; Marcia Ross, Principal of Gilford Middle School; Kara Lamontagne, Interim Principal of Gilford Elementary School; Peter Sawyer, Assistant Principal at Gilford High School and Gordon Graham, School District Attorney.

The Moderator led the Pledge of Allegiance and then explained the ground rules for the meeting.

ARTICLE II General Budget Funds

Shall the Gilford School District vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Twenty Four Million, One Hundred Forty Two Thousand, Six Hundred Fifteen Dollars (\$24,142,615)? Should this article be defeated, the default budget shall be Twenty Four Million, Four Hundred Sixty Nine Thousand, Six Hundred Seven Dollars, (\$24,469,607), which is the same as last year, with certain adjustments required by previous action of the Gilford School District, or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Note: This warrant article (operating budget) does not include appropriations in ANY other warrant article. (Majority vote is required)

Recommended by the School Board 5-0 Recommended by the Budget Committee 10-2

Moved by: Dick Hickok

Seconded by: Rae Mello-Andrews

Dick Hickok stated that the Budget Committee is in agreement with the school board. Dick noted that the budget is \$327,000 or 1.1% lower than the prior year's budget.

Barbara Aichinger spoke against the article and made an amendment to reduce budget by 3% (\$724,278.45) to \$23,418,336.55. A paper ballot was requested.

Skip Murphy seconded the amendment.

Kurt Webber stated that we had \$700,000 in increases that we had no control over and the budget is \$300,000 less than last year which represents a sizable decrease.

Joe Wernig spoke against the amendment and noted the quality of education the students of Gilford receive.

Lisa DiMartino spoke in favor of the budget and fears that any additional cuts will hurt the students of the District.

Barbara Aichinger cited that home values have decreased by 1.4% and that a rise in the tax rate would cause the assessment and home value to drop.

Dave Horvath inquired if any staff would receive pay scale increases.

Kent Hemingway responded that there are no step or percent increases for Support Staff. There is an education attainment that applies to 6 teachers.

A vote was taken by written ballot. There were 159 votes cast – 18 in favor 141 in opposition. The Amendment was defeated

Joe Wernig moved to restrict reconsideration on Article II. The motion was seconded by Rusty Ross.

A voice vote was conducted and the motion passed.

ARTICLE III Collective Bargaining Agreement

Shall the Gilford School District vote to approve the cost items included in the collective bargaining agreement reached between the Gilford School Board and the Gilford Education Association which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase		
2012 – 2013	\$ 0		
2013 – 2014	\$ 191,210		

And further to raise and appropriate no additional funds for the upcoming fiscal year, such sum representing the fact that there are no additional costs attributed to salaries and benefits required by the new agreement over those that would be paid at the current staffing levels and in the current fiscal year? (Majority vote is required)

Recommended by the School Board 5-0 Recommended by the Budget Committee 6-5-1

Moved by: Paul Blandford Seconded by: Sue Allen

Sue Allen stated that the Collective Bargaining Agreement negotiated between the teachers and the Gilford School Board represents a two year contract agreement. The first year of the contract includes no salary increases for teachers. This is consistent with all other employees in the school district. No employees working in the school district next year will receive a salary increase. In the second year of the agreement, teachers will receive a 1% salary increase plus step. The teachers also agreed to form a Health Insurance Committee to look at possible alternatives to the current health insurance plans offered by the school district. Both the teachers and the school board acknowledge that something must be done to address the rising costs of health insurance.

There was no discussion on this article.

Warrant Article IV: Authorization for Special Meeting on Collective Bargaining Agreement Warrant Article Rejected or Amended at Annual Meeting

Shall the School District, if Article III is defeated, authorize the governing body to call one special meeting, at its option, to address Article III cost items only? (Majority vote is required)

Recommended by the School Board 5-0

Moved by: Sue Allen

Seconded by: Karen Thurston

Sue Allen stated that this warrant article asks the voters of Gilford to authorize the governing body to call one special meeting to address the cost items in the teachers' contract should the proposed cost items in Article III be defeated at the voting session in March.

There was no discussion on this article.

Warrant Article V: Gilford Middle School and High School Occupancy Light Sensors

Shall the School District vote to raise and appropriate the sum of seventy four thousand, six hundred and seventy dollars (\$74,670) for the installation of energy efficient occupancy light sensors at Gilford Middle School and Gilford High School? (Majority vote is required).

Recommended by the School Board 5-0 Not Recommended by the Budget Committee 2-10

Moved by: Karen Thurston Seconded by: Paul Blandford

Karen Thurston stated that the school board continuously looks at ways to reduce our operating budget. This warrant article focuses on the rising cost of electricity in two of our schools.

Several years ago the school district was successful in gaining voter approval to convert the high school from an electrical heating system to a more cost effective heating system. In the same spirit of trying to reduce our consumption of electricity, the school board is bringing forth this warrant article to gain voter support for the installation of energy efficient occupancy light sensors in the high school and middle school facilities.

The system, if approved, will be set up to turn lights off automatically in the school hallways and classrooms when the rooms are not being occupied. Although the Budget Committee has chosen to not recommend the warrant article at this time, the school board is recommending this article.

Kevin Hayes inquired as to the pay back on this investment.

Tim Bartlett replied that it's estimated at a 3.5 to 4 year time period.

Dick Hickok stated that the Budget Committee didn't recommend this article but said it was a nice to have item but felt the estimates are optimistic and didn't feel it would pay back in 4 years.

Dave Horvath stated that the Budget Committee didn't get a definitive answer when they had inquired to the pay back and felt this might not be the right time to look at this.

Kevin Leandro spoke against the article.

There being no further discussion, the Moderator moved to the next Article.

ARTICLE VI Citizen Petition

Shall we adopt the policy that all district non union employee contracts be approved by the voters? (Submitted by Petition) (Majority vote is required).

Not Recommended by the School Board 5-0

Moved by: Barbara Aichinger Seconded by: Skip Murphy

Kurt Webber stated that the hiring of employees and negotiating non-union employee contracts are the exclusive responsibility of the Superintendent and the school board. There are approximately 130 non-union employees in the Gilford School District. This includes secretaries, custodians, paraprofessionals, administrators and food service workers. This article gives the appearance that the taxpayers would vote on all 130 individual contracts. Also a concern is that if employees are hired after the voting session in March, their contracts would be contingent upon the vote at the next March voting session. It is very unlikely that anyone would accept a job in the district not knowing if their position would be formally approved by the voters up to a year later.

Maurice Rodrique asked how this article saves the taxpayer money?

Barbara Aichinger stated the objective was to add more transparency.

Paul Blandford stated that the Right-to-Know Law allows anyone to request information at anytime. We have a very experienced SAU staff but we have a much greater level of experience in our SAU than the other districts that were compared in a recent survey.

Sydney Leggett spoke against the Article.

Gordon Graham stated that this is an advisory only article. All contracts are subject to the Right-to-Know.

Allen Voivod made a motion to amend Article VI to read "Shall we advise the school board to consider a policy whereby all District non-union employee contracts be approved by the voters?"

The motion was seconded by Fred Butler.

Skip Murphy questioned the legality of changing the article.

Attorney Graham clarified that the RSA limits the ability to change the subject matter as no warrant article can be amended to eliminate the subject matter. The change in wording does not change the issue of non-union contracts.

Dale Dormody spoke against the amendment as the Article is simply advisory.

Dave Horvath spoke against the amendment.

Allen Voivod stated that he feels it is confusing as worded which is why he proposed the amendment.

The motion passed by a "person standing count."

ARTICLE VI I Citizen Petition

Shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14?

(Submitted by Petition) (3/5 Majority vote is required).

Not Recommended by the School Board 5-0

Moved by: Barbara Aichinger Seconded by: Skip Murphy

Barbara Aichinger stated the objective of the Article is to try to propose a default budget that is lower than the budget to give the voters some choice.

Kurt Webber stated that the school board unanimously does not recommend this article. The school board, not Budget Committee is legally responsible for all contractual obligations. These may include contracts such as special education services included in a child's IEP, negotiated agreements with teachers, facility maintenance contracts, etc. The school business administrator reviews every line in the school district budget to determine what contractual or one time expenditures should be added or reduced from the default budget. This is then formally approved by the school board and reviewed in detail with the Budget Committee on an annual basis. The Budget Committee has cooperatively developed this process since the beginning of SB2 procedures. If there are any questions raised regarding the default budget, the school district contacts the NH Department of Revenue Administration to clarify any concerns raised.

Joe Wernig asked for clarification regarding the budget committee support of this article.

Dick Hickok replied that the Budget Committee did not vote on these articles.

Skip Murphy said the budget committee has had issues with specific items that have been put into the default budget.

Dick Hickok stated that the even though the RSA spells it out, it's left to a lot of interpretation and he thinks that's what Skip is implying. There may be areas that the Budget Committee would have left out which were included.

There being no further discussion on the Article, the Moderator moved to the next Article.

ARTICLE VI II Citizen Petition

Shall we adopt the provisions of RSA 32:5-b, and implement a tax cap whereby the governing body (or budget committee) shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised, by more than 0%? (Submitted by Petition) (3/5 Majority vote is required).

Not Recommended by the School Board 5-0

Moved by: Barbara Aichinger Seconded by: Skip Murphy

Barbara Aichinger stated that this is the first year that towns can have tax caps. This allows a hard stop to put a limit on the money raised from taxation.

Kurt Webber stated that the school board did not support this Article. He stated that it would hamstring the district by forcing it to potentially make cuts in critical education functions if any of the outside funding sources should decrease.

Gordon Graham stated that in a town or district, it limits the amount of the dollar figure that's raised by taxes in the community. The school district could not propose an amount that exceeded the previous year. It will never be able to go up.

Kurt Webber stated that if the boiler went, we would have to make other cuts in the school budget to pay for the boilers.

Barbara stated that this forces the school district to live within its means.

Skip Murphy spoke in favor of the Article and stated that the school board budgets have been reasonable and the present school board has kept the costs reasonable but has not been so in past years.

Lynn Rowson stated that there are different means for different people. She doesn't want our children's education to suffer. As prices go up we need to adjust

Corey Nazer stated that if you don't like the way the Budget Committee is doing their job then vote them out.

Doug Lambert spoke in favor of the Article.

Attorney Graham clarified that the legislative body can override the tax cap. The question is what you can propose for a budget and the mechanism. The difficulty is in making the proposal. If you have a boiler that's necessary and the school board wants to put that out on a separate warrant article, if they are going to put that on a separate warrant article, they have to make a cut in the operating budget. If there is a change in the funding by the State or if the legislator makes a change in adequacy funding and we

are going to get less adequacy, the board will have to reflect that cut in its proposed budget.

Evans Juris inquired if we change the 0 to 100% would that leave it the way it is now?

Attorney Graham stated that would allow the amount of the budget to be double what it is now. Legally you would still have a tax cap but it would have a lot of room in it.

Evans Juris asked the school board what cap they could live with.

Kurt Webber replied that the board doesn't think any type of cap is needed.

ARTICLE IX Citizen Petition

Shall we change the School District's date for elections and the second session from the second Tuesday in March to the second Tuesday in May, which would change the date for the first session to a date between the first and second Saturdays after the last Monday in March, inclusive? (Submitted by Petition) (Majority vote is required).

Not Recommended by the School Board 5-0

Moved by: Barbara Aichiner Seconded by: Skip Murphy

Barbara Aichinger stated that moving the date would be in the best interest of the voters to get more participation.

Kurt Webber stated that the school board unanimously does not recommend this Article. Delaying the vote on the budget to May will limit the school district's ability to recruit and hire new staff. Traditionally, schools recruit their staff after the voters approve the school budget in March. If the school board has to wait until May, the best candidates will be under contract with other districts. Also, a May vote severely restricts competitive bidding for summer maintenance work because most contractors bid on projects in early March and April so that they can plan out their summer work. If the school district cannot advertise and secure a bid soon after the March meeting then they may have missed the window of opportunity to get the best possible bid price costing the town more money.

At 9:00, there being no further business to come before the meeting, the Moderator declared the meeting adjourned to March 13, 2012.

Respectfully submitted,

Kimberly Varricchio School District Clerk

2012 REPORT OF THE SCHOOL BOARD CHAIR

This has been an excellent year for the Gilford School District. We have completed our "District Wide Long Range Strategic Plan". This plan was developed with the help of many community and school district members. The complete plan can be reviewed on the district web site.

We have hired two new principals. Peter Sawyer, longtime GHS assistant principal, has advanced to the principal position at the high school. Danielle Bolduc comes back to the Lakes Region from the Oyster River School District to lead Gilford Elementary School. Anthony Sperazzo, former GMS physical education teacher and interim assistant now serves as our GHS assistant principal. Also, Scott Laliberte returns to Gilford from Moultonborough as our Director of Curriculum and Instruction. With these hires we are fully staffed and looking forward to many years of stability in our Leadership Team.

The Gilford School District received many awards and recognitions in the past year. We were named one of the top 12 schools in New Hampshire by US News and World Report. Our GHS students enrolled in Advanced Placement courses through the College Board earned national Honor Roll stature, one of only three NH high schools. The Gilford School Board was recognized by the National School Boards Association with an honorable mention for "Developing 21 Century Learning with Digital Devices". This was given in acknowledgement of the new board policy, allowing mobile devices for instructional purposes in the classroom.

The district has updated its infrastructure by replacing boilers in all school facilities. This move is dramatically increasing efficiency and lowering our fuel oil usage.

r

Thank you to the Meadows Committee for presenting a long range plan for development of the Meadows property. The plan has taken many years to develop and is expected to be paid for through fund raising and no increased tax burden.

We have had excellent accomplishments in our music, drama, athletic and of course academics. We have a wonderful student body that truly participates in both the school community as well as the Gilford community at large. Student Council and Interact hosted the first annual "Senior" Prom, with local senior citizens decked out in gowns joining GHS students for a dinner and dance last spring.

On behalf of the Gilford School Board, I would like to thank the faculty, staff and administrators for their efforts to provide a top notch education to our students in 2012. We look forward to 2013 and more continued success.

Respectfully submitted,

Paul R. Blandford, Gilford School Board Chairman

GILFORD ELEMENTARY SCHOOL PRINCIPAL'S REPORT 2012

"There's No Place Like Home" seems to be a theme running through GES this year. Starting with our bicentennial celebrations in Gilford, to our Halloween Parade with characters from Wizard of Oz to our One School, One Book, The Seven Wonders of Sassafras Springs by Betty G. Birney. We are reminded of the special place we all call home, Gilford Elementary School.

Our yellow brick road starts with our dedicated staff. Just as *Glenda* (the good witch) gave Dorothy the Ruby Slippers to start her off right on her journey, each staff member

does the same for our students. GES welcomed two new members to our faculty in August. Liz Fiore joined us as our new guidance counselor and Melody Chase is our new Physical Education teacher. Ms. Rebecca (Higgins) Bedard has worked as a long-term substitute in grade four and is now one of our 4th grade teachers. Also, Kathleen Genovese is our newest addition to the Title 1 teaching staff. I am humbled by the depth of our committed teachers who contributed to the educational achievements of our students this year.

GES continues to promote the establishment of Professional Learning Communities among the staff

with the purpose of collecting, analyzing, and assessing data to guide instructional practices and improve student achievement. Grade level teams meet once a week for 90 minutes.

Along our path through school, we start with our 5 full day classrooms of Kindergarten. Kindergarten is our students' first formal school experience where community and a love for learning are fostered. Students establish good work habits and a cooperative spirit as they learn the foundations of literacy and numeracy.

In collaboration with the school counselor, our "Lion"; we focus on pro-actively teaching social skills and provide children with the courage, skills and language to navigate their social world. Is this a small problem or a big problem? This year children met Kelso the frog and learned all about Kelso's Choices! Kelso's Choices help children learn how to solve small problems without asking for help from an adult or tattling. We discussed the difference between big problems, that are dangerous, scary, and could hurt you, and small problems that just annoy you and can make you angry or sad.

As "scarecrow" searched for knowledge, so do our learners. Instruction throughout GES is child centered and focused on meeting the individual needs of our learners. Our teachers stress thinking skills and problem solving in mathematics; reading for interpretation and meaning in a variety of genres and in all subject areas; expository and creative writing that is thematically developed, well-constructed, and able to capture the reader's interest; investigative learning in science; and understanding the world around us through relevant research and project design. In addition, the integration of technology with all aspects of the curriculum has enhanced our students' learning experiences. Many staff have an iPad for their use and student use. We have a computer lab of netbooks, and an additional lab of iMacs. We also have netbooks and iPads that can be signed out and used in the classroom. We adhere to the belief that children at the elementary level learn best when they construct meaning on their own, work in heterogeneous cooperative groups, and develop strategies for independent problem solving.

Driven by the belief that involved students are successful students, we offer a rich variety of options for students to get involved. Our extensive Student Council sets a positive tone for our building—school spirit, community service, and positive social interactions. Extended Day Program, Summer Camp Program, and After School Enrichment programs continue to provide a wide variety of enriching learning experiences for students. The costs of the programs

are typically offset by revenues and make for wonderful programming alternatives for working families. Staff fundraising initiatives and district grant writing make scholarships available for any and all students who might otherwise not participate.

Our "Tin Man" is represented by our parents and community partners. They are the love and HEART of our school. We are thankful for their generosity. I would like to take this opportunity to thank our parents and other members of the GES community for the generous donations of time and for support.

- Our PTA sponsors many fundraising events as well as provides a new series of parent information nights, such as internet safety, drug and alcohol awareness and curriculum updates.
- GES Volunteer Steering Committee is a group of GES parents who coordinate volunteer efforts at the school such as Clean up Days, Walk to School, Family Game night, and Book Bingo.
- Plymouth State University and University of New Hampshire collaborates with our teachers in bringing excellent instructional strategies and learning opportunities to our students.
- Our School Resource Officer, Holly Harris works closely with us in supporting students and educating families.
- Our local fire and police departments attend monthly safety meetings and work with us in

- helping to educate students around safe, positive behaviors.
- GES was fortunate to be awarded two GEEF mini grant awards. The first grade team has been working on a project involving GPS devices and Google Earth to enhance use of the Nature Trail behind GES. The Prescott Farm Environmental Education Center will collaborate with GES staff to provide trail, tracking, mapping, and biological inventory activities. The other grant involves using NXT LEGO kits. GES 4th grade students will have an opportunity to explore scientific, mathematical and design concepts through a challenging project based curriculum.

Gilford is a very unique place and I am excited to continue our important work of building a strong foundation for all students. I look forward to traveling down this yellow brick road into 2013 and beyond.

Respectfully submitted, Danielle Bolduc, GES Principal

Somewhere Over the Rainbow.....

GILFORD MIDDLE SCHOOL PRINCIPAL'S REPORT 2012

The 2012 school year began and ended with amazing showcases of school and community talent. "Seussical Jr." was staged in the GHS auditorium on January 19, 20, and 21. "The Little Mermaid Jr." was presented on December 13, 14, and 15. Both shows were double cast with each cast appearing in two of the four performances. A "sneak preview" of "The Little Mermaid Jr. included an audience of all the students at GMS and GES. In addition, the Gilford Parks and Recreation Department collaborated with the cast to offer a 'dinner and a show" for senior citizens on the evening of the December 12 dress rehearsal. Both of these productions owe their success to the commitment of staff, students and parents.

Throughout the school year, the GMS Volunteer Committee and numerous parent and community volunteers provided a variety of services in support of students and teachers. Monthly meeting s of the Volunteer Committee focused on growing parent involvement and providing classroom and school-wide support. Volunteer support made numerous activities possible including the field day lunch, Moving Up Day, field trip supervision, and November college-focused activities. We are fortunate to have a dedicated group of volunteer coordinators and large numbers of thoughtful and dedicated parents.

The GMS school climate and culture continues to grow from the "3Rs and a C" philosophy – developing respectful, resourceful, responsible, and confident learners. After reviewing and discussing data on student work completion and attitudes, GMS has initiated a renewed school-wide focus on developing student work habits, attitude, and motivation. (WHAM) Focusing on the importance of work completion to learning and work success, a coordinated school-wide strategy was introduced in September, The strategy includes inschool and after school work sessions, parent involvement, increased student responsibility by grade level and WHAM lunches with the Principal. Data is also being collected on student work completion school-wide. Plans for future interventions will be made based on this data and actual experiences of the students and teachers.

Building and maintaining a positive environment for learning involves the work of many people at GMS; including School Resource Officer Holly Harris. "Officer Holly" is a regular presence at GMS coordinating DARE instruction for students in grade five, supervising daily drop-off and pickup, and working with staff, students, and families on complicated issues. During the month of October, she also helped to focus a spotlight on bullying prevention in daily announcements, lunchroom conversations, and monthly meetings. GMS students were encouraged to consider their own behaviors and to report issues affecting them and their peers. Orange wrist bands promoting taking action to "band together against bullying." were also made available for sale with proceeds to benefit the DARE program.

"Courage to Care" instruction was also initiated at GMS in 2012. This research- based instructional curriculum developed by UNH Cooperative Extension's Dr. Malcolm Smith, Dr. Rick Alleva, and Extension Family and Consumer Resources Educator Thom Linehan is designed to develop positive school culture and climate among middle school students. GMS counselors Chantelle Moynihan and Beth Zimmer completed the required training and

worked with GMs instructors to introduce the program to grade eight students in December. It was agreed that providing this training for students in grade eight would be positive for them, GMS, and also as these students become part of the GHS community. Future plans include an instructional series in grade 6 in the spring of 2013.

The GMS Summer Mathematics Program concluded a successful third year of instruction on August 17. This year's sessions ran Monday-Friday. Interested students entering grades 5-9 were enrolled in skill appropriate sessions. Each session consisted of individually focused instructional time using the web-based ALEKS math program, opportunity for direct instruction and group activities focused on application of math skills. A total of 62 students took advantage of this opportunity, exceeding last year's enrollment by 15.

Scholar Leaders Jordan Dean, grade 8 and Catherine McLaughlin, grade 7 were selected by their teachers to be honored at the 13th Annual Scholar Leader Dinner sponsored by the New Hampshire Association of Middle Level Education and the New England League of Middle Schools on May 31st. Recognized for their scholarly efforts and citizenship, Jordan and Catherine, their parents, and guest teachers of their choosing were among the hundreds of guests who enjoyed a wonderful evening focused on successful young adolescents. Mrs. Ross and Mr. Sperazzo also enjoyed this evening of recognition and celebration.

At its Annual Dinner on May 3, the New Hampshire Association of Middle Level Education (NHAMLE) recognized Rosanne Sheridan for her understanding of and commitment to young adolescents. Nominated by Principal Ross, Rosanne was celebrated for her contributions to the health and wellness of our middle level learners. Rosanne was also recognized for 33 years of service to the Gilford School District. Family members and GSD colleagues joined Rosanne and honorees from other NH districts for this wonderful middle level celebration.

In closing, it is important to note that the GMS community is made up of many kind and giving students, families, and staff members. Prior to Thanksgiving, the GMS Student Council sponsored a fundraiser and school supply drive to benefit the students of the hurricane-ravaged Francis X. Hegarty School in Island Park, N.Y. GMS students and staff members raised \$390.00 with a hat day and collected 6 boxes of school supplies. In December, the GMS holiday food drive surpassed all expectations with contributions of over 3,500 items of food and \$500 raised through student activities. These donations provided support for families in need in our community and those served by food pantries in the area. Thank you to everyone who made a difference with a contribution to these efforts.

Respectfully submitted, Marcia Ross, GMS Principal

GILFORD HIGH SCHOOL PRINCIPAL'S REPORT 2012

Gilford High School Annual Report – A Nationally Recognized High School

The October 1, 2012 enrollment (our official count for the Department of Education purposes) at Gilford High School (GHS) was 522. This school year we welcomed two new members to our faculty; Nicole Conner in Math and Jillian Egan in Science. We are very fortunate to have attracted these talented teachers to our staff.

We are often lauded for what I like to call our "bookends." These would be our very talented Performing Arts Department and, on the other end of the building, our very successful Athletic Department. However, it is what is between the two bookends that is most important; academic achievement. This year we were recognized in the *US News & World Report*, nationally, for academic achievement in math proficiency, reading proficiency, college readiness, and Advanced Placement (AP) program. Our average AP scores in English, Psychology, US History, Calculus, Biology and Chemistry continue to be higher than state, national and global scores. We were only one of thirteen schools in the state to receive national recognition. The national report also ranked us tied for seventh among public high schools in the state.

This summer we ran our third, and most successful to date, "Jump Start" program for incoming freshmen. This orientation-to-high school program gives GHS the opportunity to have our freshmen acclimate to high school. It also allows them to meet with their advisors to begin the mentor relationship with an adult prior to the start of the school year. Students also incorporated technology, specifically iPads, as part of their orientation. More than 90% of the freshmen attended this summer's program.

restriction the restriction that the restriction

Special individual recognition goes to Brian Burns who was awarded a Gold Key by the New Hampshire region of the Scholastic Art & Writing Awards, Middle/High School Voices and the National Writing Project in New Hampshire (only fifteen Gold Keys were awarded in the state). Also earning Gold Keys (in Scholastic Art Awards) were Danica Baxter, Bryson Eddy, Derek Guay, Brett Hanson, Mikaela Mattice, Aubrey Spooner, Paige Henderson, and Marissa Hilton. One of students, Michael Czerwinski, published his novel, *Risen*, this fall and one of our faculty, Scott Hutchison, had his story, *Earthshine*, nominated for "Best of the Web Awards" for 2012.

GHS continues to be involved in many community service efforts whether it is a club such as Mrs. Laliberte's Interact Club who put on a senior citizen dinner for 100 Gilford Citizens or the Varsity Club where they raised over \$7000 for breast cancer research, or as an advisory where Ms. Barksdale's advisees raised money for the high school's student-in-need account, or as an individual where junior class member, Jack Athanas raised money for the victims of Hurricane Sandy.

Our "bookends" continue to perform above expectations. From the Performing Arts Department, GHS was well represented at the All-New England Choral and Band Festivals; Katie McCutcheon (flute), Danielle Janos (clarinet), Hayley Graton (bassoon), David Weisberg (trumpet), Roland Dubois (tenor voice) and Kendra Eldridge (soprano voice) were all selected to represent the state of New Hampshire. Also, directors Matt Finch, Scott Piddington, Lyvie Beyrent and Denise Sanborn led an extremely talented group of students in this year's Fall Musical, *Into the Woods*.

Our athletic program took home four state championships in 2012. Last winter saw both the boys and girls Alpine Ski Teams take first place. This fall had our volleyball team take its second consecutive state championship where Charlene Panner was named the Division II Player of the Year. In its first year, the Unified Soccer team won the state championship. "Unified Sports" is a new program begun by the New Hampshire Inter-Scholastic Athletic Association (NHIAA) that puts both NHIAA and Special Olympic athletes on the same playing field competing against other schools. The NHIAA will offer soccer, basketball and track/field as the new unified sports. GHS also had three of its coaches named coaches of the year; Joan Forge (varsity softball), Dave Rogacki (varsity field hockey) and Amy Tripp (junior varsity volleyball).

Finally, I would like to take this opportunity to thank all of our parents and other members of the GHS community for your generous donations of your time and for your support. I cannot imagine that there are many people who are fortunate enough to become principal of their alma mater so I would like to thank you for your faith in me. I could not live and work in a better community. Thank you.

Respectfully submitted, Peter J. Sawyer, GHS Principal

TOWN OF GILFORD

2013 ANNUAL TOWN MEETING WARRANT

To the inhabitants of the Town of Gilford in the State of New Hampshire, qualified to vote in Town affairs:

FIRST SESSION

You are hereby notified to meet for the First Session of the 2013 Annual Town Meeting, to be held in the Gilford High School Auditorium, in said Town of Gilford, on Wednesday, February 6, beginning at seven o'clock in the evening (7:00 p.m.). The First Session will consist of explanation, discussion and debate on each of the following warrant articles; and will afford those voters who are present the opportunity to propose, debate and adopt amendments to each warrant article to the extent prescribed under the laws of the State of New Hampshire.

SECOND SESSION

You are hereby notified to meet for the Second Session of the 2013 Annual Town Meeting, to be held in the Gilford Youth Center, in said Town of Gilford, on Tuesday, March 12, beginning at seven o'clock in the morning (7:00 a.m.) until the closing of the polls at seven o'clock in the evening (7:00 p.m.). The Second Session will consist of voting by official ballot to elect Town Officers and voting by official ballot on all warrant articles from the First Session, as may be amended, as follows:

ARTICLE 1: To choose the necessary Town Officers for the following year; to wit:

One Selectman for a 3 year term

One Trustee of Trust Funds for a 3 year term

Two Library Trustees for 3 year terms

Three Budget Committee Members for 3 year terms

One Fire Engineer for a 3 year term

One Cemetery Trustee for a 3 year term

ARTICLE 2: Are you in favor of the adoption of Amendment Number 1 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend corner lot setback requirements by adding to Section 5.1.3, Front Setback Area, a new Subparagraph h. to allow residential corner lots to have side and rear setbacks apply to the abutting yard under certain circumstances; and adding a new Subparagraph i. to allow side and rear setbacks to apply to the area of an interior lot that is adjacent to a new subdivision road. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (Majority Vote Required)

ARTICLE 3: Are you in favor of the adoption of Amendment Number 2 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Article 3, Definitions, by changing the definition of "Buffer" in various ways including clarifying what uses may be located within a buffer, and by changing the definition of "Screen or Screening" to revise what plantings are required for screening purposes and the dimensions of those plantings. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (Majority Vote Required)

ARTICLE 4: Are you in favor of the adoption of Amendment Number 3 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 6.5, Screening, by changing the title to "Screened Buffer", by no longer requiring buffers for commercial and industrial uses in commercial and industrial zones adjacent to residential uses but only along residential zone boundaries, and making other related changes. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (Majority Vote Required)

ARTICLE 5: Are you in favor of the adoption of Amendment Number 4 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 5.1.6, Lot Coverage, and Table 2, Dimensional Regulations, to make the maximum impervious lot coverage allowed in the Resort Commercial (RC) and Professional Commercial (PC) Zones the same as what is allowed in the Commercial (C) and Industrial (I) Zones (75%). (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (Majority Vote Required)

ARTICLE 6: Are you in favor of the adoption of Amendment Number 5 as proposed by the Gilford Planning Board for the Gilford Zoning Ordinance as follows:

Amend Section 22.5, Duration of Permit, by establishing a time limit to submit final plans for signing after they have been approved by the Planning Board, establishing a time limit to record subdivision plans after they have been approved, and reorganizing the section and assigning subsection lettering to other established requirements in the section. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (Majority Vote Required)

ARTICLE 7: Are you in favor of the adoption of an Amendment to the Gilford Zoning Ordinance submitted by Citizen Petition as follows:

Create a new Section 5.2.1(g) limiting and regulating the cutting of trees and prohibiting the use of herbicides and pesticides along all water bodies within the town. (An official copy of the entire proposal is on file at the Town Clerk's Office and on display at the meeting place on the date of the Town Meetings and may be viewed at www.gilfordnh.org.) (The Planning Board does not recommend the adoption of this amendment.) (Majority Vote Required)

ARTICLE 8: Shall the Town vote to raise and appropriate the sum of one hundred fifty eight thousand dollars (\$158,000), gross budget, for improvements to the public safety (Police & DPW) radio systems; and to authorize the borrowing of not more than one hundred fifty eight thousand dollars (\$158,000) in accordance with the provisions of the Municipal Finance Act, (RSA 33); and to authorize the Board of Selectmen to issue and negotiate such note and to determine the interest rate thereon; and furthermore, to raise and appropriate an additional sum of thirty-five thousand dollars (\$35,000) for the first year's payment for that purpose. (This is a special warrant article.) (3/5 Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 10 to 0)

ARTICLE 9: Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$11,090,436? Should this article be defeated, the default budget shall be \$11,113,316, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the Board of Selectmen may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (This operating budget warrant article does not include appropriations contained in any other warrant articles.) (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 11 to 1)

ARTICLE 10: Shall the Town vote to approve the cost items included in the two year collective bargaining agreement reached between the Board of Selectmen and the American Federation of State, County and Municipal Employees, (AFSCME), Local 534 on behalf of certain Public Works Department employees, which calls for a wage and benefit package that requires no appropriation (\$0) for the estimated costs necessary to fund the new collective bargaining agreement in the current fiscal year over the costs attributable to wages and benefits that would have been due under the current agreement at the current staffing level? The estimated cost to fund the wages and benefits in the second year of the agreement is an increase of eleven thousand three hundred fifty-five dollars (\$11,355) over the costs attributable to the wages and benefits that would have been paid under the current agreement at the current staffing levels. (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 12 to 0)

ARTICLE 11: Shall the Town vote to raise and appropriate the sum of three hundred fifty thousand dollars (\$350,000) to be added to the Building Repair Capital Reserve Fund previously established in 2007? This sum will come from the surplus fund balance whereby no amount shall be raised from taxation. (This is a special warrant article.) (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 12 to 0)

ARTICLE 12: Shall the Town vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Glendale Boat and Launch Ramp Facilities Maintenance Capital Reserve Fund previously established in 2008? (This is a special warrant article.) (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 12 to 0)

ARTICLE 13: Shall the Town vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Water Supply Maintenance Capital Reserve Fund previously established in 2008 for town-wide fire suppression purposes? (This is a special warrant article.) (Majority Vote Required) (Recommended by the Board of Selectmen by a vote of 3 to 0) (Recommended by the Budget Committee by a vote of 9 to 0)

ARTICLE 14:: Shall the Town vote to raise and appropriate the sum of one hundred thirty thousand dollars (\$130,000) to purchase a Department of Public Works Dump Truck with plow and accessories; and to partially fund this appropriation by authorizing the withdrawal of fifty thousand dollars (\$50,000) from the Highway Equipment Capital Reserve Fund previously established in 1990; whereby the balance of eighty thousand dollars (\$80,000) shall be raised from taxation?
