It would appear that between donations and grant money the Town of Gilford will finally (2018) get a much-needed new dog and training for the Police Department to replace Ike, who passed away in February 2017. We feel the responsibility for providing a police dog and training lies within the Town instead of repeated solicitations from individuals, businesses and grants. The extensive time needed to conduct a campaign to raise funds greatly delays the acquisition of a much-needed new dog following a dog's demise or retirement. It is no secret that New Hampshire is at the top of the list for opioid use. The assistance a dog can provide in drug related instances and also in search and rescue operations is critical. To quote Lieutenant James Leach of the Gilford Police Department, "It is a tremendous asset to have a dog and we need all the tools we can have."
