

# DEPARTMENT OF PUBLIC WORKS

## TRAFFIC ALERT

### *Summit Ave & Governors Island Bridge*

September 7, 2022

GILFORD – Evroks Corporation will be performing bridge repair work for the Town of Gilford starting Monday September 19<sup>th</sup>. The work zone is located on Summit Ave at the Governors Island Bridge. The bridge will remain open to alternating one-way traffic with temporary traffic signals at each bridge approach. Travel lanes will be reduced to only 10-foot wide (starting September 26<sup>th</sup>) for the entire construction period. All property owners and contractors on Governors Island should plan accordingly for this restricted lane width as there will be no exceptions due to the nature of the construction work.

Work is expected to last approximately 3 months and delays should be expected. Please contact Gilford DPW at 603-527-4778 with any questions. Thank you for your patience.
