

# DEPARTMENT OF PUBLIC WORKS

## TRAFFIC ALERT

### *Summit Ave & Governors Island Bridge*

December 16, 2022

GILFORD – Evroks Corporation will be performing the next phase of bridge repair work for the Town of Gilford starting Monday December 19<sup>th</sup>. This work will focus on concrete repairs to the bridge abutments. The work zone is located on Summit Ave at the Governors Island Bridge. The bridge will remain open to alternating one-way traffic only during weekday work hours with temporary traffic signals at each bridge approach. The work zone will be open to two-way traffic nights and weekends. All property owners and contractors on Governors Island should plan accordingly and delays should be expected.

Please contact Gilford DPW at 603-527-4778 with any questions. Thank you for your patience.
