Eversource's New Start Program

Enrollment Begins on March 28, 2022

Sometimes life can take you down a road with unexpected financial curves.
Eversource's New Start program can help give you a new start.

The New Start program helps you eliminate your outstanding balance in as little as 12 months. You make on-time monthly payments and we'll make up the difference. Let's do this together!

Here's How New Start Works

- Eversource will review your account billing history and set a monthly payment plan based on your average electric usage during the past 12 months.
- The amount credited to your account each month is calculated by taking your total balance at the time of enrollment and dividing it by 12.
- With each on-time monthly payment, 1/12th of the enrollment balance is eliminated or forgiven; up to \$12,000 annually.
- Your service will not be shut-off for non-payment provided you are making your on-time monthly payments.

Eligibility and Benefits

To qualify for New Start and Get its Benefits:

- You must be an Eversource residential electric customer with active service; and
- Your account must have a financial hardship status and have a past due balance of \$150 or more that is 60 or more days past due.
- As long as you continue to make on-time, monthly payments, we'll continue crediting your account until your entire balance – as of the date of enrollment – is eliminated (up to \$12,000 annually).

We're Here to Help

Our Board is 100% volunteers; there are no paid employees of WinnAero. Our founder and two of our Board members are Gilford residents and we are based at the Laconia Airport located in Gilford! Our current Board has a current GHS school teacher, a Belmont HS teacher, a retired Gilford Middle School teacher, a mortgage broker/pilot, a former teacher now pilot, a pilot business owner and me, a retired military pilot/college administrator. We are a 501(c)3 non-profit.

Here's the request: WinnAero, the STEM education for Youth non-profit based at the Laconia Airport, is looking for a few community members interested in joining our board. Our mission is to bring STEM hands-on activities based on aviation and aerospace examples to students from elementary to high school levels. Current board members include school teachers, a business owner, pilots, a banker and a retired military pilot. Our Board meets once a month for an hour or so at the Laconia Airport.
