

The Broads Watershed Management Plan Kickoff Meeting

Wednesday, May 22nd, 4:00–5:00 PM

**Gilford Public Library
31 Potter Hill Road, Gilford, NH**

**Come learn about the study to assess the threats to water quality
in the Broads and how you can contribute
to this important effort to protect Lake Winnepesaukee.**

FB Environmental will present an overview of the steps involved in the development of a water quality study to identify sources of pollutants that can lead to water quality impairments and the actions needed to mitigate and maintain our high water quality.

LWA is seeking volunteers from Gilford and Alton to be part of the Advisory Committee for this project.

For more information, contact LWA at 603-581-6632.
