

**Town of Gilford  
Cemetery Trustee Meeting  
August 4, 2010  
Town Hall Conference Room B**

Members Present:      Susan Leach      Chairperson  
                                 Judy Cott              Vice Chairperson  
                                 Dee Chitty             Secretary

Meeting was called to order at 9:00 a.m.

Approval of Trustee Minutes              Leach/Cott

New Business:              A. Invoice received from Z.D.Tree. Sue said she had met with Geoff Ruggles and Scott Dunn.

B. Jessica Felix will be in Gilford on Monday, 8/9/10, to view the Weeks Cemetery and Hoyt. She has been recommended by Belknap Landscaping & enjoys repairing cemetery stone repair.

C. Judy reported she had met with Charlie Grant to review some of the history on the Grant Cemetery.

D. It was noted that the Lamprey Cemetery in Belmont, located at the corner of 107 & Durrell Mtn. Road, had completed the necessary work to their cemetery. Peter O'hern had requested taking the cemetery dirt that remains to Gilford's James Cemetery. All agreed it could be used along the walls.

Old Business:              A. Sue mentioned she had sent a "Thank-You" to the Gilford Rotary for their support & generous donation towards the tree removal at Weeks Cemetery, from the three trustees.

B. Dee has been working with the young men who are looking for community service projects. It was noted that Matthew Young is eager to help with a trail.

C. Dee reported Ray Haidaichuk had stopped by the Public Works office and had some questions on the Carr Cemetery.

D. Judy will contact Tracy Tramontano to see if she will help with work needed at Weeks Cemetery.

E. Dee mentioned setting up a meeting for the Cemetery Bicentennial Walk. Judy is going to contact Sally & Bill Bickford, and Diane Mitton to see when they would be available.

F. The group discussed cemetery deeds and the 2011 Budget.

The next meeting will be Monday, August 09, 2010, with Jessica Felix.

Meeting was adjourned at 10:30 a.m.

A True Record Attest:

Dee Chitty  
Secretary
